

10 Ways To Overcome The Ending Of

A LONG TERM MARRIAGE

MINDJOURNAL

Long Term Marriage

Stephen Martin, Victoria Costello

Long Term Marriage:

Together Through Thick and Thin Florence Kaslow, Shlomo A Sharlin, 2022-03-01 Discover what factors beliefs and attitudes build a successful marriage In the enormous social political and technological upheavals since World War I the long and happy marriage has begun to seem like an endangered species In the desperate hunt for reasons that marriages fail most researchers have ignored the factors that help marriages succeed Together Through Thick and Thin A Multinational Picture of Long Term Marriage reports a landmark study of long term satisfaction in marriage Instead of relying on conjecture or unproven clinical hunches the authors studied the happily married around the world The respondents early experiences included the Great Depression World War II and the Holocaust as well as the Roaring Twenties In the years since they married technological change and the women s movement have made the world almost unrecognizable Yet these people have managed to maintain both stability and quality in their marriages The scope of Together Through Thick and Thin is sweeping eight countries more than 400 couples who had been happily married for between 25 and 45 years Factors analyzed include degree of satisfaction gender differences socioeconomic level family history shared values religious belief and practice attitudes toward children physical health and problem solving styles among many others Moreover the book builds on existing documented literature on marriage This solid background helps put its wealth of practical data into context an ideal synthesis of theory and practice This study delves into the reasons couples stay together and stay satisfied What qualities and attitudes do happily married couples share Can the factors that keep a Chilean couple together for life also apply in the very different cultures of Sweden Israel South Africa the United States What keeps a marriage together in times of crisis How important is love Together Through Thick and Thin helps you understand the diverse factors that affect marital quality and stability by offering a broad range of information a comprehensive review of the literature of happy marriage cross cultural comparisons that kindle fresh insights discussions of factors ranging from gender and economic status to family history and shared attitudes specific behaviors and attitudes that illuminate what matters most in marriage from mutual respect to shared fun the reasons couples stick together during crises which problem solving behaviors actually work Together Through Thick and Thin provides psychologists family therapists and couples counselors with the solid data they need to guide couples in crisis toward greater intimacy commitment and joy together *For Keeps* Finnegan Alford-Cooper, 1998 Derived from the author s own survey the Long island Long Term Marriage Survey this book unveils the most important factors contributing to the longevity of marriages It s based on completed questionnaires from 576 couples and in depth follow up interviews with sixty of these couples making this the largest survey to date of couples married fifty years or more The interviews allowed the spouses to tell their life stories excerpted in the book and to contrast their marriages to those of younger generations adding an intergenerational comparative perspective The author organizes the book around the major life events experienced by her respondents meeting courtship and marriage having children conflicts and their resolution

sharing household chores working spouses retirement Throughout Alford Cooper has included longer vignettes in which couples tell the stories of their lives together giving the book a freshness that only first hand narrative can communicate

The Experience of the Long-term Marriage Relationship Gayle R. Beck, 1983 Abstract A phenomenological inquiry of the question What is the experience of the long term marriage relationship was explored in this study The theoretical foundation for the investigation incorporated concepts of existentialism phenomenology and humanistic psychology Review of the literature yielded a few studies of longterm marriage and an abundance of quantitative research examining factors necessary to achieve marital satisfaction This study is a qualitative examination of sustained marriage relationships that offers a comprehensive phenomenological descriptive analysis of the themes involved therein The data was collected by means of an in depth interview with a population of fifteen couples married for over twenty years living in the northern suburbs of metropolitan Detroit Michigan The analysis of data through the process of phenomenological reduction yielded major components and basic themes of the experience of the long term marriage relationship Couples interviewed described their relationship as one which commitment to one another resulted in satisfaction personal needs which in turn deepened commitment to the sustained relationship Changes in the experience of the relationship over time led to the gradual development of oneness of being and intermittent distancing from one another during the natural ebb and flow of life s crises Additionally the long term marriage relationship involved both verbal and non verbal sharing through self disclosing communication of varying degrees and intensity A desire to remain in the marriage and work toward its enhancement and enrichment was increased by the sharing of self The building of mutual life memories was another significant aspect of a sustained marriage relationship revealed by this study These memories both joyous and painful deepened the connecting links between couples Finally the experience of long term marriage relationship involved the branching outward to create develop or touch the lives of others and to affirm and further sustain the marriage This study concluded that couples engaged in long term relationships can and do experience marital satisfaction over long periods of time contrary to results of previous empirical and qualitative research It further suggested that the experience of the long term marriage relationship warranted additional study and research

