Robert P. Wettemann

Longest Tunnel The True Story Of The Great Escape:

The Longest Tunnel Alan Burgess,1990 Recounts the escape attempt of seventy six Allied POWs three of whom made it to safety and describes the trial of the Gestapo who killed recaptured POWs **The Longest Tunnel** Alan Burgess,1990 A carefully researched account of how 76 British and American officers escaped from Stalag Luft III Known as the Great Escape this is one of the best known escape stories of World War II Only three escapees reached freedom and over 50 were executed on Hitler s orders **The Longest Tunnel** Alan Burgess,1991 **The True Story of the Great Escape**

Jonathan F. Vance,Simon Pearson,2019-08-30 The real history behind the classic war movie and the men who plotted the daring escape from a Nazi POW camp Between dusk and dawn on the night of March 24th 25th 1944 a small army of Allied soldiers crawled through tunnels in Germany in a covert operation the likes of which the Third Reich had never seen The prison break from Stalag Luft III in eastern Germany was the largest of its kind in the Second World War Seventy nine Allied soldiers and airmen made it outside the wire but only three made it outside Nazi Germany Fifty were executed by the Gestapo In this book Jonathan Vance tells the incredible story that was made famous by the 1963 film The Great Escape It is a classic tale of prisoners and their wardens in a battle of wits and wills The brilliantly conceived escape plan is overshadowed only by the colorful daring and sometimes very funny crew who executed it literally under the noses of German guards From the men s first days in Stalag Luft III and the forming of bonds among them to the tunnel building amazing escape and eventual capture Vance s history is a vivid compelling look at one of the greatest exfiltration missions of all time Shows the variety and depth of the men sent into harm s way during World War II something emphasized by the population of Stalag Luft III Most of the Allied POWs were flyers with all the technical tactical and planning skills that profession requires Such men are independent thinkers craving open air and wide open spaces which meant that an obsession with escape was almost inevitable John D Gresham *The Great Escape* Mike Meserole,2017-09-01 When a group of American and English soldiers were taken to a Nazi prison as prisoners of war the first thing on their minds was breaking free The Great Escape is their incredible true story There have been plenty of escapes throughout history but nothing even comes close to The Great Escape This almost unbelievable story follows a group of English and American soldiers captured by the Nazis in World War II when they were taken to the inescapable Nazi prison or Stalag Luft III as prisoners of war Over weeks and months the men improvised to make use of every resource around them Their incredible ingenuity and never give up attitude led to them pulling off extreme feats of planning to create a tunnel nearly 350 feet long Their escape to freedom eventually grew so large they equipped it with trolleys and even lit it with electric lights Finally on the night of March 24 1944 nearly 100 men attempted their daring escape through the tunnel What was their fate Did they all make it This is one tale of escape you can t miss **The Great Escape** Ted Barris,2013-09-16 A unique retelling of WWII s most dramatic escape told through first hand recollections of the soldiers who experienced it On the night of March 24 1944 80

Commonwealth airmen crawled through a 336 foot long tunnel and slipped into the forest beyond the wire of Stalag Luft III a German POW compound near Sagan Poland The event became known as The Great Escape an intricate breakout more than a year in the making involving as many as 2 000 POWs working with extraordinary coordination intelligence and daring Yet within a few days all but three of the escapees were recaptured Subsequently 50 were murdered cremated and buried in a remote corner of the prison camp But most don't know the real story behind The Great Escape Now on the eve of its 70th anniversary Ted Barris writes of the key players in the escape attempt those who got away those who didn't and their families at home Barris marshals groundbreaking research into a compelling firsthand account For the first time The Great Escape retells one of the most astonishing episodes in WWII directly through the eyes of those who experienced it Joint Winner of the Libris Award for Non Fiction Book of the Year 2014 Globe and Mail Bestseller Toronto Star Bestseller *THE LONGEST TUNNEL: THE TRUE STORY OF WORLD WAR II'S GREAT ESCAPE*. Alan Burgess, 1990 *Dreams of Flight* Dana Polan, 2021-11-09 Introduction Engineering The great escape from book to film and in between Tunneling in The great escape style theme and structure After lives Appendix It really happened **The Last Escape** John Nichol, Tony Rennell, 2003-09-04 As WW2 drew to a close hundreds of thousands of British and American prisoners of war held in camps in Nazi occupied Europe faced the prospect that they would never get home alive In the depths of winter their guards harried them on marches out of their camps and away from the armies advancing into the heart of Hitler's defeated Germany Hundreds died from exhaustion disease and starvation THE LAST ESCAPE is told through the testimony of those heroic men now in their seventies and eighties and telling their stories publicly for the first time **The Great Escape from Stalag Luft III** Tim Carroll, 2010-06-15 The true story of one of the most heroic feats of World War II the daring prison camp breakout that inspired the classic film The Great Escape Stalag Luft III was one of the Germans escape proof prison camps specially built by Hermann Göring to hold Allied troops But on March 24 1944 in a courageous attempt by two hundred prisoners to break out through a series of tunnels seventy six Allied officers managed to evade capture and create havoc behind enemy lines in the months before the Normandy Invasion This is the incredible story of these brave men who broke free from the supposedly impenetrable barbed wire and watchtowers of Stalag Luft III and who played an important role in Allied intelligence operations within occupied Europe The prisoners developed an intricate espionage network relaying details of military deployment bombings and raids Some of them were involved in other daring escape attempts including the famous Wooden Horse episode also turned into a classic film and the little known Sachsenhausen breakout engineered by five Great Escapers sent to die in the notorious concentration camp on Hitler's personal orders Tragically fifty of those involved in the Great Escape were murdered by the Gestapo Others were recaptured only a few made it all the way to freedom This dramatic account of personal heroism is a testament to their ingenuity and achievement a stirring tribute to the men who never gave up fighting Includes eight pages of photographs and illustrations excerpts from Göring's testimony during postwar

