## **Militant Christianity An Urgent Heartcry For Radical Kingdom Advancement:**

**Radical Christianity** Jonathan Conrathe,2013-10     Militant Christianity Jonathan Conrathe,2003-05     **Forthcoming Books** Rose Army,2003-12     Radical Christianity Christopher Rowland,1988     *Kingdom Conspiracy* Scot McKnight,2014-10-14 An Award Winning Challenge to Popular Ideas of the Kingdom According to Scot McKnight kingdom is the biblical term most misused by Christians today It has taken on meanings that are completely at odds with what the Bible says and has become a buzzword for both social justice and redemption In *Kingdom Conspiracy* McKnight offers a sizzling biblical corrective and a fiercely radical vision for the role of the local church in the kingdom of God Now in paper Praise for *Kingdom Conspiracy* 2015 Outreach Resources of the Year Award Winner One of Leadership Journal s Best Books for Church Leaders in 2014 This is a must read for church leaders today Publishers Weekly A timely resource for the missional church to reexamine some basic assumptions that impact church practice in the everyday Outreach     *"The Radical Kingdom"* Susan E. Strain,1980     **The Empowered Kingdom Messenger** Ron Craycraft,2018-11-30 God s plan for you is to live with power and authority This book is designed to be a revival of God s plan for all believers to take their place as empowered kingdom messengers Jesus the Christ accomplished far more than most Christians have been taught Of course Jesus came to give salvation to people everywhere But Jesus also came to restore the authority and dominion that Adam gave away to Satan Jesus has given back to believers this original kingdom authority by His finished work at the cross and resurrection Believers now have kingdom authority to rule and reign on planet earth One problem is that Satan has deceived and tricked believers into thinking we are just poor unworthy believers He has promoted the lie that believers should not be so bold as to think that they can dominate and rise above the circumstances I realize this discussion about kingdom and authority and dominion seems radical It s radical to me too But that s only because we have heard a watered down gospel of the kingdom for the past two thousand years Ron Craycraft is senior pastor at Forecast For Life Church and founder of the Faith Forecast Bible Institute He has passionately studied Bible principles and the Gospel of the Kingdom for 40 years Ron has published several faith building Christian books booklets and audio and video recordings The Lord has given Ron a fresh mandate to help believers grow in the spirit and grow in faith using spiritual gifts to promote a revival of the Gospel of the Kingdom     **The Unkingdom of God** Mark Van Steenwyk,2013-05-20 Mark Van Steenwyk explores the various ways we the Christian community have failed our mission by embracing the ways of the world and advancing our own agendas He shows us that the starting place of authentic Christian witness is repentance and that while Jesus kingdom is not of this world it remains the only hope of the world     *The God Who Riots* Damon Garcia,2022-08-23 For thousands of years religious messages have been used to either uphold the status quo or upend it And while we are all very familiar with the kind of conservative Christianity that suppresses liberation and justifies oppression progressive Christians are just as guilty of upholding unjust systems when we prioritize harmony and unity over justice True justice requires us to choose sides True justice requires

action When we look at Scripture we see that the God of the Bible was never neutral Again and again God chooses the side of the oppressed Jesus said the Spirit of the Lord anointed him to let the oppressed go free and those of us who claim to follow Jesus today must commit to this radical mission of liberation In The God Who Riots popular YouTuber and public theologian Damon Garcia uses his frank tell it like it is style to connect us with the Jesus who flipped tables in the temple and led an empire destabilizing movement for liberation The spirit of this God is embodied in today's protests riots and strikes As we join this struggle for liberation we are joining the God who riots alongside us within us and through us

**Reformission** Mark Driscoll, 2013-12-03 If the unchurched in the United States ever formed their own country it would be the world's eleventh most populous nation Reformission is a call to reform a flawed view of missions as something we only do in foreign lands to focus on the urgent needs in our own neighborhoods filled with diverse Americans who desperately need the Gospel of Jesus and life in his Church It calls for a movement of missionaries who seek the lost across the street as well as across the globe Many evangelical churches today are either hostile to the unbelieving world in which they live or so friendly with the surrounding culture that they have lost the unique claims of the gospel that alone have the power to change people This basic primer on the interface between gospel and culture by 1 New York Times bestselling author and pastor Mark Driscoll will help you to carefully navigate between the twin pitfalls of syncretism being so culturally irrelevant that you lose your message and sectarianism being so culturally irrelevant that you lose your mission If you're more convinced today than ever that this crazy sin sick world needs a Savior Reformission will show you how to love the Lord through the unchanging gospel and love your neighbor in our ever changing culture

