## Navajo Biographies:

**Navajo Biographies** Virginia Hoffman, 1974 *Native American Life-history Narratives* Susan Berry Brill de Ramírez, 2007 The author provides methods for the study of American Indian ethnographic texts and disputes some previous assumptions about the sources of the stories in *Son of Old Man Hat* Navajo History Ethelou Yazzie, 1982 A history of the Navajos from their mythological and prehistoric beginnings to the present written by and for the Navajo people *Diné* Peter Iverson, 2002-08-28 This comprehensive narrative traces the history of the Navajos from their origins to the beginning of the twenty first century Based on extensive archival research traditional accounts interviews historic and contemporary photographs and firsthand observation it provides a detailed up to date portrait of the Din past and present that will be essential for scholars students and interested general readers both Navajo and non Navajo As Iverson points out Navajo identity is rooted in the land bordered by the four sacred mountains At the same time the Navajos have always incorporated new elements new peoples and new ways of doing things The author explains how the Din remember past promises recall past sacrifices and continue to build upon past achievements to construct and sustain North America s largest native community Provided is a concise and provocative analysis of Navajo origins and their relations with the Spanish with other Indian communities and with the first Anglo Americans in the Southwest Following an insightful account of the traumatic Long Walk era and of key developments following the return from exile at Fort Sumner the author considers the major themes and events of the twentieth century including political leadership livestock reduction the Code Talkers schools health care government economic development the arts and athletics Monty Roessel Navajo an outstanding photographer is Executive Director of the Rough Rock Community School He has written and provided photographs for award winning books for young people *A Diné History of Navajoland* Klara Kelley, Harris Francis, 2019-10-22 For the first time a sweeping history of the Din that is foregrounded in oral tradition Authors Klara Kelley and Harris Francis share Din history from pre Columbian time to the present using ethnographic interviews in which Navajo people reveal their oral histories on key events such as Athabaskan migrations trading and trails Din clans the Long Walk of 1864 and the struggle to keep their culture alive under colonizers who brought the railroad coal mining trading posts and finally climate change The early chapters based on ceremonial origin stories tell about Din forebears Next come the histories of Din clans from late pre Columbian to early post Columbian times and the coming together of the Din as a sovereign people Later chapters are based on histories of families individuals and communities and tell how the Din have struggled to keep their bond with the land under settler encroachment relocation loss of land based self sufficiency through the trading post system energy resource extraction and climate change Archaeological and documentary information supplements the oral histories providing a comprehensive investigation of Navajo history and offering new insights into their twentieth century relationships with Hispanic and Anglo settlers For Din readers the book offers empowering histories and stories of Din cultural sovereignty In short the authors say

it may help you to know how you came to be where and who you are      **Navajo Blessingway Singer** Frank Mitchell,2003 This life history of a Navajo leader recorded in the 1960s and first published in 1977 is a classic work in the study of Navajo history and religious traditions A skillful meticulous and altogether praiseworthy contribution to Navajo studies Although the focus of Mitchell s autobiography is upon his role as a Blessingway singer there is much material here on Navajo history and culture in the late nineteenth and early twentieth centuries Mitchell attended the government school at Fort Defiance worked on the railroad in Arizona served as a handyman and interpreter at several trading posts and the Franciscan missions and later served as a tribal councilman in the 1930s and as a judge in the 1940s and 1950s His observations on these experiences are relevant to our understanding of contemporary Navajo life Lawrence C Kelly Western Historical Quarterly This book stands easily among the best of the native autobiographies Narrated by a thoughtful and articulate Navajo leader over a span of eighteen years this life history is brought into English with none of the selective romanticizing that has spoiled some books It is a superb job of bringing one culture ever closer to another Barre Tolken Western Folklore      *The Best Book of Native American Biographies* Carole Marsh,2004-04-01 Celebrates the contributions of women men and children to the Native American heritage      **Left Handed, Son of Old Man Hat** Left Handed,2018-08-01 With a simplicity as disarming as it is frank Left Handed tells of his birth in the spring of 1868 when the cottonwood leaves were about the size of his thumbnail of family chores such as guarding the sheep near the hogan and of his sexual awakening As he grows older his account turns to life in the open nomadic cattle raising farming trading communal enterprises tribal dances and ceremonies lovemaking and marriage As Left Handed grows in understanding and stature the accumulated wisdom of his people is revealed to him He learns the Navajo lifeway which is founded on the principles of honesty foresightedness and self discipline The style of the narrative is almost biblical in its rhythms but biblical too in many respects is the traditional way of life it recounts

