his home where he resides with his wife and two children Hadi's Journey Jennifer Reed,2003-10 Taken away from all he knows Hadi is faced with decisions that no boy should ever have to make Just nine years old Hadi journeys to a strange land to work in a camel souk He quickly learns that his life is no longer what it used to be Hot and dirty conditions a strict master and desperately missing his family make life unbearable Yet as he works with the camels he soon learns that many young boys become camel jockeys and enter races Can Hadi become a famous jockey Can he earn enough money to escape the souk and return home Although slavery seems to be a thing of the past to most Americans it is alive and well in other parts of the world Child slavery is a problem Hadi s Journey brings one such problem to light and exposes the truth about child camel jockeys in the Middle East *The Wild of God* Eric Hanson,2013-01-09 Eric Hanson claimed to follow the most remarkable person in history yet his life was as exciting as sugarless gum Confronted with a disparity between a promise of abundant life and what he saw in life surrounding him he left everything behind for a year to travel around the globe through the worlds poorest countries Refugees hermits prostitutes mobs secret police monks and a motorcycle gang A dangerous journey introduces us to a fresh side of faith God and a fulfilling life My eyes were opening to whole new levels of pain and poverty darkness and despair I saw new and altogether beautiful things become real to me The Bible is full of Gods promises of healing and restoration but those words always seemed plastic and hollow to me For the first time in my life I began to see God move and heal to truly touch people in the midst of unbearable pain And in that Gods message of restoration suddenly took on a significant real life meaning to me As I watched Joses transformation my heart was ripped from my chest and squeezed until my muted soul could hear God whispering that this real change real love not contrite phrases in an old book was the heart of God for His people Eric has written a powerful endearing account of his adventures around the world But this isnt a book that will leave you feeling helpless It will give you faith in your own story and hope for living a more meaningful one Jeff Goins author *Wrecked When a Broken World Slams into Your Comfortable Life* **Bitter Fruit** Maureen Honey,1999 Despite the participation of African American women in all aspects of home front activity during World War II advertisements recruitment posters and newsreels portrayed largely white women as army nurses defense plant workers concerned mothers and steadfast wives This sea of white faces left for posterity images such as Rosie the Riveter obscuring the contributions that African American women made to the war effort In *Bitter Fruit* Maureen Honey corrects this distorted picture of women s roles in World War II by collecting photos essays fiction and poetry by and about black women from the four leading African American periodicals of the war period *Negro Digest* *The Crisis* *Opportunity* and *Negro Story* Mostly appearing for the first time since their original publication the materials in *Bitter Fruit* feature black women operating technical machinery working in army uniforms entertaining audiences and pursuing a college education The articles praise the women s accomplishments as pioneers working toward racial equality the fiction and poetry depict female characters in roles other than domestic servants and give voice to the bitterness arising from discrimination that many women felt With

these various images Honey masterfully presents the roots of the postwar civil rights movement and the leading roles black women played in it. Containing works from eighty writers, this anthology includes forty African American women authors, most of whose work has not been published since the war. Of particular note are poems and short stories anthologized for the first time, including Ann Petry's first story, Octavia Wynbush's last work of fiction, and three poems by Harlem Renaissance writer Georgia Douglas Johnson. Uniting these various writers was their desire to write in the midst of a worldwide military conflict with dramatic potential for ending segregation and opening doors for women at home. Traditional anthologies of African American literature jump from the Harlem Renaissance to the 1960s with little or no reference to the decades between those periods. *Bitter Fruit* not only illuminates the literature of these decades but also presents an image of black women as community activists that undercuts gender stereotypes of the era. As Honey concludes in her introduction, African American women found an empowered voice during the war, one that anticipates the fruit of their wartime effort to break silence, to challenge limits, and to change forever the terms of their lives.