**Jesus and the Powers** N. T. Wright, Michael F. Bird, 2024-03-26 An urgent call for Christians everywhere to explore the nature of the kingdom amid the political upheaval of our day Should Christians be politically withdrawn avoiding participation in politics to maintain their prophetic voice and to keep from being used as political pawns Or should Christians be actively involved seeking to utilize political systems to control the levers of power In Jesus and the Powers N T Wright and Michael F Bird call Christians everywhere to discern the nature of Christian witness in fractured political environments In an age of ascending autocracies in a time of fear and fragmentation amid carnage and crises Jesus is king and Jesus's kingdom remains the object of the church's witness and work Part political theology part biblical overview and part church history this book argues that building for Jesus's kingdom requires confronting empire in all its forms This approach should orient Christians toward a form of political engagement that contributes to free democratic societies and vigorously opposes political schemes based on autocracy and nationalism Throughout Wright and Bird reflect on the relevance of this kingdom oriented approach to current events including the Russian Ukraine conflict the China Taiwan tension political turmoil in the USA UK and Australia and the problem of Christian nationalism

Christianity, Democracy, and the Radical Ordinary Stanley Hauerwas, Romand Coles, 2008-01-01 In Christianity Democracy and the Radical Ordinary theologian Stanley Hauerwas and political theorist Romand Coles reflect

about possibilities and practices of radical democracy and radical ecclesia that take form in the textures of relational care for the radical ordinary. They seek to shift political and theological imaginations beyond the limits of contemporary political formations such as global capitalism, the mega state and empire which they argue are based upon both the denial and production of death. Hauerwas and Coles call us to a revolutionary politics of wild patience that seeks transformation through attentive practices of listening, relationship building and a careful tending to places, common goods and diverse possibilities for flourishing. Both authors translate back and forth across as well as dwell in the tensions between the languages of radical democracy and of trial, cross and resurrection. Engaging each other through a variety of genres from essays to letters to cowriting and dialogue, Hauerwas and Coles seek to enact a politics that is evangelical in its radical receptivity across strange differences and that cultivates power in relation to vulnerability. The authors argue that there is a strong relation between hope and imagination as well as between imagination and the encounter with and memory of those who have lived with receptive generosity toward the radical ordinary. Hence throughout this book they think extensively in relation to specific lives and practices from Ella Baker and the early Student Nonviolent Coordinating Committee organizing efforts for beloved community and civil rights to L. Arce communities founded by Jean Vanier to contemporary faith based radical democratic organizing efforts in dozens of cities by the Industrial Areas Foundation. Pushing and pulling each other into new and insightful journeys of political imagination, this conversation between a radical Christian and a radical democratic trickster spurs us toward a politics that acknowledges and enacts the powers of the radical ordinary.

**Kingdom Warriors** Randy Kennedy, 2020-10-27 It's quite likely that nobody will agree with everything in this book. That honest review comes from none other than the author himself. In *Kingdom Warriors: Victorious Through Radical Devotion to God*, Randy makes the bold assertion that an ever increasing level of permissiveness in the twenty first century Church is playing a significant role in the moral free fall evident in the culture today. Our salt has lost its flavor and our light has dimmed. This second book in his Kingdom series takes an in depth look at some of the questionable beliefs and behaviors that are being readily accepted and even embraced by a vast number of Christians today. Believers will be challenged to pursue a greater holiness in all things, bringing ongoing victories to the Kingdom as they radically devote their lives to God. Randy Kennedy is the news director at a three station Christian radio network in central Minnesota. He has been a student and teacher of the Bible for much of his adult life. A combined three plus decades working as part of the law enforcement community and in radio news has given Randy a unique insight into the issues of the day and how they are affecting modern culture and Christianity.