For Keeps: Marriages That Last a Lifetime Finnegan Alford-Cooper, 2016-12-05 Derived from the author s own survey called the Long Island Long Term Marriage Survey this text examines couples married 50 years or more The survey comprising of questionnaires and interviews was conducted to learn what factors contributed to the longevity of marriages

Long-term Marriages Timothy H. Brubaker, 1984

Family Ties and Aging Ingrid Arnet Connidis, 2010 This advanced textbook covers issues of family ties and aging broadly the goal being to provide an integrated and thorough representation of what we know from the current research Whereas books on families and aging have traditionally focused on ties to a spouse and to children and grandchildren Family Ties Aging is more extensive and more reflective of contemporary society The text includes groups and relationships that typically receive short shrift exploring such

neglected populations as single divorced and childless older people and their family relationships as well as sibling relationships among the elderly live in partnerships not formalized by marriage and the kinds of family ties forged by gay and lesbian persons over the life course The book weaves the vast range of information we now have about the many facets of family relationships and aging into a critical comprehensive and integrated whole *Lasting Marriages* Richard Mackey, Bernard O'Brien, 1995-06-30 Based on in depth interviews by skilled clinicians with husbands and wives who have been married more than 20 years Mackey and O'Brien explore how spouses adapt to each other from the early years of marriage through the parenting years and into the post parenting or empty nest years Purposively selected for inclusion were spouses representing religious ethnic racial and educational diversity Given increased life expectancies couples who stay together will remain together for longer periods of time As longevity extends into the seventies eighties and beyond it is critical to identify the significant dynamics which contribute to satisfaction among couples in stable marriages This book responds to this need Each chapter focuses on an important theme in these long term marital relationships Mackey and O'Brien first explore the beginnings of the relationships and the recollections of how respondents were attracted initially The next chapters focus on dimensions of marriage as they evolve over time Collective themes emerging from the interviews are explored in relationship to gender ethnicity religion and education In view of increased life expectancies couples who stay together will remain together for longer periods of time As longevity extends into the seventies eighties and beyond it is critical to identify the significant dynamics which contribute to satisfaction among couples in stable marriages This book responds to this need among sociologists psychologists social workers marriage and family counselors and general adult readers interested in gender cultural differences and interpersonal relationships *The Everything Guide to a Happy Marriage* Stephen Martin, Victoria Costello, 2009-06-18 Every newly married couple wants to beat the odds and make their marriage work Unfortunately 50 percent of first marriages and 65 percent of second marriages fail Clearly couples need guidance and support to keep their partnerships strong In this guide married couple Stephen Martin and Victoria Costello offer information tips and advice to help readers Recognize danger signs in a marriage Communicate effectively Handle discussions about money sex kids and other tough topics Keep the passion alive Maintain a sense of identity within a partnership Navigate special situations such as stepfamilies and cultural differences With the help of this concise book couples can address problems before they become dealbreakers From the stress of combining finances and raising kids to dealing with in laws and blending families there s a lot of pressure in a marriage But all it takes is a little information and determination to make it work and to make it last **Handbook of Contemporary Families** Marilyn Coleman, Lawrence H Ganong, 2004 Coleman and Ganong recruited an outstanding group of scholars to contribute to the Handbook of Contemporary Families Authors represent a wide array of disciplines and the topics touch on every aspect of family life The organization of the book is excellent and the writing of high quality Scholars and students alike will find the book a valuable

