Love and Memory: Poetry John Banister Tabb,2017-07-07 The exquisite poetry of John B Tabb 1845 1909 is rich in technical precision and concise expression His keen perspective looks carefully around peers into the depths of the soul and gazes up at the heights Little in nature escaped Father Tabb s notice flowers birdsong the beating of the rain the passage of sun moon and stars the cycles of the seasons and the march of the years Everywhere he saw reflections and heard echoes of the gamut of human experience loneliness and companionship losses and rewards regrets and hopes man and God He expressed the essence of his unique vision in a profusion of small poems This collection of 244 poems most of which have no more than eight lines displays the best of Tabb s work gathered into sets that showcase his various approaches to similar topics With notes to help the reader with unfamiliar words and concepts Long to Love and Memory brings John B Tabb s gems out into the light once more and sets them anew for a new century *Nature Day and Night* Richard Adams,Max D. Hooper,1980 Poetry Book On Factual Doctrine Anup Barua,2018-03-28 We all are the human being The father of all living existence of the world and the most civilized animal of the society The human being is composed of various castes languages and religions Being the human being our life leading practices are vary according to the prosperity and poverty qualification and illiteracy culture and barbarism responsibleness and irresponsibleness and according to our generosity and selfishness But we will have to mind that we all are the persons of same flesh and blood we all are depended on the same nature and we all have some duty and responsibility to the society as well as our own family So to achieve the happiness and peace and to fruitful our lives as the human being I have mentioned the realistic explanation of some gist subjects and topics as poetry best presentation especially for the youths and students of the society So this poetry book Factual Doctrine may help a lot for a prosperous and peaceful human life and to fruitful the human birth So my earnest request and appeal to all the book lovers that please read the book attentively to comprehend the theme of the book and encourage to read others *Acupuncture for Body, Mind and Spirit* Peter Mole,2014-06-21 This introductory book answers questions most frequently asked by those new to acupuncture Comparing the system of diagnosis and treatment with that of Western medicine it also covers the history and theory of acupuncture how it is used as preventative medicine how a diagnosis is made what to expect in the treatment room and more **Domestic Spaces in Post-Mao China** Wang Min'an,2017-12-06 Unconventional creative and highly original Wang Min an s work centres on the assemblage of household machines that create the space of contemporary domesticity It offers pathways to a new understanding of how the sudden commodification of domestic space in China beginning in the late 1980s has transformed Chinese domestic life beyond recognition In terms of modern urban Chinese family life people do not just move into new apartments they move into new modes of living which involve new ways of relating to the world Wang s

discussion on the reconstitution of Chinese domestic life its founding moral aesthetic political values is tremendously useful and enlightening In these essays the author stages a Latourian collapse of subject and object in adopting the point of view of both human and non human actants This volume brings a new sensibility to bear on objects of modern everyday life This work is not a China book but rather a work marked profoundly by China Wang experiments with the applicability of theory to what might be thought of as a transcultural common life embedded in mundane technologies The book is particularly concerned with rescuing everyday materiality and bodily life from the numb obscurity to which things have been relegated by modern consumerism and bourgeois hygiene This book is not an oddity from the mysterious East it is a playful experiment in writing from a unique scholar a leading thinker and theorist in the humanities in China and will be of interest to scholars and students of East Asian particularly Chinese political and domestic studies **Oudtestamentische Studien** Pieter Arie

Bachelors, Bastards, and Nomadic Masculinity Robert Fagley, 2014-11-19 *Bachelors Bastards and Nomadic Masculinity* is firstly a thematic exploration of bachelor figures and male bastards in literary works by Guy de Maupassant and Andr Gide The coupling of Maupassant and Gide is appropriate for such an analysis not only because of their mutual treatment of illegitimacy but also because each writer represents varieties of bachelors and bastards from disparate social classes and subcultures each writing during contiguous moments of socio legal changes particularly related to divorce law and women s rights which consequently have great influence on the legal destiny of illegitimate or natural children Napoleon s Civil Code of 1804 provides the legal patriarchal framework for the period of this study of illegitimacy from about 1870 to 1925 The Civil Code saw numerous changes during this period The Naquet Law of 1884 which reestablished limited legal divorce represents the central socio legal event of the turn of the century in matters of legitimacy whereas the Franco Prussian War of 1870 and the First World War furnish chronological bookends for this book Besides through history law and sociology this book treats illegitimacy through the lens of various branches of gender and sexual theory particularly the study of masculinities and a handful of other important critical theories most importantly those of Michel Foucault Eve Sedgwick Todd Reeser Charles Stivale and Gilles Deleuze and F lix Guattari *Bachelors and bastards* are two principal players in the representation of illegitimacy in Maupassant and Gide but this study considers the theme of illegitimacy as extended beyond simple questions of legitimate versus illegitimate children The male bastard is only one of the Counterfeit characters examined in these authors fictional texts This book is divided into three parts which consider specific thematic elements of their bastard narratives Part One frames the representation in fiction of bachelor figures and how they contribute to or the roles they play in instances of illegitimacy Part Two springs from and develops the metaphor of the counterfeit coin whether represented by a bastard son an affected schoolboy a false priest or a pretentious litt rateur Part Three explains the concept of nomadic masculine practices such practices include nomadic styles of masculinity development as well as the bastard s nomadism