**Reclaiming Dinǫ́ History** Jennifer Denetdale,2007-06 In this groundbreaking book the first Navajo to earn a doctorate in history seeks to rewrite Navajo history Reared on the Navajo Nation in New Mexico and Arizona Jennifer Nez Denetdale is the great great great granddaughter of a well known Navajo chief Manuelito 1816 1894 and his nearly unknown wife Juanita 1845 1910 Stimulated in part by seeing photographs of these ancestors she began to explore her family history as a way of examining broader issues in Navajo historiography Here she presents a thought provoking examination of the construction of the history of the Navajo people Din in the Navajo language that underlines the dichotomy between Navajo and non Navajo perspectives on the Din past Reclaiming Din History has two primary objectives First Denetdale interrogates histories that privilege Manuelito and marginalize Juanita in order to demonstrate some of the ways that writing about the Din has been biased by non Navajo views of assimilation and gender Second she reveals how Navajo narratives including oral histories and stories kept by matrilineal clans serve as vehicles to convey Navajo beliefs and values By scrutinizing stories about Juanita she both underscores the centrality of women s roles in Navajo society and illustrates how oral tradition has been used to

organize social units connect Navajos to the land and interpret the past She argues that these same stories read with an awareness of Navajo creation narratives reveal previously unrecognized Navajo perspectives on the past And she contends that a similarly culture sensitive re viewing of the Din can lead to the production of a Navajo centered history **A Navajo Legacy** John Holiday,Robert S. McPherson,2005 In the second part of the book Holiday details the family and tribal teachings he has acquired over a long life He tells his grandparents stories of the Long Walk era discusses local attitudes about the land relates Navajo religious stories and recounts his training as a medicine man All of Holiday s experiences and teachings reflect the thoughts of a traditional practitioner who has found in life both beauty and lessons for future generations BOOK JACKET **Navajo Biographies** Virginia Hoffman,1974 Journey Of Navajo Oshley Navajo Oshley,2000-05 Intro Contents Illustrations Acknowledgments Foreword Introduction Genesis of the Project The Autobiography The Life of Navajo Oshley Later Life The Later Livestock Years Daily Life in Town Religion and Death Index

**American National Biography** John A. Garraty,Mark C. Carnes,2005-05-12 American National Biography is the first new comprehensive biographical dictionary focused on American history to be published in seventy years Produced under the auspices of the American Council of Learned Societies the ANB contains over 17 500 profiles on historical figures written by an expert in the field and completed with a bibliography The scope of the work is enormous from the earliest recorded European explorations to the very recent past **Reclaiming Diné History** Jennifer Nez Denetdale,2015-09-01 In this groundbreaking book the first Navajo to earn a doctorate in history seeks to rewrite Navajo history Reared on the Navajo Nation in New Mexico and Arizona Jennifer Nez Denetdale is the great great great granddaughter of a well known Navajo chief Manuelito 1816 1894 and his nearly unknown wife Juanita 1845 1910 Stimulated in part by seeing photographs of these ancestors she began to explore her family history as a way of examining broader issues in Navajo historiography Here she presents a thought provoking examination of the construction of the history of the Navajo people Din in the Navajo language that underlines the dichotomy between Navajo and non Navajo perspectives on the Din past Reclaiming Din History has two primary objectives First Denetdale interrogates histories that privilege Manuelito and marginalize Juanita in order to demonstrate some of the ways that writing about the Din has been biased by non Navajo views of assimilation and gender Second she reveals how Navajo narratives including oral histories and stories kept by matrilineal clans serve as vehicles to convey Navajo beliefs and values By scrutinizing stories about Juanita she both underscores the centrality of women s roles in Navajo society and illustrates how oral tradition has been used to organize social units connect Navajos to the land and interpret the past She argues that these same stories read with an awareness of Navajo creation narratives reveal previously unrecognized Navajo perspectives on the past And she contends that a similarly culture sensitive re viewing of the Din can lead to the production of a Navajo centered history Dinétah, an Early History of the Navajo People Lawrence D Sundberg,2016-08 Here in a highly readable style is a lively chronicle of the Navajo people from prehistory to 1868 It is a

