

Looking Back At Leisure

A J Veal, Simon Darcy, Rob Lynch

Looking Back At Leisure:

Childhoods & Leisure Utsa Mukherjee, 2023-09-12 This edited volume brings together interdisciplinary scholarship on children's everyday leisure from across the globe addressing key questions around children's agency, rights, child-adult relations and social change. It is positioned to inaugurate a new frontier of research within leisure studies. Leisure theory has historically been adult-centric and based in the global north and consequently children's lived experiences of leisure have remained marginal to theory-building exercises within leisure studies since its inception. As the call for decolonizing leisure studies grows, this book champions a cross-cultural and social justice agenda that does not privilege global north childhoods but acknowledges the multiplicity of lived childhoods across the globe and their interconnections. By drawing attention to children's leisure across multiple genres such as organized leisure, sports, play and digital leisure among others, this edited volume drives a new wave of research that speaks simultaneously to leisure studies and childhood studies and thereby advances the intellectual remit of global leisure studies.

Time, work and leisure Hugh Cunningham, 2016-05-16 This book traces the history of the relationship between work and leisure from the leisure preference of male workers in the eighteenth century through the increase in working hours in the later eighteenth and early nineteenth centuries to their progressive decline from 1830 to 1970. It examines how trade union action was critical in achieving the decline, how class structured the experience of leisure, how male identity was shaped by both work and leisure, how in a society that placed high value on work a leisured class was nevertheless at the apex of political and social power until it became thought of as the idle rich. Coinciding with the decline in working hours, two further tranches of time were marked out as properly without work: childhood and retirement. Accessible, wide-ranging and occasionally polemical, this book provides the first history of how we have imagined and used time.

Looking Back at Leisure, 1988 Surveys various methods of leisure and recreation through the ages in such categories as sports, circuses, painting, crafts, travel and toys.

Australian Leisure A J Veal, Simon Darcy, Rob Lynch, 2015-05-20 For first-year students in tertiary leisure studies programs, both Leisure Studies and Social Science. Australian Leisure 4e provides an introduction to and analysis of a broadly defined concept of leisure. It integrates Australian and international knowledge so that the book is an Australian interpretation based largely on local sources but which engages with relevant international research and theory. This edition has been extensively reviewed and updated and includes new chapters on social networks, global cultures and events. Leisure is not just sport or the arts or outdoor recreation; it is all these things and more, including tourism, gambling, hobbies, television watching, entertainment, play and doing nothing in particular. The purpose of the text is to illuminate leisure and its place in past, present and future Australian society. The text is designed to lead students into the subject and provide pointers to more detailed study through discussion questions and guides to further reading.

Leisure's Edge David Popescu, 2024-10-08 It's weird. It's dark and it's weird. The world is under a microscope. In *Leisure's Edge*, a collection of surrealist short stories that interweave elements of parable

