F Stands For Success Rakhi Kapoor, 2021-01-11 Most people find it hard to accept that they failed to achieve something. It leaves them disheartened and broken. They fall in their own eyes and then they give up on their dreams. Author Rakhi Kapoor secretly nurtured a dream of writing books from her childhood but never saw it coming true. She eventually gave up on her dream. Rakhi then found her doorway to the path leading her to become an author. In the year 2014 she embarked on a trek in the Himalayan ranges of Nepal that she failed to complete. Based on her life's greatest failure, Rakhi published her first book in the year 2017 called *The Girl Who Was Left Behind*. Since then, Rakhi Kapoor has published eighteen books amongst which four turned national best sellers. Rakhi shares priceless insights for everyone out there aspiring to find success beyond their failures. Nurturing dreams is one thing. Building yourself to be worthy of success is for the brave hearts. You had better be ready to fall, fail, and rise to every challenge, turning it into your success story. Failure is a long, dark tunnel where one is trapped and blinded by their disappointments, shame, and pain. The light is not at the end of the tunnel. The blazing flame of glory lies within. All one needs to do is kindle it.

People Are No Damn Good Jimmy R. Watson, 2022-04-21 Over thirty-five years in the classroom and pulpit will give a person some perspective about homo ethicus, the ethical human being. In this intentionally non-academic contribution to the moral pursuit, Jimmy Watson offers personal anecdotes and reflections, sardonic wit, sarcastic humor, and most importantly, a wide array of information and laser beam insights into his chosen field of study. He invites the reader to think deeply about the complexities and ambiguities of human nature and the discernment of good and evil from both secular and religious perspectives and encourages all of us to become the best damn people we can possibly be.

The Doomed Horse Soldiers of Bataan Raymond G. Woolfe Jr., 2016-05-26 This is the story of the last mounted American troops to see action in battle when in late 1941 six hundred men and their horses held off the Japanese invasion of Luzon in the Philippines just long enough to allow General Douglas MacArthur's forces to withdraw to Bataan. The 26th continued to fight on horseback until late February 1942 when tragically they were ordered dismounted and their horses and mules transferred to the Quartermaster's center and slaughtered for food for the defenders. It is on record that the 26th troopers refused to accept meat rations from their animals regardless of their own starvation. This stirring account of a little-known aspect of the Philippine campaign is military history at its best.