investigations and a list of the men who escaped *The True Story of the Wooden Horse* Robert J. Laplander, 2014-04-30
This in depth historical study reveals fascinating new insight into the famous Wooden Horse escape of three Allied POWs from a Nazi prison camp In 1943 three British prisoners of war plotted a daring and ingenious escape from Stalag Luft III by making use of a hollowed out gymnastic vaulting horse A year before the events of The Great Escape which would take place at the same camp Lieutenants Michael Codner Eric Williams and Oliver Philpot executed the plan that Williams later recounted in his classic memoir The Wooden Horse Now Robert Laplander presents a revealing new account in this comprehensive study of Stalag Luft III and the many attempts at escape that occurred there during the Second World War As Laplander explains Williams memoir was impeded by both a lack of necessary historical scope and regulations of the Crown In The True Story of the Wooden Horse Laplander makes use of newly released official documents and eye witnesses reports Supplemented by illustrations including shots of a full scale replica of the vaulting horse this volume presents an exhaustive account of the escape in its entirety set in the context of the camp s history **Human Game** Simon Read, 2013-10-01 In March and April of 1944 Gestapo gunmen killed fifty POWs a brutal act in defiance of international law and the Geneva Conventions This is the true story of the men who hunted them down The mass breakout of seventy six Allied airmen from the infamous Stalag Luft III became one of the greatest tales of World War II immortalized in the film The Great Escape But where Hollywood s depiction fades to black another incredible story begins Not long after the escape fifty of the recaptured airmen were taken to killing fields throughout Germany and shot on the direct orders of Hitler When the nature of these killings came to light Churchill s government swore to pursue justice at any cost A revolving team of military police led by squadron leader Francis P McKenna was dispatched to pick up a trail long gone cold Amid the chaos of postwar Germany divided between American British French and Russian occupiers McKenna led a three year manhunt that brought twenty one Gestapo killers to justice In Human Game Simon Read delivers a clear eyed and meticulously researched account of this often overlooked saga of hard won justice INCLUDES PHOTOS **The Colditz Myth** S. P. MacKenzie, 2006-09-21 Though only one among hundreds of prison camps in which British servicemen were held between 1939 and 1945 Colditz enjoys unparalleled name recognition both in Britain and in other parts of the English speaking world Made famous in print on film and through television Colditz remains a potent symbol of key virtues including ingenuity and perseverance against apparantly overwhelming odds that form part of the popular mythology surrounding the British war effort in World War II Colditz has played a major role in shaping perceptions of the POW experience in Nazi Germany an experience in which escaping is assumed to be paramount and Outwitting the Hun a universal sport The story of Colditz has been told often and in a variety of forms but in this book MacKenzie chronicles the development of the Colditz myth and puts what happened inside the castle in the context of British and Commonwealth POW life in Germany as a whole Being a captive of the Third Reich from the moment of surrender down to the day of liberation and repatriation was more complicated and a good deal

tougher than the popular myth would suggest The physical and mental demands of survival far outweighed escaping activity in order of importance in most camps almost all of the time and even in Colditz the reality was in some respects very different from the almost Boy's Own caricature that developed during the post war decades In *The Real Colditz* MacKenzie seeks for the first time to place Colditz both the camp and the legend in a wider historical context

