Nature And Pattern Of Familyfriendly Employment Policies In Britain:

The Nature and Pattern of Family-friendly Employment Policies in Britain Dex, Shirley, Smith, Colin, 2002-05 There is need for a more detailed understanding of employers motivations for offering flexible working and the outcomes of different policies and practices for both employers and employees This report draws on data from a large scale national survey of workplace employee relations WERS to fill these gaps in our knowledge and understanding It is the first time these issues have been explored through analysis of such a large and representative sample of companies and employees Employed Carers and Family-friendly Employment Policies Yeandle, Sue, Susan Yeandle, Wigfield, Andrea, 2002-09-25 This report outlines how employees and managers in three sectors banking grocery retail and local authorities have experienced the family friendly employment options available in their place of work Work-Life Advantage Al James, 2017-10-24 Work Life Advantage analyses how employer provision of family friendly working arrangements designed to help workers better reconcile work home and family can also enhance firms capacities for learning and innovation in pursuit of long term competitive advantage and socially inclusive growth Brings together major debates in labour geography feminist geography and regional learning in novel ways through a focus on the shifting boundaries between work home and family Addresses a major gap in the scholarly research surrounding the narrow business case for work life balance by developing a more socially progressive workerist dual agenda Challenges and disrupts masculinist assumptions of the ideal worker and the associated labour market marginalization of workers with significant home and family commitments Based on 10 years of research with over 300 IT workers and 150 IT firms in the UK and Ireland with important insights for professional workers and knowledge intensive companies around the world **Attitudes to Flexible Working and Family Life** Houston, Diane M., Waumsley, Julie A., 2003-12-17 This report is the first to examine attitudes towards flexible working and family life Drawing on a study of over 1500 members of the AEEU and interviews with 53 shop stewards the report addresses key questions around rights and benefits employer s attitudes gender differences and the effects of flexible working on health and well being **Fathers in Work Organizations** Brigitte Liebig, Mechtild Oechsle, 2017-04-24 This book is dedicated to the role of work organizations when it comes to the realization of an active fatherhood Firstly it deals with barriers for active fatherhood and its correlating mechanisms of inequality Which aspects of discrimination and social closure do fathers face today if they assert a claim for active fatherhood and with what kind of barriers are they confronted Secondly capabilities of fathers are addressed Which is their possible scope of action who are relevant actors what is the effect of policies and programs on change and organizational learning with respect to fatherhood **A New Business Agenda for Government** Ella Joseph, John Parkinson, Ella Joseph, 2003-11 *Children of the 21st century (Volume 2)* Kirstine Hansen, Heather Joshi, Shirley Dex, 2010-02-17 This book documents the first five years of life of the children of the influential Millennium Cohort Study which is tracking almost 19 000 babies born in 2000 and 2001 in England Scotland Wales and Northern Ireland This book is

the second in a series of books which will report on the findings from the data and follows on from Children of the 21st century From birth to nine months The Policy Press 2005 It takes an extended look at the children s lives and development as they grow and begin formal education and the implications for family policy and service planning in health and social services The chapters in this book are written by experts across a wide range of social science and health fields and form a unique look at the early lives of children that cuts across disciplinary boundaries It is essential reading for academics students and researchers in these fields It will also be of relevance to policy makers and practitioners with an interest in children s early years family life child development child poverty childcare and education and health care **Inside the**

Workplace Barbara Kersley,Carmen Alpin,John Forth,Alex Bryson,Helen Bewley,Gill Dix,Sarah Oxenbridge,2013-04-15 Based on the primary analysis of the 2004 Workplace Employment Relations Survey WERS 2004 this is the fifth book in the series which began in 1980 and which is considered to be one of the most authoritative sources of information on employment relations in Great Britain Interviews were conducted with managers and employee representatives in over 3 000 workplaces and over 20 000 employees returned a self completion questionnaire This survey links the views from these three parties providing a truly integrated picture of employment relations This book provides a descriptive mapping of employment relations examining the principal features of the structures practices and outcomes of workplace employment relations The reader can explore differences according to the characteristics of the workplace and organization including workplace size industrial sector and ownership Current debates are examined in detail including an assessment of the impact of the Labour Government s programme of employment relations reform A key reference from a respected and important institution this book is a valuable sourcebook for students academics and practitioners in the fields of employee relations human resource management organizational behaviour and sociology Visit the Companion website at <http://cw.routledge.com/textbooks/0415378133> **Work-family Balance, Gender and Policy** Jane Lewis,2009 Looks at the three main components of work family policy packages childcare services flexible working patterns and entitlements to leave from work in order to care across EU15 Member States with comparative reference to the US This work also provides an examination of developments in the UK **Power of Human Resources** Fawziya Al Araimi,2011-10-04 The book entitled Power of Human Resources showcases the growing importance and centrality of HR function from the perspective of modern firms It highlights the changing face of modern HR from being merely considered as an administrative adjunct to evolving as a strategic business partner an employee champion and a key change agent Companies have realized that in order to gain competitive advantage improve employee motivation and boost overall organizational performance HR functions need to be integrated as a crucial part and parcel of the modern organization Effective management of human resources can be slated to have multidimensional benefits for investors managers employees and even consumers For defining organizational success every manager must understand the language of human resources and how it relates to every facet of the organization This book