modern koan cyclical nightmare social critique and Vanaprastha Exploring themes of self importance statistical probability agoraphobia legacy cannibalism infinity mathematics and the hypnotic lure of the permanence of art the collection employs humour not as a mere device but as a weapon against itself Leisure's Edge holds up a mirror to society so that it may stare back and splash cold water in its own face The stories have complexity and depth they are thought provoking with innovative literary structures yet wholly readable This work will resonate with admirers of Jos Saramago Donald Barthelme Jorge Luis Borges and Dostoyevsky's The Crocodile *The Labour of Leisure* Chris Rojek, 2010 Leisure has always been associated with freedom choice and flexibility The week end and vacations were celebrated as time off In his compelling new book Chris Rojek turns this shibboleth on its head to demonstrate how leisure has become a form of labour Modern men and women are required to be competent relevant and credible not only in the work place but with their mates children parents and communities The requisite empathy for others socially acceptable values and correct forms of self presentation demand work Much of this work is concentrated in non work activity compromising traditional connections between leisure and freedom Ranging widely from an analysis of the inflated aspirations of the leisure society thesis to the culture of deception that permeates leisure choice Rojek shows how leisure is inextricably linked to emotional labour and intelligence It is now a school for life In challenging the orthodox understandings of freedom and free time *The Labour of Leisure* sets out an indispensable new approach to the meaning of leisure Chris Rojek is Professor of Sociology and Culture at Brunel University In 2003 he was awarded the Allen V Spona Award for outstanding achievement in the field of leisure studies **Looking back** Mary Elizabeth Shipley, 1879 **Free Time** Graham Neville, 2004-05-27 For centuries Christian teachers saw leisure only as a necessary accompaniment of work a time for the recovery of strength so that work could be resumed But now the expansion of leisure requires a theological reassessment These essays are offered as a contribution to that process In this book hints are taken from a wide variety of theologians from Augustine and Thomas Aquinas to Pascal Kierkegaard Berdyaev Barth and Moltmann as well as from sociological writers such as Thorstein Veblen and Josef Pieper There are also thematic discussions of fantasy and imagination of freedom and boredom and of play games and laughter The intention is to stimulate discussion not to make definitive statements **Mapping Leisure** Ishwar Modi, Teus J. Kamphorst, 2018-02-06 This volume addresses the rich and varied thoughts concepts approaches and leisure practices in sixteen countries of three continents Australia Asia and Africa The chapters showcase the diversity in the forms and ways in which the idea and practice of leisure have developed across space and time However the common thread through the chapters is that concepts and practices of leisure are found all over the world from pre historic settlements to the present day consumer societies Seemingly being at leisure is a capacity of the human species present at birth and which develops in a variety of individual and societal contexts Even in situations where leisure gets little official recognition as being an aspect of life such as under colonial rule or in extremely work centric societies it needs to be contextually understood This is a welcome addition to the literature on leisure

studies from a global and comparative perspective The Working Life Joanne B. Ciulla, 2011-03-16 A wide ranging look at the allure and changing significance of work With seductions misunderstandings and misinformation everywhere this immensely readable book calls for a new contract with ourselves Drawing from history mythology literature pop culture and practical experience Ciulla probes the many meanings of work or its meaninglessness and asks Why are so many of us letting work take over our lives and trying to live in what little time is left What has happened to the old unspoken contract between worker and employer Why are young people not being disloyal when they regularly consider job changing Employers can't promise as much to workers as before Is that because they promise so much to stockholders Why are there mass layoffs and downsizing in a time of unequaled corporate prosperity And why are the most common lies in business about satisfactory employee performance The traditional contract between employers and employees is over This thoughtful and provocative study shows how to replace it by the one we make with ourselves Once Upon a Monk T. C. Abel, 2011 You are about to embark into a book that has taken four years in the making Once Upon a Monk will hopefully support all readers in better understanding life woven into a fabric of monklife over the centuries This living story of one monastic man who continues an ongoing discovery of his real self will help to turn the pages of your life if you so desire In experiencing his personal process of Individuation time never stops but takes him through many reincarnations These pages tell his story of his twenty year monastic lifestyle that enriched his ongoing growth on the trellis Much of this transformation is available to everyone As John Henry Newman wrote over a century ago In a higher world it might be otherwise but here below to live is to change and to be perfect is to change often Philosophy of Leisure Johan Bouwer, Marco van Leeuwen, 2017-02-17 What is leisure How does leisure relate to leading a good life This critical and intelligent study interrogates the basic principles of leisure and demonstrates the continuing relevance of these questions for our society today It not only explores the traditional philosophical concepts at the heart of leisure studies but also pursues new possibilities for reconceptualising leisure that have emerged from recent developments in society technology and the broader discipline of philosophy itself Approaching leisure from a philosophically inquisitive perspective the book argues that leisure revolves around the pursuit of happiness human flourishing and well being making it both a state of mind and a state of being Its exploration of the meaning of leisure addresses key issues such as identity ethics spirituality human experience freedom technology embodiment well being the fundamental properties of leisure and the challenge of offering a meaningful definition Revitalising the subject of leisure studies with its originality Philosophy of Leisure Foundations of the Good Life is fascinating reading for all students and scholars of leisure studies philosophy sociology psychology and ethics When I'm Sixty-Four Teresa Ghilarducci, 2017-10-31 A crisis is looming for baby boomers and anyone else who hopes to retire in the coming years In When I'm Sixty Four Teresa Ghilarducci the nation's leading authority on the economics of retirement explains how to confront this crisis head on revealing the causes behind the increasingly precarious economics of old age in America and

