The Long Journey Russell Cederberg, 2022-09-23 Just hours after the travelers arrive back in Florida from their last adventure they receive an impassioned request for their immediate return They choose to step back through the mysterious portal and then find themselves immersed in an adventure that will include a long journey from Denmark to Constantinople and back They are traveling with many of their old friends developing new ones and living an experience that is filled with deadly battles and imprisonment as well as daring rescues and impossible reunions that will test and stretch each one of them and eventually reveal many of the deeper truths about who they are and what they have in life The Long Journey is a story about the difficulties we must face and then fully embrace in our lives when we begin to discover what our strengths and weaknesses actually are Discovering who you are and what you have is a long journey that can last a lifetime and excelling in your gifts skills and calling can actually cost you everything This story is also a reminder of the absolute necessity of developing and maintaining trusting relationships and the important places that trusted friends occupy as we travel on our own long journey
