Dueck,2016-03-25 The Oxford Handbook of Music and World Christianities investigates music s role in everyday practice and social history across the diversity of Christian religions and practices around the globe The volume explores Christian communities in the Americas Europe Africa Asia and Australia as sites of transmission transformation and creation of deeply diverse musical traditions **The Influence of Music on the Development of the Church of God (Cleveland, Tennessee)** Benson Vaughan,2018-03-23 This book examines the influence of music on the development of the Church of God Cleveland Tennessee This narrative is historically driven but relies upon an interdisciplinary approach to draw on the insights of ecclesiology theology liturgiology church development and especially music This study utilizes a chronological and systematic approach to the relationship between music and the Church of God in the United States during

the first 125 years of the denomination's history from 1886 to 2011. For over a century music has been an often neglected dialogue partner at the table of academic discussion and this research argues for recognition and a proper place in Pentecostal history. Along with primary and secondary sources the important element of living archives is investigated in this work: these are interviews with people who participated in historical music events in the Church of God. The book also relies upon musical examples to explore the influence of music upon the shaping of the denomination's history and theology.

Brazilians in a Promised Land Jorge William de Castro Abdala, 2022-08-25. There are an estimated 1.3 million Brazilian immigrants living in the United States; approximately 460,000 Brazilian Americans as of mid 2019. The Brazilian population in the United States is relatively small and the lack of knowledge of Brazilian immigrants and the tendency to stereotype based on the perception and assumption has had a negative impact on many Brazilian ministries. There are only thirteen Brazilian ministries within the Presbyterian Church USA and the total number of Brazilians' membership within the PC USA is approximately seven hundred people. Some of these ministries have existed for over twenty years but very little information has been given about their existence and experiences. Brazilian ministries that thrive most in the PC USA's body cherish their own identity, understand what those essential factors and keys are, and embrace the challenges and opportunities in a cross-cultural experience. Every thriving Brazilian ministry is made of people who reflect the image of God in the migration context and plays a unique model to love outcast Brazilians living in this promised land. **Infinite**

Psalms for Preaching and Worship Roger E. Van Harn, Brent A. Strawn, 2009-04-10 *Psalms for Preaching and Worship* a key addition to the critically acclaimed three volume Lectionary Commentary Despite the rich resources available for studying the Psalms few are as focused on their place in worship and preaching as is this volume The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to their interaction with other lectionary texts The many ways that psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet's concluding section I know of no work that combines practice and substance better than this lectionary commentary Patrick D Miller Princeton Theological Seminary A fascinating book well organized well written and edited thorough and informative An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms In addition worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship Highly recommended Sidney Greidanus author of *Preaching Christ from the Old Testament* and *Preaching Christ from Genesis* Here is something even better than a simple completion of *The Lectionary Commentary* which would be cause enough for gratitude Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship Marguerite Shuster Fuller Theological Seminary Contributors Nancy R Bowen William P Brown Walter Brueggemann Richard J Clifford Nancy L deClaiss Walford Jennifer S Green Karl N Jacobson Rolf A Jacobson Melody D Knowles Eunni P Lee Joel M LeMon James Limburg J Clinton McCann James K Mead Carol A Miles Luke A Powery Stephen Breck Reid Sandra L Richter Cynthia L Rigby Kathryn L Roberts Brent A Strawn Beth LaNeel Tanner Roger E Van Harn Raymond C Van Leeuwen J Ross Wagner Gerald H Wilson John Witvliet Christine Roy Yoder