proposing a bold plan to guarantee retirement security for every working citizen Retirement is one of the hallmarks of a prosperous civilized market economy Yet in America today Social Security is on the ropes Government and employers are dismantling pension security forcing older people to work longer The federal government spends billions in exemptions for 401 k s and other voluntary retirement accounts yet retirement savings for most workers is falling Ghilarducci takes an unflinching look at the eroding economic structure of retirement in America and what she finds is alarming She exposes the failures of pension regulators and the false hopes of privatized Social Security She tells the ugly truth about risky 401 k plans do it yourself retirement schemes and companies like Enron that have left employees without any retirement savings Ghilarducci puts forward a sweeping plan to revive the retirement income system a plan that will ensure that after forty years of work every American will receive 70 percent of their preretirement earnings guaranteed for life No other book makes such a persuasive case for overhauling the pension and Social Security system in order to provide older Americans with the financial stability they have earned and deserve Occupational Outlook Quarterly ,1965 *Looking Forward, Looking Back: Drawing on the Past to Shape the Future of Marketing* Colin Campbell,Junzhao (Jonathon) Ma,2015-12-01 This volume includes the full proceedings from the 2013 World Marketing Congress held in Melbourne Australia with the theme Looking Forward Looking Back Drawing on the Past to Shape the Future of Marketing The focus of the conference and the enclosed papers is on marketing thought and practices throughout the world This volume resents papers on various topics including marketing management marketing strategy and consumer behavior Founded in 1971 the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory research and practice Among its services to members and the community at large the Academy offers conferences congresses and symposia that attract delegates from around the world Presentations from these events are published in this Proceedings series which offers a comprehensive archive of volumes reflecting the evolution of the field Volumes deliver cutting edge research and insights complimenting the Academy s flagship journals the Journal of the Academy of Marketing Science JAMS and AMS Review Volumes are edited by leading scholars and practitioners across a wide range of subject areas in marketing science Morals Lucius Annaeus Seneca,Sir Roger L'Estrange,1917 Making Connections Low Intermediate Student's Book Jessica Williams,Daphne Mackey,2011-02-21 Comprehensive course introducing academic texts on high interest topics with advice on reading strategies and vocabulary building skills With Teacher s Manual featuring answer key and teaching suggestions for the activities Suitable for self study building vocabulary and developing reading writing and study skills *Essays on Social Subjects from the Saturday Review* ,1865 **Essays on Social Subjects from the Saturday Review** Anne Mozley,1865 Classical and Contemporary Social Theory Tim Delaney,2024-03-22 The second edition of Classical and Contemporary Social Theory provides wraparound coverage of the classical social theorists and influential sociological schools of thought in the contemporary period Explained carefully and

clearly throughout Tim Delaney reviews the key concepts and contributions from brilliant classical social thinkers and recent sociological thought spanning over 500 years of source material He weaves together profiles of leading theorists thorough descriptions of major academic and intellectual perspectives and discussion of prevailing themes of interest that have concerned theorists and sociologists throughout time and will likely continue to do so in the future The book emphasizes methods of investigation and application in its overview of the field by challenging readers to think about problems critically and in relation to key sociological theories and to also apply their sociological understanding to real everyday events In this new edition Delaney revisits the classical period and highlights the special contributions of American social theorists and their impact on the diversity of thought leading into the contemporary era He attends to later schools of thought and weaves in important updates related to critical race theory and globalization With updated context and further applications the second edition of Classical and Contemporary Social Theory is a perfect addition to combined courses in social theory