Escape from Stalag Luft III Bram Vanderstok, Simon Pearson, 2019-06-30 A memoir of the most decorated pilot in Dutch history and one of the World War II POWs who fled Nazi Germany what is known as The Great Escape On the night of 24 March 1944 Bram Vanderstok was the eighteenth of 76 men who crawled out of Stalag Luft III in Zagan Poland The 1963 film *The Great Escape* was largely based on this autobiography but with Vanderstok's agreement filmmakers chose to turn his story into an Australian character named Sedgwick played by James Coburn His memoir sets down his wartime adventures before being incarcerated in Stalag Luft III and then describes various escape attempts which culminated with the famous March breakout After escaping Vanderstok roamed Europe for weeks before making it back to England Two months after escaping he returned to the British no 91 Squadron In the following months he flew almost every day to France escorting bombers and knocking down V1 rockets In August 1944 he finally returned to his home He learned that his two brothers had been killed in concentration camps after being arrested for resistance work His father had been tortured and blinded by the Gestapo during interrogation He had never betrayed his son His escapes his operations as a Spitfire pilot his experiences as a prisoner of war and his incredible escape crossing the Pyrenees all are described in a breathtaking manner which made me read his book through in one sitting Prof Dr L de Jong founder director of the Dutch Institute for War Documentation Such a modest man such a dramatic story you'll be pulled into this absorbing account Jonathan Vance author of *The True Story of the Great Escape*

United States Naval Institute Proceedings, 2004 **Rhino Tanks and Sticky Bombs** Robert P. Wettemann, 2025-06-10 Coming of age during the Great Depression the American boys who fought in World War II had through necessity developed a unique brand of technological resourcefulness This proficiency Robert P Wettemann Jr contends provided GIs with another weapon in a distinctly American way of war *Rhino Tanks and Sticky Bombs* is Wettemann's eminently readable account of how this hard won use it up wear it out make it do or do without mentality was critical to America's success giving servicemen the know how and can do spirit to creatively engineer solutions to wartime problems More than all the other soldiers in the conflict American servicemen grew up in a society where the machine was ubiquitous where enduring an unparalleled period of financial distress meant learning to keep their Model Ts Fordson tractors or other machinery operational Wettemann describes how this tinkerer's mentality promoted a technical aptitude and willingness to adapt unmatched by other armies fielded during World War II At the same time the US command structure demonstrated a willingness to evaluate accept and employ such efforts to improve both fighting capacity and the general comfort of US servicemen Seamlessly blending social military intellectual and technological history *Rhino Tanks and Sticky Bombs* weaves

an engaging narrative about the roots of American ingenuity during World War II and makes a compelling case for a specific instance of American distinctiveness that proved crucial to Allied victory *Escape, Evasion and Revenge* Marc H.

Stevens,2020-01-24 A truly remarkable story Marc Stevens has produced a fitting tribute to his father who played a full part in the defeat of Nazi Germany HistoryOfWar.org Peter Stevens was a German Jewish refugee who escaped Nazi persecution as a teenager in 1933 He joined the RAF in 1939 and after eighteen months of pilot training he started flying bombing missions against his own country He completed twenty two missions before being shot down and taken prisoner by the Nazis in September 1941 To escape became his raison d'être and his great advantage was that he was in his native country He was recaptured after each of his several escapes but the Nazis never realized his true identity He took part in the logistics and planning of several major breakouts including The Great Escape but was never successful in getting back to England After liberation when the true nature of his exploits came to light he was awarded the Military Cross He then served as a British spy at the beginning of the Cold War before emigrating to Canada to resume a normal life This is the story of a heavily conflicted young man alone in a world that is in the midst of destruction He is afforded an opportunity to help his persecuted people to obtain a small measure of revenge It is at once a sad yet uplifting tale of thankless and unheralded heroism This is a wartime career that would make any son proud but Steven's real triumph is in writing a biography that will satisfy the most discerning historian National Defence Journal **World War II Goes to the Movies & Television Guide** Terry

Rowan,2012-03-07 A complete film guide to all of your films and television shows that pertain to WWII Included are every WWII film produced throughout the world Historical and informative Stories behind the Hollywood Canteen USO shows War Bond drives those who served or were classified as 4F during the war Many interesting stories *33 Months as a POW in Stalag Luft III* Albert Patton Clark,2005 General A P Clark shares how he created an elaborate escape organization while serving as a senior ranking officer at Stalag Luft III a German prisoner of war camp during World War II *Colditz Myth C* , Through first hand accounts of hundreds of ordinary prisoners of war Paul MacKenzie strips away the mythology and presents the real picture of what it was like to be captured and interrogated and to endure the physical and mental hardships of captivity Colditz is placed in a wider historical context

Longest Tunnel The True Story Of The Great Escape Introduction

In the digital age, access to information has become easier than ever before. The ability to download Longest Tunnel The True Story Of The Great Escape has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Longest Tunnel The True Story Of The Great Escape has opened up a world of possibilities. Downloading Longest Tunnel The True Story Of The Great Escape provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Longest Tunnel The True Story Of The Great Escape has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Longest Tunnel The True Story Of The Great Escape. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Longest Tunnel The True Story Of The Great Escape. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Longest Tunnel The True Story Of The Great Escape, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Longest Tunnel The True Story Of The Great Escape has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Longest Tunnel The True Story Of The Great Escape Books

1. Where can I buy Longest Tunnel The True Story Of The Great Escape books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