sympathetic history of a great people who depended on their tenacity and creative adaptability to survive troubled times The hardships and rewards of early band life encounters with the Pueblos that revolutionized Navajo culture the adversity of Spanish colonization the expansion of Navajo land the tragic cycle of peace and war with the Spanish Mexican and American forces the Navajo leaders long quest to keep their people secure the disaster of imprisonment at Fort Sumner all combine to express the relevancy of Navajo history to their people today This book with its extensive archival illustrations and photographs weaves a complex but understandable story in which Navajos changed the future of the Southwestern United States Lawrence D Sundberg taught for many years among the Navajo in Arizona and has a solid background in not only education and curriculum development but in Navajo history language and culture He has also created materials for Navajo students in Navajo literacy Navajo as a second language and Navajo culture and ethnohistory Mr Sundberg holds a bachelor s degree in Anthropology from California State University Fullerton and a master s degree in Bilingual Education from Northern Arizona University He is also the author of *Red Shirt The Life and Times of Henry Lafayette Dodge* from Sunstone Press

**Navajo Biographies : Volume I** Viginia Hoffman,1974

*Thomas H. Begay and the Navajo Code Talkers* Alys Landry,2023-01-31 Through Thomas H Begay s singular story this richly illustrated biography for young readers describes aspects of Navajo history and culture and shows how a select group of Navajo soldiers used their native Din language to invent and operate a secret communications system that was crucial to a US victory in the Pacific during World War II

**The Navajo** Jennifer R. Denetdale,2025-08 The traditions culture and history of the Navajo Nation are showcased through engaging text sidebars activities maps and more

*A History of the Navajos* Garrick Alan Bailey,Roberta Glenn Bailey,1999 A History of the Navajos examines these circumstances over the century and more that the tribe has lived on the reservation In 1868 the year that the United States government released the Navajos from four years of imprisonment at Bosque Redondo and created the Navajo reservation their very survival was in doubt In spite of conflicts over land and administrative control by the 1890s they had achieved a greater level of prosperity than at any previous time in their history

*Reflections in Place* Donna Deyhle,2009-10-15 Woven together in Donna Deyhle s ethnohistory are three generations and twenty five years of friendship interviews and rich experience with Navajo women Through a skillful blending of sources Deyhle illuminates the devastating cultural consequences of racial stereotyping in the context of education Longstanding racial tension in southeastern Utah frames this cross generational set of portraits that together depict all aspects of this specifically American Indian struggle Deyhle cites the lefthanded compliment Navajos work well with their hands which she indicates represents the limiting and all too common appraisal of American Indian learning potential that she vehemently disputes and seeks to disprove As a recognized authority on the subject qualified by multiple degrees in racial and American Indian studies Deyhle is able to chronicle the lives and survivance of three Navajo women in a way that is simultaneously ethnographic and moving Her critique of the U S education system s underlying yet very real tendency toward structural

discrimination takes shape in elegant prose that moves freely into and out of time and place The combination of substantive sources and touching personal experience forms a profound and enduring narrative of critical and current importance While this book stands as a powerful contribution to American Indian studies its compelling human elements will extend its appeal to anyone concerned with the ongoing plight of American Indians in the education system

## Enjoying the Track of Term: An Emotional Symphony within **Navajo Biographies**

In some sort of taken by screens and the ceaseless chatter of instant communication, the melodic beauty and emotional symphony produced by the written term usually fade in to the back ground, eclipsed by the relentless sound and disturbances that permeate our lives. However, located within the pages of **Navajo Biographies** a wonderful literary value full of raw feelings, lies an immersive symphony waiting to be embraced.
