Absolute War Chris Bellamy, 2008-11-26 In *Absolute War* acclaimed historian and journalist Chris Bellamy crafts the first full account since the fall of the Soviet Union of World War II s battle on the Eastern Front one of the deadliest conflicts in history The conflict on the Eastern Front fought between the Soviet Union and Nazi Germany between 1941 and 1945 was the greatest most costly and most brutal conflict on land in human history It was arguably the single most decisive factor of the war and shaped the postwar world as we know it In this magisterial work Bellamy outlines the lead up to the war in which the fragile alliance between the two dictators was unceremoniously broken and examines its far reaching consequences arguing that the cost of victory was ultimately too much for the Soviet Union to bear With breadth of scope and a surfeit of new information this is the definitive history of a conflict whose reverberations are still felt today

Wagner, 2024-07-15 Orthodox Sisters explores the relationship between women religion and social cultural and economic change between 1700 and 1935 through the experiences of Orthodox convents in Nizhnii Novgorod diocese Focusing primarily on the Convent of the Exaltation of the Cross William G Wagner places the women s experiences in the broader context of developments in female monasticism and religious life in Russia as well as in Europe and North America over the same period This is the first comprehensive study that follows a Russian convent through all the stages of its life from its origins in the eighteenth century to its flourishing at the turn of the twentieth century to its resistance to Soviet assault and finally to its rebirth in the 1920s By the late nineteenth century the Convent of the Exaltation of the Cross and the other convents and women s religious communities in Nizhnii Novgorod diocese constituted a reimagined form of a traditional Orthodox monastic community Wagner shows how these nuns and novices adapted to the conditions of emergent modernity in a distinctively Orthodox way When almost everything but their communal life work and worship and their sacred spaces had been stripped away and they were subject to the socialist state s efforts at subversion the sisters of the Convent of the Exaltation of the Cross and the other convents in the diocese created an authentic Christian community that gave their lives a collective meaning In this way they were able to lead a rewarding life and survive the early years of Soviet Russia
