Long Secret

Cornelia Woll

Long Secret:

The Long Secret Louise Fitzhugh, 2002-03-12 Harriet the Spy refuses to become ruffled when an unidentified person starts leaving disturbing notes all over the quiet little beach town of Water Mill She s determined to discover the author of the notes And she drags her friend mousy Beth Ellen into all kinds of odd and embarrassing situations in her efforts to reveal the culprit Observing in her own special caustic way with her ever present notebook Harriet the Spy is on the case But will she be ready to face the truth when she finds it Praise for Harriet the Spy and Her Friends Harriet the Spy Harriet is wholly relatable whether you re eleven or several times that age EW com Harriet Spies Again By Louise Fitzhugh and Helen Ericson Winner of the Edgar Award for Best Juvenile Novel Ericson has perfectly captured the voice and pacing of Fitzhugh s original novel in a seamless rendering of a fresh enjoyable story for today s readers School Library Journal Harriet the Spy Double Agent By Louise Fitzhugh and Maya Gold Harriet the Spy is back and Gold does a credible job of maintaining the special character and her crusty charm Booklist The Long Secret STAR Written with subtlety compassion and Louise Fitzhugh s remarkable ability to see inside the minds of children School Library Journal Starred Sport STAR A worthy successor to Harriet the Spy and that is high tribute Booklist Starred

Quantum Cryptography and Secret-Key Distillation Gilles van Assche, 2006-06-29 This self contained 2006 text introduces the principles and techniques of quantum cryptography with specific focus on secret key distillation With its blend of fundamental theory implementation techniques and details of recent protocols this book will be of interest to graduate students researchers and practitioners in electrical engineering physics and computer science

Against the Tide Debbie Hagan, 2004 Against the Tide is a carefully constructed reporting of the Massachusetts School of Law s struggle to become a fully accredited legal educational institution for minority students and or those with limited financial resources It is a detailed account of several legal educators struggle to diversify legal education against corrupt personalities and politically influential establishment forces

Press and Publications Summary United States Information Service (Taipei, Taiwan), 1963 **Government Secrecy** Jan Goldman Ph.D., Susan Maret, 2008-12-30 Government Secrecy presents the best that has been thought and written on the subject including history and philosophy theory and practice justification and critique Through readings which range from Georg Simmel on secrecy and Max Weber on bureaucracy and secret keeping to post 9 11 concerns regarding freedom of information and presidential secrecy it enables readers to explore the issues and questions that surround the government s right to keep necessary secrets or not This collection and the diverse perspectives it represents will engage students and

other interested parties in a discussion of the benefits and dangers of government secrecy The collection is designed to generate questions regarding historical accuracy of government information information ethics professional neutrality ownership of information public right to information national security and transparency The essays explore the criteria and conditions for government secret keeping as well as contributing to public and academic discussion of the role of secrets in democracies *Index to Hanford Atomics Products Department Technical Documents* C. T. Davis,1967 *Advances in Cryptology* David Chaum,2013-06-29 **Undertones of War** Edmund Blunden,2015-07-09 This military memoir from the six time Nobel Prize nominated poet and British WWI soldier is one of the permanent works engendered by the memories of war Paul Fussell National Book Award winning author of *The Great War and Modern Memory* I took my road with no little pride of fear one morning I feared very sharply as I saw what looked like a rising shroud over a wooden cross in the clustering mist Horror But on a closer study I realized that the apparition was only a flannel gas helmet What an age since 1914 In *Undertones of War* one of the finest autobiographies to come out of World War I the acclaimed poet Edmund Blunden records his devastating experiences in combat After enlisting at the age of twenty he took part in the disastrous battles at the Somme Ypres and Passchendaele describing them as murder not only to the troops but to their singing faiths and hopes All the horrors of trench warfare all the absurdity and feeble attempts to make sense of the fighting all the strangeness of observing war as a writer of being simultaneously soldier and poet pervade Blunden s memoir In steely eyed prose as richly allusive as any poetry he tells of the endurance and despair found among the men of his battalion including the harrowing acts of bravery that won him the Military Cross Now back in print for American readers the volume includes a selection of Blunden s war poems that unflinchingly juxtapose death in the trenches with the beauty of Flanders s fields *Undertones of War* deserves a place on the bookshelves of military buffs and poetry lovers **Medico-chirurgical Review and Journal of Practical Medicine** ,1834 *The Fortnightly* ,1927 *Wilhelm Meister's* Johann von Goethe,Johann Wolfgang von Goethe,1894 *Wilhelm Meister s Apprenticeship and Travels* by Johann Wolfgang von Goethe *Wilhelm Meister s Apprenticeship* German *Wilhelm Meisters Lehrjahre* is the second novel by Johann Wolfgang von Goethe published in 1795 96 The eponymous hero undergoes a journey of self realization The story centers upon Wilhelm s attempt to escape what he views as the empty life of a bourgeois businessman After a failed romance with the theater Wilhelm commits himself to the mysterious Tower Society These two translations *Meister s Apprenticeship* and *Meister s Travels* have long been out of print but never altogether out of demand nay it would seem the originally somewhat moderate demand has gone on increasing and continues to increase They are therefore here republished and the one being in some sort a sequel to the other though in rather unexpected sort they are now printed together The English version of *Meister s Travels* has been extracted or extricated from a compilation of very various quality named *German Romance* and placed by the side of the *Apprenticeship* its forerunner which in the translated as in the original state appeared hitherto as a separate work *God of Battles* Peter

