voice the absence of thirst feeling hot or cold the patient s smell tone of voice and glitter of eyes This practical resource helps
students and practitioners alike carefully interpret a wide range of diagnostic nuances One of a kind text gives you a clinical
understanding of Traditional Chinese Medicine Rich unique content offers an unparalleled depth of information that is
meticulously cross referenced Includes all the signs and symptoms that a modern patient may present in the clinic no matter
how subtle Outlines the decision making options in key situations to help you through the most challenging topics Case
histories with diagnoses present common conditions that professionals will often find in practice Logically organized to help
you quickly find the information you need in clinical situations Written by a leader in the field of Chinese medicine provides
you with an expert s clinical experience and understanding NEW Clinical and Treatments notes provide practical information
on acupuncture including herbal treatment when appropriate for most symptoms and signs giving the book a clinical
application in therapy NEW UPDATED full color design and color photographs depict external clinical signs for more
accurate clinical recognition NEW Learning outcomes summarize the basics that you should know after completing a chapter
NEW Thoroughly updated content from an expert author clarifies the best practices for diagnosis in Traditional Chinese
