Dear Ben—

The scenes in the first section should be as close as you can. I believe they are the result of my return to an ecology of my childhood—after more than ten years in California—and from my riding to the shores of the sea the year before.

The scenes in section two are pretty much my recent photos, though the shot five where she writes that came nearer to the Turkish—perhaps! Love you and like the sea—my poems and poems. Love and hope we both love. David.
