*Slavs, and Magyars* Jeremiah Curtin, 2020-03-20 A FEW tens of years ago it was all important to understand and explain the brotherhood and blood bond of Aryan nations and their relation to the Semitic race to discover and set forth the meaning of that which in mental work, historic strivings and spiritual ideals ties the historic nations to one another. At the present time this work is done if not completely at least measurably well and a new work awaits us to demonstrate that there is a higher and a mightier bond, the relationship of created things with one another and their inseverable connection with That which some men reverence as God but which other men call the Unknowable, the Unseen. **Myths and Folk-tales of the**
