CLOUDS The Collective Nature Journal Cliff J Sidnell, 2017-01-07 VOICES TO THE CLOUDS is more than merely a study with a fifteen year compass but a collection of gathered nature notes set in context with the writings of arguably England's greatest naturalists Gilbert White John Clare and Richard Jefferies and others The book is divided into 5 year sections and within each is a monthly narrative with climate tables first butterfly sighting birds and butterflies by month top three daily birds temperature and pressure summary frost and heat sequences and more The final section assembles all the data from the previous three sections and to conclude this collective nature journal there is a fulsome index VOICES TO THE CLOUDS may best be described as another slice of the natural world that has been extrapolated from the toilsome drudgery of amassing observations for experience proves that the longer a single locality is studied the more is found in it Richard Jefferies 1885

Women and Nature Glenda Riley, 1999-01-01 Long before Rachel Carson's fight against pesticides placed female environmental activists in the national spotlight women were involved in American environmentalism In *Women and Nature Saving the Wild West* Glenda Riley calls for a reappraisal of the roots of the American conservation movement This thoroughly researched study of women conservationists provides a needed corrective to the male dominated historiography of environmental studies The early conservation movement gained much from women's widespread involvement Florence Merriam Bailey classified the birds of New Mexico and encouraged appreciation of nature and concern for environmental problems Ornithologist Margaret Morse Nice published widely on Oklahoma birds In 1902 Mary Knight Britton established the Wild Flower Preservation Society of America Women also stimulated economic endeavors related to environmental concerns including nature writing and photography health spas and resorts and outdoor clothing and equipment From botanists birders and nature writers to club women and travelers untold numbers of women have contributed to the groundswell of support for environmentalism