attempts to comprehensively deal with all the core functions of HR such as Strategic HRM recruitment selection training performance appraisal compensation and job design by presenting a well balanced fusion between theoretical and practical domains related to human resource management The intention of the author has been to create a one stop quick reference tool about HR for catering to the needs of managers HR professionals and even post graduate students The author is a senior HR professional with over two decades of strategic expertise in HR management is an MBA from Wales University and is a wharton fellow

Poverty and Insecurity Tracy Shildrick,2012 This book is the first of its kind to examine the relationship between social exclusion poverty and the labour market It challenges long standing and dominant myths about the workless and the poor by exploring close up the lived realities of life in low pay no pay Britain

Children of the 21st Century Dex, Shirley,Joshi, Heather,2005-10-12 Children of the 21st Century documents the early lives of almost 19 000 children born in the UK at the start of the 21st century and their families It is the product of an exciting collaboration from experts across a wide range of health and social science fields

The Politics of Working Life Judy Wajcman,2005-09-08 How does the politics of working life shape modern organizations Is our desire for meaningful secure work increasingly at odds with corporate behaviour in a globalized economy Does the rise of performance management culture represent an intensification of work or create opportunities for the freewheeling individual career This timely and engaging book by leading authorities in the field adopts the standpoint of the questioning observer It is for those who need an informed account of work that is accessible without being superficial The book is unique in its multi dimensional approach weaving together analysis of individual work experience political processes in organizations and the wider context of the social structuring of markets The book identifies central questions about working experience and answers them in a direct and lively manner It has a strong analytical foundation based on a political economy framework giving particular weight to the contradictory character of organizations These contradictions turn on the competing demands placed on organizations and the different political projects of groups within them This perspective integrates the chapters and permits numerous scholarly debates to be addressed including those on identity projects gender and work power and participation escalation in decision making and the meaning of corporate social responsibility This book is suitable for undergraduate and graduate classes in Organizational Behaviour Business Strategy and the Sociology of Work and Employment It will also appeal to the general reader interested in grappling with the complexity of the changing environment of work

Geographical Mobility Green, Anne E.,Canny, Angela,2003-05-07 This report charts the changing role and nature of geographical mobility in organisational strategies and career development It explores the work and family life experiences of employees and partners who have faced job related geographical mobility Geographical mobility Family impacts highlights geographical mobility as a key cross cutting policy issue outlines the rationale for geographical mobility and traces the impacts of such mobility on employee and partner careers traces the impacts of geographical mobility on individuals and families at different stages of the life course

