## Navigating The Distances Poems New And Selected:

*Navigating the Distances* Bruce Bennett, 1999      **Greatest hits, 1962-2000** Bruce Bennett, 2001      **Villanelles** Annie Finch, Marie-Elizabeth Mali, 2012-03-06 The first of its kind a comprehensive collection of the best of the villanelle a delightful poetic form whose popularity ranks only behind that of the sonnet and the haiku With its intricate rhyme scheme and dance like pattern of repeating lines its marriage of recurrence and surprise the villanelle is a form that has fascinated poets since its introduction almost two centuries ago Many well known poets in the past have tried their hands at the villanelle and the form is enjoying a revival among poets writing today The poems collected here range from the classic villanelles of the nineteenth century to such famous and memorable examples as Dylan Thomas s Do not go gentle into that good night Elizabeth Bishop s One Art and Sylvia Plath s Mad Girl s Love Song Here too are the cutting edge works of contemporary poets including Sherman Alexie Lorna Dee Cervantes Rita Dove Seamus Heaney Paul Muldoon and many others whose poems demonstrate the dazzling variety that can be found within the parameters of a single strict form      The Formalist ,2003      *A Directory of American Poets and Fiction Writers* Poets and Writers, Inc. Staff, 2003 Resource THE DIRECTORY OF AMERICAN POETS FICTION WRITERS is a required resource for any arts or presenting organization looking for literary readers as well as for all publishers seeking to solicit work from the best American writers In addition writers can use the book to find the right writing mentor and connect with other writers When I directed my first arts program the Directory delivered the addresses and phone numbers of writers I loved but couldn t find How many writers and audiences are robbed without the information between these covers Cornelius Eady co founder and co director Cave Canem and author of Brutal Imagination      **Harvard Review** ,2001      **Poetry** Harriet Monroe, 2000      Paintbrush ,2001      **The Robert Frost Review** ,2004      **Web-watching** Bruce Bennett, 2005 Poetry Has fate a hand The stance is witty but the underlying questions are serious In the shifting light of human consciousness WEB WATCHING addresses large issues by looking at the small worlds of moth and loon and dragonfly Form mediates it delights and instructs Within the Large Uncertainty the patterns on the page provide at least a partial answer By his ceaseless flow of mind and craft Bruce Bennett again proves that the deft hand of the poet makes of quandary a kind of Fate Judith Kitchen      **Subway Figure** Bruce Bennett, 2009 Witty aphoristic poems with a love story narrative throughout Orchises Press      A New Way of Seeing Michael Sarnowski, 2025-06-04 A New Way of Seeing considers the poetry of five writers Louis Simpson Keith Douglas Richard Hugo Howard Nemerov and Randall Jarrell whose work draws on their activities as soldiers in World War II Basing his examination on extensive primary source research Michael Sarnowski identifies distance both literal and figurative and traumatic memory as two interconnected elements of how these poets internalized the war and made sense of the events they witnessed The book is structured on a gradient related to each poet s proximity to combat as the chapters in turn focus on an infantryman Simpson a tank commander Douglas a bombardier Hugo a pilot Nemerov and a stateside flight instructor Jarrell Sarnowski

relies on a wealth of archival material overlooked by previous scholarship including poem drafts correspondence flight logs and personal belongings The conclusion revisits notions of legacy and representation by assessing factors that contributed to the early labeling of World War II soldiers as a Silent Generation in contrast to the outpouring of poetry published during and following the First World War By exploring how poets processed their wartime experiences A New Way of Seeing offers a stark reminder of why it remains vital to recognize the physical mental and psychological consequences endured by veterans

*Poetry and the Global Climate Crisis* Amatoritsero Ede, Sandra Lee Kleppe, Angela Sorby, 2023-12-11 This book demonstrates how humans can become sensitized to and intervene in environmental degradation by writing reading analyzing and teaching poetry It offers both theoretical and practice based essays providing a diversity of approaches and voices that will be useful in the classroom and beyond The chapters in this edited collection explore how poetry can make readers climate ready and climate responsive through creativity empathy and empowerment The book encompasses work from or about Oceania Africa Europe North America Asia and Antarctica integrating poetry into discussions of specific local and global issues including the value of Indigenous responses to climate change the dynamics of climate migration the shifting boundaries between the human and more than human world the ecopoetics of the prison industrial complex and the ongoing environmental effects of colonialism racism and sexism With numerous examples of how poetry reading teaching and learning can enhance or modify mindsets the book focuses on offering creative practical approaches and tools that educators can implement into their teaching and equipping them with the theoretical knowledge to support these This volume will appeal to educational professionals engaged in teaching environmental sustainability and development topics particularly from a humanities led perspective