Partner,1998 Peter Partner shows how the ideal of the crusade God s War came to permeate medieval Christendom and how it influenced later Western societies Above all this book examines the fear that Islamic fundamentalism excites in the west and warns against allowing crusading war propaganda to affect our judgment today 24 illustrations Maps **The Hoosier**

Doctor Karl Kringle,1881 [The Elusive Eden](#) Richard B. Rice,William A. Bullough,Richard J. Orsi,Mary Ann Irwin,2017-03-17 California is a region of rich geographic and human diversity The authors of The Elusive Eden masterfully balance the varying environmental and cultural forces that have shaped the history of the most populous of the United States California s story is told with a narrative integrating the area s north south coastal interior and urban rural dichotomies Questions of the role that Californians of every race ethnicity and gender are considered reflecting the significant contribution each has made to make California what it is The book s organization follows a chronological approach but each part begins with a feature chapter centered around a particular theme of that period By focusing on individuals or groups affecting a given period the authors bring California history to life and encourage deeper thought about the issues facing Californians of the time **Corporate Crime and Punishment** Cornelia Woll,2026-02-17 The geopolitics of American law enforcement and how it changed corporate criminal accountability in other countries Over the past decade many of the world s biggest companies have found themselves embroiled in legal disputes over corruption fraud environmental damage tax evasion or sanction violations Corporations including Volkswagen BP and Credit Suisse have paid record breaking fines Many critics of globalization and corporate impunity cheer this turn toward accountability Others however question American dominance in legal battles that seem to impose domestic legal norms beyond national boundaries In this book Cornelia Woll examines the politics of American corporate criminal law s extraterritorial reach As governments abroad seek to respond to US law enforcement actions against their companies they turn to flexible legal instruments that allow prosecutors to settle a case rather than bring it to court With her analysis of the international and domestic politics of law enforcement targeting big business Woll traces the rise of what she calls negotiated corporate justice in global markets Woll charts the path to this shift through case studies of geopolitical tensions and accusations of economic lawfare pitting the United States against the European Union China and Japan She then examines the reactions to the new legal landscape describing institutional changes in the common law countries of the United Kingdom and Canada and the civil law countries of France Brazil and Germany Through an insightful interdisciplinary analysis of how the prosecution of corporate crime has evolved in the twenty first century Woll demonstrates the profound transformation of the relationship between states and private actors in world markets showing that law is part of economic statecraft in the connected global economy **The Life and Legacy of**