emphasises the diversity of relocation experiences draws out associated implications for policy This report is important reading for researchers policy makers and practitioners concerned specifically with relocation migration and labour markets It is of particular relevance to those working in human resources economic development and employment policy *The Future of Feminism* Sylvia Walby, 2013-04-17 Feminism is not dead This is not a postfeminist era Feminism is still vibrant despite declarations that it is over Feminism is a success although many gender inequalities remain Feminism is taking powerful new forms which makes it unrecognisable to some In *The Future of Feminism* Sylvia Walby offers a provocative riposte to the notion that feminism is dead Substantiating her arguments with evidence of the vibrancy of contemporary feminism in civil society and beyond she provides a succinct yet comprehensive critical review of recent treatments of feminism explaining why they have got it wrong The book provides the definitive account of feminism's new and varied projects goals alliances and organizational forms including feminism as a global wave It offers engaged accounts of feminist activities across a range of domains in the economy polity violence and civil society Successful feminist projects are not always named as feminist sometimes being mainstreamed into coalitions with social democratic and global human rights activists Feminism is now global though also taking local forms and these new coalitions are the basis for the future of feminism On the future of feminism depends not only the future of gender inequality but the future of social inequality more generally **The Palgrave Handbook of Family Policy** Rense Nieuwenhuis, Wim Van Lancker, 2020-12-14 This open access handbook provides a multilevel view on family policies combining insights on family policy outcomes at different levels of policymaking supra national organizations national states sub national or regional levels and finally smaller organizations and employers At each of these levels a multidisciplinary group of expert scholars assess policies and their implementation such as child income support childcare services parental leave and leave to provide care to frail and elderly family members The chapters evaluate their impact in improving children's development and equal opportunities promoting gender equality regulating fertility productivity and economic inequality and take an intersectional perspective related to gender class and family diversity The editors conclude by presenting a new research agenda based on five major challenges pertaining to the levels of policy implementation in particular globalization and decentralization austerity and marketization inequality changing family relations and welfare states adapting to women's empowered roles *Psychology of Women, Work and Well-being* Manju Mishra, 2023-01-01 *Psychology of Women Work and Well being* is an edited volume with contributions from eminent academicians and professionals The book aims to present a comprehensive review of the complexities associated with the well being of women in the workplace Recent research has shown that despite having significant success in the workplace women's well being has rapidly decreased Working women face a variety of biases and barriers Problems like workplace discrimination gender stereotypes workplace sexual harassment the gender pay gap and the glass ceiling effect are some of the main gendered issues that deteriorate their well being and this volume deals with them and their nuances

The well being of working women across different professions i.e. women in cinema, women in leadership and women in the construction industry has been explored in the chapters. The volume also covers the techniques to enhance the well being of working women such as mindfulness, social relationship and resilience. It covers different aspects of working women's well being and provides significant ideas, evidence and related data. This volume aims to understand and enhance working women's well being in all sections of society. The volume is of interest to the researchers and readers of psychology, sociology, gender studies and other disciplines.

Gendered Lives Shirley Dex, Jacqueline L. Scott, Anke Plagnol, 2012-01-01. This state-of-the-art collection brings together the latest research of eminent experts in the field. It combines a wide sweep with focused analysis of gender dynamics at home and at work and the interaction between them. A longitudinal and life course perspective underpins the authors' assessment of the current state of gender inequality and helps explain why some domains are more resistant to change than others. This timely and innovative volume will be an excellent resource for academics and policy makers alike. Miriam Glucksmann, University of Essex, UK. This meticulous book examines how gender inequalities in contemporary societies are changing and how further changes towards greater gender equality might be achieved. The focus of the book is on inequalities in production and reproductive activities as played out over time and in specific contexts. It examines the different forms that gendered lives take in the household and the workplace and explores how gender equalities may be promoted in a changing world. *Gendered Lives* offers many novel and sometimes unexpected findings that contribute to new understandings of not only the causes of gender inequalities but also the ongoing implications for economic well being and societal integration. This topical and interdisciplinary study by leading researchers in the field will appeal to course leaders, researchers and postgraduate students in sociology, economics, public policy, demography and human geography. Social scientists interested in gender equality, labour market behaviour and public policy will also find much to interest them in this fascinating book.

Negotiating Our Way Up: Collective Bargaining in a Changing World of Work OECD, 2019-11-18. Collective bargaining and workers' voice are often discussed in the past rather than in the future tense but can they play a role in the context of a rapidly changing world of work? This report provides a comprehensive assessment of the functioning of collective bargaining systems and workers' voice arrangements across OECD countries and new insights on their effect on labour market performance today.

The Blackwell Companion to the Sociology of Families Jacqueline Scott, Judith Treas, Martin Richards, 2008-04-15. Tackling issues relevant to family life today, this authoritative Companion shows why studying social change in families is fundamental for understanding the transformations in individual and social life across the globe. Contains original essays by expert contributors on a wide range of topics relating to the sociology of families. Includes coverage of social inequality, parenting practices, children's work, the changing patterns of citizenship and multi-cultural families. Gives special attention to European and North American examples. Discusses previously neglected groups including immigrant families and gays and lesbians. Explores how revolutionary changes in aging

longevity and sexual behavior have radically affected the experience of different generations and the relationships between them