resource Alan Booth Penn State University Marilyn Coleman and Larry Ganong have produced a comprehensive handbook exploring the changes and challenges confronting contemporary families The chapters written by some of the most distinguished social scientists studying families give a balanced research based analysis of some of the most contentious issues of our time E Mavis Hetherington University of Virginia This useful handbook brings together many of the most important new findings and provocative ideas about America s diverse and changing families An excellent resource Stephanie Coontz author of *The Way We Really Are* Coming to Terms with America s Changing Families What has happened to marriage and families What is the current state of families Where are families headed Where is family scholarship headed As families face challenges today brought on by events that have changed their perception of the world there is a need for a clear assessment of what has happened to families in the past and an examination of some data based theories about what is likely to happen in the future The Handbook of Contemporary Families explores how families have changed in the last 30 years and speculates about future trends Editors Marilyn Coleman and Lawrence H Ganong along with a multidisciplinary group of contributors critique the approaches used to study relationships and families while suggesting modern approaches for the new millennium The Handbook looks at how changes within the contemporary family have been reflected in family law family education and family therapy Features of this Handbook Examines a diverse array of families and relationships in which people live including chapters on alternative lifestyles gay and lesbian relationships economically distressed families religion and families racial and ethnic diversity a feminist vision for families older families and the effect of computers and other technology on family relationships Includes both a historical review and future speculation on the subjects covered in each chapter Interdisciplinary contributors representing a variety of fields such as history family studies sociology law therapy social work psychology nursing and human development The Handbook of Contemporary Families is an excellent resource for advanced undergraduate and graduate students researchers educators and practitioners who study and work with families in several disciplines including Family Science Human Development and Family Studies Sociology Marriage Family Therapy and Social Work

for everything you need to lead this effective husband friendly and fun program Foundations for a Successful Marriage Mark H. Bayer Ed.D.,2013-02-21 This book covers five key areas which will determine if a marriage has the greatest potential of being rewarding Marriage is a balance of these factors which will either add or detract from the relationship The better these areas function together the more rewarding the relationship can be Although these five areas are typically common to books on marriage the author seeks to look at the core issues behind each topic For example communication is more than just talking Communication must include being willing to hear your partner rather than just listening to them The goal is to maintain a positive attitude while understanding that no couple will have a marriage free of problems With this foundation the couple can better understand the weakest areas in their marriage and work on improving them **Aging and the Family** Patricia Neff Claster,Sampson Lee Blair,2021-02-25 This collection makes a crucial contribution by collating research on aging and the family from an international perspective Providing this wide scope of quality research the volume equips readers to better assess how aging and its related issues are affecting families from multiple backgrounds The Encyclopedia of Adulthood and Aging, 3 Volume Set Susan K. Whitbourne,2016-01-19 This authoritative reference work contains more than 300 entries covering all aspects of the multi disciplinary field of adult development and aging Brings together concise accurate summaries of classic topics as well as the most recent thinking and research in new areas Covers a broad range of issues from biological and physiological changes in the body to changes in cognition personality and social roles to applied areas such as psychotherapy long term care and end of life issues Includes contributions from major researchers in the academic and clinical realms 3 Volumes www.encyclopediaadulthoodandaging.com **Roxbury Redemption** Dr. Earle Williams,2012-04-18 This is the story of a life well lived but with difficulties along the way Dr Williams tells how he overcame challenges and found a meaningful and fulfilling life with perseverance and the grace of God With the aid of three great religions Catholic Baptist and the Nation of Islam he was placed on a trajectory of success As a child his mother was told he was mentally retarded After starting high school at the age of 12 and the only Black in all of his classes for four years he was told any college that accepts you is hard up His father told him he was too stupid to finish high school and that he should quit and get a job Then as a 21 year old recently discharged Air Force veteran he discovered his mother had been killed by a hit and run white male driver Enraged he embarked on a life of crime for two years until arrested and sentenced to Walpole Maximum Security Penitentiary in Massachusetts When released he enrolled in college and 15 years later received his doctorate degree in Clinical Psychology In the tradition of when you get to where you re going don t forget where you ve been he tells the story how he and perhaps others released from prison can turn their lives around Now as a Forensic Clinical Psychologist in private practice and assistant professor at Hampton University he tells you there s plenty of room at the top it s just those darn bottoms that are so crowded *The Ties of Later Life* Jon Hendricks,2019-05-23 Helps you recognise the continuity that runs across the generations from grandparents to grandchildren This work provides a clear

perspective on the actual experiences of the lives of our family and friends *No-fault Divorce* Allen M.