*Advancing the Kingdom* Donald Schanzenbach, 2019-01-31 Does Christianity mean anything outside the walls of your church? Does the rule of Christ extend beyond the confines of your heart? Christians have forgotten the comprehensive nature of our faith and abandoned almost every area of cultural influence. We have retreated within our church walls and kept only a slight grip on what we consider spiritual things while surrendering the earth and all that is in it to the enemies of

Christ The earth is the Lord's and the fullness thereof We must not continue to fall back but advance Advancing the Kingdom is a sixteen chapter Christian worldview workbook Schanzenbach writes with the understanding that there is no area of study or work in this world that is neutral All things are created by God which gives Christians tremendous opportunity to glorify God in their work and study and by applying themselves to a broad variety of vocations Most Christians today apply God's Word only to the areas of morals and evangelism Dr Schanzenbach demonstrates that the Bible has much more to say than that It has wisdom and application for us in every vocation as we take every thought captive to Christ and His Word The Advancing the Kingdom workbook includes chapters on history biology philosophy civil law education government mathematics geography sociology psychology literature economics the arts and more This 2nd edition is revised and updated to reflect current statistics and research This book is excellent for personal or group study and is suitable for teens and adults

**Kingdom Rising** Todd Bentley, 2011-07-28 Kingdom Rising comprises teachings that came about through Todd's popular Kingdom School lessons and CD's and also more recent rhema words visions and encounters he has since had concerning the advancement of the kingdom of God and the reality of on earth as it is in heaven now Scripture teaches us that Christ's kingdom is within us and all around us When Jesus showed His disciples how to pray He spoke directly to His Father Your kingdom come Your will be done on earth as it is in heaven Matt 6:9 God wants us to learn how to bring the reality of the kingdom of heaven right into our midst here on earth as Jesus did This radical and biblically sound teaching will ignite a roaring passion for Jesus in the hearts of believers for the glory of God Readers will discover how to access the realm of as it is in heaven in every earthly circumstance They will discover the gospel of power and the very dynamics of being a kingdom ambassador with the power and the authority to cast out devils heal the sick and raise the dead They will discover and learn how to access every spiritual inheritance that God has promised is ours but most of all Kingdom Invasion prepares us to passionately introduce the lost to Jesus in a way that deeply touches them It compels God's children to present the kingdom of God in power everywhere This is the appointed time the set time to take the kingdom of God into the streets and invite the poor the sick the blind and the captive to come to Jesus banqueting table Kingdom Invasion equips believers for this glorious task

**Real, Radical and Revolutionary** Lynn B. Fowler, 2015-03-19 God is calling His people to leave the toys behind and come to a real radical and revolutionary relationship with Him with each other and with the world that He may fulfill His purposes for a dying world This book will show you what that relationship looks like and challenge you to embrace it

**Jesus for President** Shane Claiborne, Chris Haw, 2022-10-04 Amid all the buzz of politics and elections Jesus for President is a refreshing reminder that humanity's ultimate hope lies not in partisan political options but in the Jesus who gave his life for others

Real, Radical and Revolutionary Lynn Fowler, 2015-03-19 God is calling His people to leave the toys behind and come to a real radical and revolutionary relationship with Him with each other and with the world that He may fulfill His purposes for a dying world Like all radical and revolutionary ideas this kind of Christianity is dangerous It is

dangerous to that within each of us that would prefer a comfortable easy existence It is dangerous to the kingdom of darkness It is dangerous to those who embrace it for it confronts both ourselves and those around us not to mention the predominant spiritual forces in the world Real Radical and Revolutionary Looks first at how we develop a relationship with God that goes beyond religion Chapters in the first section are Grace Faith Worship Repentance Surrender and Intimacy The second section looks at developing Kingdom relationships within the Body of Christ Chapters in this section are Love Humility Transparency Honor Unity The third section considers how we relate to the world with the chapters Christlikeness Martyrdom Priesthood Servanthood Leadership A final stand alone chapter Destiny Fulfilled Dominion compares the original creation of mankind with our present position and challenges us to rise up and become all that God has created and designed us to be This is not a book for those who want to simply have a comfortable religion It will challenge your concepts and your lifestyle and call you on to a Kingdom lifestyle that is more exciting than you could imagine      **Radical Christian**
