Douglas Canfield, Maja-Lisa von Sneidern, 2003-04-17 The Broadview Anthology of Restoration and Early Eighteenth Century Drama Concise Edition with twenty one plays is half the length of the full anthology without compromising its breadth Concentrating on plays from the heyday of 1660 1737 it focuses on Restoration drama proper and Revolution drama with a selection from the early Georgian period and the later Georgian period's laughing comedy Seven of the nine sub genres personal tragedy tragicomic romance social comedy subversive comedy corrective satire menippean satire and laughing comedy of the full anthology are represented with the preponderance of exposure given to the jewel of this theatre its comedy Each play is fully annotated and prefaced with an historical introduction Also included are a general introduction a statement of procedures and a glossary **The Broadview Anthology of Restoration and Early Eighteenth-Century Drama** J. Douglas Canfield, Maja-Lisa von Sneidern, 2001-05-31 This is the first new full scale anthology of Restoration and eighteenth century drama in over sixty years Concentrating on plays from the heyday of 1660 1737 it focuses especially on Restoration drama proper 1660 1688 and Revolution drama 1689 1714 with a smaller selection of plays from the early Georgian period 1715 1737 and a glimpse at the later Georgian period's laughing comedy 1770s and 80s It includes nine sub genres heroic romance political tragedy personal tragedy tragicomic romance social comedy subversive comedy corrective satire menippean satire and laughing comedy with the preponderance of exposure given to the jewel of this theatre its comedy The core canonical plays from the era from Dryden's All for Love and Behn's The Rover to Congreve's The Way of the World and Sheridan's School for Scandal are all here but so are a remarkably wide range of non canonical works There are many more plays by women than in any previous general anthology of drama of the period Also included are a number of works from the neglected 1660s whose comedies feature delightful subversive levelling folk elements In all there are forty one plays each is fully annotated and prefaced with an historical introduction Also included are a general introduction head notes for each genre and a glossary Movable Londons Julia H. Fawcett, 2025-09-04 In September 1666 a fire sparked in a bakery on Pudding Lane grew until it had destroyed four fifths of central London The rebuilding efforts that followed not only launched the careers of some of London's most famous architects but also transformed Londoners relationship to their city by underscoring the ways that people could shape a city's spaces and the ways that a city's spaces could shape its people Movable Londons looks to the Restoration theater to

understand how the dispossessed made London into a modern city after the Great Fire of 1666 and how the introduction of changeable scenery in theaters altered how Londoners conceptualized the city Fawcett makes a claim for the centrality of unplanned spaces and the role of the Restoration theater in articulating those spaces as the modern city emerged and argues that movable scenery revolutionized London's public theaters inviting audiences to observe how the performers many of them hailing from the same communities as their characters navigated the stage **British Humanities Index** ,2008
