Lord Byron And His Detractors:

Lord Byron and His Detractors , **Lord Byron and His Detractors** ,1906 Jeffrey's Literary Criticism Lord Francis Jeffrey Jeffrey,1910 The Cambridge History of English Literature Sir Adolphus William Ward,Alfred Rayney Waller,1916 Lord Byron and His Detractors. (Astarte. Lord Byron and Lord Lovelace Roxburghe Club,R. E. Prothero,1906

The Cambridge History of English Literature: The nineteenth century. I Sir Adolphus William Ward,Alfred Rayney Waller,1915 **Byron's Romantic Politics** Peter Cochran,2011-08-08 Byron exists in two incompatible dimensions as fully documented history and as romantic myth Often the myth predominates describing him as a passionate lover a staunch friend a great romantic poet a champion of the working man a loyal author to his publisher and a fighter for democracy who sacrificed his life for the Freedom of Greece This book attempts to prove that the verifiable truth often proves him to be the opposite Using letters from Byron s family friends and associates which have never been transcribed collected and sequenced before Peter Cochran argues that the poet was an unscrupulous sponger on his relatives and friends that he harboured a horror at the idea of empowering the working man had no time for democracy and despised his publisher His contempt for the Greeks is clear from everything he writes about them and his motives for going to Greece at the end of his life which Cochran analyses in more depth than they have ever been analysed before were a disturbing mixture of self indulgent fantasy and death wish Using large amounts of manuscript evidence Cochran further argues that almost all editions of Byron s writing do his style very poor service constituting not contributions to knowledge of him but additions to the obfuscating myth **A Literary History of England Vol. 4** A Baugh,2004-06-02 First published in 1959 The scope of this four volume work makes it valuable as a work of reference connecting one period with another an placing each author clearly in the setting of his time This is the fourth volume and includes the Nineteenth Century and after 1789 1939