Parkman,2019-03-04 Since 1970 all the states adopted no fault divorce statutes which have had the unexpected effect of producing dire financial conditions for many divorced women and their children In this important study economist and lawyer Allen Parkman shows how no fault divorce has systematically operated against the interests of these women and children With rare economic and legal insight Parkman argues that by changing the grounds for divorce without changing the laws that define and allocate property at divorce the legal system created substantial injustices The key mistake he suggests was in accepting a definition of property that did not include the income earning capacity human capital of the individuals involved Using human capital theory Parkman criticizes current divorce law and presents a framework for reform that would reduce the injustices introduced by no fault divorce He concludes that a thorough reform however may require the changing of the grounds for divorce to mutual consent This book is essential reading for scholars professionals and indeed for anyone interested in the health and future of the family and the well being of women in contemporary U S society

Divorced, without Children Debra D. Castaldo,2011-02-14 The topic of women divorced at midlife without children is one that has to date been absent from professional and academic literature though these women make up a considerable and growing portion of our population This book explores the experience meaning and impact of divorce at midlife for women without children and provides insights into the unique stressors and issues confronting these individuals so that the practitioner can better anticipate and meet their needs Clinical considerations and case examples will be presented via the narrative stories of women who have experienced this unusual role in a world that is still primarily centered on marriage and mothering This book provides case examples clinical themes treatment recommendations and suggests coping techniques and strategies Castaldo draws heavily upon social constructionist feminist and narrative perspectives as theoretical frameworks for the book as well as the results of her own qualitative research study She suggests new concepts for women s psychological development including an expanded family life cycle to include a normalized stage of mature single adulthood and a developmental process of autonomous competence for women Other critical coping skills include meaning modification role innovation self nurturing expanded intimacy and attachment and multi diverse industriousness *Positive Psychology*

William C. Compton,Edward Hoffman,2019-01-29 Topically organized Positive Psychology The Science of Happiness and Flourishing presents a highly engaging up to date introduction to positive psychology Authors William C Compton and Edward Hoffman invite students to apply practices to their own lives contexts and experiences to ensure understanding The text examines how positive psychology applies to stressors and health within such traditional research areas as developmental clinical personality motivational social and behavioral psychology Furthermore the text offers perspectives on positive emotional states research and theory on positive traits coverage of positive institutions and a look at the future of positive psychology The Third Edition reflects significant growth in field with hundreds of new references and expanded

content on topics including mindfulness money and subjective well being and romantic love **Social Experimentation, Program Evaluation, and Public Policy** Maureen A. Pirog, 2009-04-27 This volume provides a single collection some of the best articles on social experimentation and program evaluation that have appeared in the Journal of Policy Analysis and Management JPAM Provides exposure to a variety of well executed social experiments and evaluations for evidence based public policy Examines the theory and conduct of evaluations and social experiments as they relate to their practical implementation in evidence based policy making Provides exposure to the fundamental issues surrounding the conduct of evaluations as well as to the relative merits of social experiments and the ethics and use of evaluations **Lifespan Development** Michele Hoffnung, Robert J. Hoffnung, Kelvin L. Seifert, Alison Hine, Lynn Ward, Cat Pause, Karen Swabey, Karen Yates, Rosanne Burton Smith, 2015-09-28 Lifespan Development Third Australasian edition explores human physical cognitive and social development within an Australian and New Zealand context Building on the successful first and second editions the resource s comprehensive theory coverage includes the latest local and international research in this ever evolving field and is perfectly complemented by numerous physical and mental health applications within local psychological allied health and educational settings This edition includes enhanced coverage of developmental theories and increased integrated coverage of cross cultural and Indigenous issues unique to the multicultural societies of Australia and New Zealand It is an ideal resource offering for undergraduate students in both countries in order to enhance understanding of human development from conception through to the end of life
