Look Around The City:

Kidnapping in Bay City Episode 3 John hynes,2021-07-26 After many failed attempts to bring the boy home by BCPD Janet Harrington Liz Harrington sister in law hires Johnny Blake to bring her 8 year old son home John sends Paula Peters and Jimmy McNeil upstate Maine undercover to the boy s school to investigate What is the connection between this episode and episode one **Curry v. City of Highland Park, 242 MICH 614 (1928)** ,1928 15 **Negotiating the Mediated City** Zlatan Krajina,2013-11-26 This book is an interdisciplinary empirical investigation of how people interact with public screens in their daily lives In more and more surprising locations screens of various kinds appear within the sightlines of passers by in contemporary cities Outdoor advertisers target audiences which are increasingly mobile public art uses screens to interrogate urban change while postmodern architecture finds electronic imagery a suitable tool of expression

Traditionally urban sociology research has assumed that people seek to filter urban stimuli but recent accounts of public screens suggest producers design and position display interfaces site specifically so as to engage with those moving past This study offers insight both into the dynamics of actual encounters and into the long term process of how people learn to live with repeated invitations to consume media in public spaces The book includes four cases street advertising underground transport advertising and installation art in London UK and media facade architecture in Zadar Croatia Krajina shows that maintaining familiarity with everyday surroundings in media cities that change beyond citizens control is a temporary achievement and a recursive struggle Finalist for the Jane Jacobs Urban Communication Foundation book award 2014

Larry Simon,2021-07-29 A first ever book on the subject New York City Blues Postwar Portraits from Harlem to the Village

and Beyond offers a deep dive into the blues venues and performers in the city from the 1940s through the 1990s. Interviews in this volume bring the reader behind the scenes of the daily and performing lives of working musicians, songwriters, and producers. The interviewers capture their voices, many sadly deceased, and reveal the changes in styles, the connections between performers, and the evolution of New York blues. *New York City Blues* is an oral history conveyed through the words of the performers themselves and through the photographs of Robert Schaffer, supplemented by the input of Val Wilmer, Paul Harris, and Richard Tapp. The book also features the work of award-winning author and blues scholar John Broven. Along with writing a history of New York blues for the introduction, Broven contributes interviews with Rose Marie McCoy, Doc Pomus, Billy Butler, and Billy Bland. Some of the artists interviewed by Larry Simon include Paul Oscher, John Hammond Jr., Rosco Gordon, Larry Dale, Bob Gaddy, Wild Jimmy Spruill, and Bobby Robinson. Also featured are over 160 photographs, including those by respected photographers Anton Mikofsky, Wilmer, and Harris, that provide a vivid visual history of the music and the times from Harlem to Greenwich Village and neighboring areas. *New York City Blues* delivers a strong sense of the major personalities and places, such as Harlem's Apollo Theatre, the history, and an in-depth introduction to the rich variety of sounds and styles that made up the often overlooked New York City blues scene.