Nikita Khrushchev Charles River Editors,2025-05-22 We will bury you Nikita Khrushchev A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors Russian Legends series readers can get caught up to speed on the lives of Russia s most important men and women in the

time it takes to finish a commute while learning interesting facts long forgotten or never known For 30 years much of the West looked on with disdain as the Bolsheviks took power in Russia and created and consolidated the Soviet Union As bad as Vladimir Lenin seemed in the early 20th century Joseph Stalin was so much worse that Churchill later remarked of Lenin Their worst misfortune was his birth their next worst his death Before World War II Stalin consolidated his position by frequently purging party leaders most famously Leon Trotsky and Red Army leaders executing hundreds of thousands of people at the least And in one of history's greatest textbook examples of the idea that the enemy of my enemy is my friend Stalin's Soviet Union allied with Britain and the United States to defeat Hitler in Europe during World War II Stalin had ruled with an iron fist for nearly 30 years before his death in 1953 which may or may not have been murder just as Stalin was preparing to conduct another purge With his death Soviet strongman and long time Stalinist Nikita Khrushchev 1894-1971 who had managed to stay a step ahead of Stalin's purges if only because he participated in them became the Soviet premier A barely known figure outside of the Eastern bloc Khrushchev was derided as a buffoon by one Western diplomat and mocked for his physical appearance by others but any Western hopes that he would prove a more conciliatory figure than Stalin were quickly snuffed out as the hard line Khrushchev embraced confrontational stances In a statement to Western diplomats at the Polish embassy in Moscow Khrushchev famously warned We will bury you And after his first meetings with President John F Kennedy Kennedy famously compared Khrushchev's negotiating techniques to his own father's Even today one of Khrushchev's most memorable moments is banging his shoe at a United Nations General Assembly meeting in September 1960 while a Filipino delegate was speaking Personal histrionics aside Khrushchev meant business when dealing with the West especially the United States and its young president John F Kennedy After sensing weakness and a lack of fortitude in Kennedy Khrushchev made his most audacious and ultimately costly decision by attempting to place nuclear warheads at advanced offensive bases located in Cuba right off the American mainland As it turned out the Cuban Missile Crisis would show the Kennedy Administration's resolve force Khrushchev to back down and ultimately sow the seeds of Khrushchev's fall from power By the time he died in 1971 he had been declared a non citizen of the nation he had ruled for nearly 20 years Russian Legends The Life and Legacy of Nikita Khrushchev looks back at Khrushchev's most famous moments but it also explores how the poor peasant rose to power his politicking and brutality during the Stalin era and his time as the Soviet premier Along with pictures of important people places and events you will learn about Khrushchev like you never have before in no time at all

The War on Civil Liberties Elaine Cassel, 2004 Publisher Description *The Red Atlas* John Davies, Alexander J. Kent, 2017-10-17 The utterly fascinating untold story of Soviet Russia's global military mapping program featuring many of the surprising maps that resulted Marina Lewycka author of A Short History of Tractors in Ukrainian From 1950 to 1990 the Soviet Army conducted a global topographic mapping program creating large scale maps for much of the world that included a diversity of detail that would have supported a full range of military planning For big cities like New

York Washington D C and London to towns like Pontiac MI and Galveston TX the Soviets gathered enough information to create street level maps The information on these maps ranged from the locations of factories and ports to building heights road widths and bridge capacities Some of the detail suggests early satellite technology while other specifics like detailed depictions of depths and channels around rivers and harbors could only have been gained by Soviet spies on the ground The Red Atlas includes over 350 extracts from these incredible Cold War maps exploring their provenance and cartographic techniques as well as what they can tell us about their makers and the Soviet initiatives that were going on all around us

Nietzsche's "Ecce Homo" Nicholas Martin, Duncan Large, 2020-12-16 Friedrich Nietzsche's intellectual autobiography *Ecce Homo* has always been a controversial book Nietzsche prepared it for publication just before he became incurably insane in early 1889 but it was held back until after his death and finally appeared only in 1908 For much of the first century of its reception *Ecce Homo* met with a sceptical response and was viewed as merely a testament to its author's incipient madness This was hardly surprising since he is deliberately outrageous with the megalomaniacal self advertisement of his chapter titles and brazenly claims I am not a man I am dynamite as he attempts to explode one preconception after another in the Western philosophical tradition In recent decades there has been increased interest in the work especially in the English speaking world but the present volume is the first collection of essays in any language devoted to the work Most of the essays are selected from the proceedings of an international conference held in London to mark the centenary of the first publication of *Ecce Homo* in 2008 They are supplemented by a number of specially commissioned essays Contributors include established and emerging Nietzsche scholars from the UK and USA Germany and France Portugal Sweden and the Netherlands
