this book explores the legacy of the baby boomers the generation who born in the aftermath of the Second World War came of age in the radical sixties where for the first time since the War there was freedom money and safe sex In this book Francis Beckett argues that what began as the most radical sounding generation for half a century turned into a random collection of youthful style gurus sharp toothed entrepreneurs and management consultants who believed revolution meant new ways of selling things and Thatcherites who thought freedom meant free markets not free people At last it found its most complete expression in New Labour The author argues that the children of the 1960s betrayed the generations that came before and after and that the true legacy of the swinging decade is in ashes **Billboard**, 1996-09-14 In its 114th year Billboard

Osborne the original Angry Young Man shocked and transformed British theater in the 1950s with his play Look Back in

Anger This startling biography the first to draw on the secret notebooks in which he recorded his anguish and depression reveals the notorious rebel in all his heartrending complexity Through a working class childhood and five marriages Osborne led a tumultuous life An impossible father he threw his teenage daughter out of the house and never spoke to her again His last written words were I have sinned Theater critic John Heilpern's detailed portrait including interviews with Osborne's daughter scores of friends and enemies and his alleged male lover shows us a contradictory genius an ogre with charm a radical who hated change and above all a defiant individualist

The Promise of Welfare in the Postwar British and Anglophone Novel Kelly M. Rich, 2023-07-13 The Promise of Welfare in the Postwar British Novel offers a new literary history of the Second World War and its aftermath by focusing on wartime visions of rebuilding Britain Shifting attention from the People's War to the People's Peace this book shows that literature returns to the historic transition from warfare to welfare to narrate its transformative social potential and darker failures The welfare state envisioned that managing individuals' private lives would result in a more coherent and equitable community a promise encapsulated in the 1942 Beveridge Report's promise of care from the cradle to the grave The postwar novel reveals the intimate effects that follow when infrastructures of collective living seek to organize social interaction tracing these effects through quasi-administrated home spaces such as girls' hostels, makeshift sanatoria, and experimental schools Mid-century writers including Elizabeth Bowen, Muriel Spark, and Samuel Selvon used the militarized Home Front to present postwar Britain as a zone of lost privacy and new collective logics As the century progressed and as the unrealized dreams of welfare came to be dismantled, authors including Alan Hollinghurst, Michael Ondaatje, and Kazuo Ishiguro registered an unfulfilled nostalgia for a Britain that never was, situating British domestic policies within trajectories of historic and social violence Contemporary fiction continues to reanimate the transition from a warfare state to a welfare state, preserving its transformative potential while redefining its possible futures With this long view of postwar fiction, this volume demonstrates the holding power of welfare's promises of repair and Britain's mid-century on the British cultural imagination

John Osborne Luc Gilleman, 2014-02-04 For British playwright John Osborne, there are no brave causes, only people who muddle through life, who hurt and are often hurt in return This study deals with Osborne's complete oeuvre and critically examines its form and technique, the function of the gaze, its construction of gender, and the relationship between Osborne's life and work Gilleman has also traced the evolution of Osborne's reception by turning to critical reviews at the beginning of each chapter

The Making of Theatrical Reputations Yael Zarhy-Levo, 2008-04-21 Today's successful plays and playwrights achieve their prominence not simply because of their intrinsic merit but because of the work of mediators who influence the whole trajectory of a playwright's or a theatre company's career Critics and academic writers are primarily considered the makers of reputations, but funding organizations and various media agents as well as artistic directors, producers, and directors also

pursue separate agendas in shaping the reputations of theatrical works In *The Making of Theatrical Reputations* Yael Zarhy Levo demonstrates the processes through which these mediatory practices by key authority figures situate theatrical companies and playwrights within cultural and historical memory To reveal how these authorizing powers that be promote theatrical events companies and playwrights Zarhy Levo presents four detailed case studies that reflect various angles of the modern London theatre In the case of the English Stage Company's production of John Osborne's *Look Back in Anger* she centers on a specific event She then focuses on the trajectory of a single company the Theatre Workshop particularly through its first decade at the Theatre Royal Stratford East London Next she explores the career of the dramatist John Arden especially its first ten years in part drawing upon an interview with Arden and his wife actress and playwright Margaretta D Arcy before turning to her fourth study the playwright Harold Pinter's shifting reputation throughout the different phases of his career Zarhy Levo's accounts of these theatrical events companies and playwrights through the prism of mediation bring fresh insights to these landmark productions and their creators
