Philip Ridley Plays 3:

Ravenhill Plays: 3 Mark Ravenhill, 2013-10-24 Ravenhill has more to say and says it more refreshingly and wittily than any other playwright of his generation Time Out Shoot Get Treasure Repeat A dramatic cycle that is in its way epic but is splintered into many small shards touches deftly on the impact of war on everyone involved Financial Times Over There Ravenhill explores postwar Germany's division and unification through the power battles between twin brothers The result is fantastically clever and ingenious Guardian A Life in Three Acts By turns charming funny informative and in its final segment lump in the throat moving as Bourne charts the loss of friends and lovers to Aids and contemplates old age Guardian Ten Plagues A remarkable song cycle it's the portrait of grief beyond measure that's so affecting and which this moving hour of solitudinous lamentation confusion and defiance brings beautifully to the fore Telegraph Ghost Story both a satire and a moving story about illness Guardian The Experiment Mark Ravenhill keeps things creepy in his monologue The Experiment in which he plays the satiny voiced slippery narrator The story and the narrator's level of complicity keeps shifting Ravenhill asks us to consider which version if any might be acceptable and how much we might be willing to avert our eyes from for the greater good Independent

Anthony Neilson Plays: 3 Anthony Neilson, 2018-12-23 Anthony Neilson is often described as one of the most exciting and challenging voices in contemporary British theatre For over two decades he has acquired a reputation for innovation and experimentation in both writing and directing having worked with companies such as The Royal Court The RSC and the National Theatre This third play collection of his most recent major works brings together five plays in publication for the first time offering an important documentary of his original work since 2008 Relocated 2008 originally premiered at the Royal Court directed by the author where it was described as a sinister mystery play and not an experience for the faint hearted morally challenging and riveting leaves an indelible stain on the memory The Times Get Santa 2010 is a magical musical and mischievous Christmas show with a fresh moral featuring music by Nick Powell It's Christmas Eve but Holly isn't happy All she's ever wanted from Santa is to meet her real Dad for the first time And every time Santa's failed to

deliver bringing lots of useless presents instead Well Holly s had enough This year she has a plan She s going to wait up and trap Santa when he arrives and get from him the only present she s ever wanted Narrative 2013 originally premiered at the Royal Court Theatre Upstairs Devised throughout rehearsal with a seven strong cast it s a play about storytelling and the narratives of our everyday lives Unreachable 2016 was described as an intoxicatingly chaotic comedy Time Out which follows a film director on an obsessive quest to capture the perfect light Originally running at the Royal Court Theatre in a production that starred Matt Smith it broke boundaries by offering audiences a digital insight into the rehearsal process through online content which documented and shaped the devising process The Prudes 2018 is a comedy about relationships in the current sexual climate and a vicious satire on the male response to it Jess and Jimmy haven t done it in a year Fourteen months and four days to be exact It s definitely not the seven year itch they ve been together nine Now they re coming together in a last ditch effort to re boot their sex life and save their relationship But a lot has changed in a year for them and for the world Described as a smart sketchy amusing awkward stimulating two hander The Times it originally premiered at the Royal Court Upstairs Published to coincide with his adaptation of The Tell Tale Heart at the National Theatre in December 2018 this play collection is an important and unique anthology of a major international voice of contemporary theatre
