you might have been taught never to go to bed angry and he might have been taught to sleep on it because after rest the brain is more rational Nobody is right or wrong here but two different approaches can cause further disagreements That is a small example When it comes to making extra money or going to the kids soccer game having a bigger house or having more time with the kids sharing and helping each other or dividing chores these situations can really create a divide between partners Personality plays a big part too active adventurer compared to couch potato nature lover compared to big city lover Clashes in personalities can be enough to make a couple miserable after many years of compromising and giving in Yes you may go through rough times sometimes but don't you think you would choose to be with someone because you are happier with that person in your life than you would be on your own Women have a right to have their needs fulfilled to receive affection from a man to receive as much love as they give Many relationships turn into a struggle for power but it doesn't have to be that way for men or women In this guidebook geared for women but useful for anyone you can learn how to find common ground with your partner But to do so you first need to know what you're really seeking in a relationship By examining what motivates yourself and your partner you'll be equipped to answer critical questions If you're single should you try meeting people in person or online Why in the world would someone cheat if he or she has a loving partner How can you fix a broken relationship When is it time to abandon a partner Too often instead of working toward a common goal people avoid doing what they don't want to do and they lose out on having a real partner But when you find a true teammate you'll be more satisfied with life and better equipped to accomplish your goals Stop selling yourself short and start getting what you want out of relationships with the tools insights and strategies in *Finishing School for Women* **What Guys See That Girls Don't** Sharon Daugherty, 2006-08 Without ever lifting a brush you paint a picture of yourself with the clothes you wear and the demeanor you project Are you reflecting the real you Are you portraying the inner beauty God created in you
