Nadie conoce a nadie Mateo Gil, Juan Bonilla, 2000 Guión de la película *Nadie Conoce a Nadie* escrita y dirigida por Mateo Gil Segundo número de la colección Espiral coeditado con Sogetel y Maestranza Films *Great Spanish Films Since 1950* Ronald Schwartz, 2008-09-05 When it began modern Spanish cinema was under strict censorship forced to conform to the ideological demands of the Nationalist regime In 1950 the New Spanish Cinema was born as a protest over General Francisco Franco's policies a new series of directors and films began to move away from the conformist line to offer a bold brand of Spanish realism In the 1950s and early 1960s filmmakers such as Juan Antonio Bardem Luis García Berlanga and Luis Buñuel expressed a liberal image of Spain to the world in such films as *Muerte de un ciclista* *Death of a Cyclist* *Bienvenido Señor Marshall* *Welcome Mr Marshall* and *Viridiana* The emergence of new directors continued into the sixties and seventies with Carlos Saura José Luis Borau Víctor Erice and others After Franco's death in 1975 censorship was abolished and films openly explored such formerly taboo subjects as sexuality drugs the church the army and the Civil War The Spanish cinema was no longer escapist and entertaining but at long last mirrored the society it depicted While established directors like Saura Bardem and Berlanga continued to produce distinguished work the new wave of Spanish cinema included brilliant films by the likes of Montxo Armendáriz Tasio Fernando Trueba *First Work* Imanol Uribe *The Death of Mikel* and Pedro Almodóvar *Women on the Verge of a Nervous Breakdown* In the last couple of decades exciting works by established filmmakers and newcomers alike continue to be produced including Alejandro Amenábar's *Thesis* José Luis García *The Grandfather* and Almodóvar's *Talk to Her* and *Volver* In *Great Spanish Films Since 1950* Ronald Schwartz presents a compendium of outstanding Spanish films from the pre Francoist era through the Spanish New Wave of the 80s and 90s and into the present day Schwartz provides background plot and commentaries of key films from six decades of Spanish cinema In addition to identifying **The A to Z of Spanish Cinema** Alberto Mira, 2010-04-27 Spanish cinema is emerging as one of the most exciting fascinating and special cinemas in the world Not only are others viewing Spanish films but they are adopting Spanish producers and Spanish actors as their own While Spanish cinema has been maturing for a long time and has been producing excellent directors actors and films for decades including during the dark times of the Franco regime only now is it winning numerous fans not only at home but also abroad And with directors like Pedro Almodóvar actors and actresses like Javier Bardem and Penélope Cruz and films such as *Abre los ojos* and *Alatriste* to build upon the outlook for Spanish Cinema appears brighter than ever *The A to Z of Spanish Cinema* provides a better understanding of the role Spanish cinema has played in film history through a chronology an introductory essay a bibliography and hundreds of cross-referenced dictionary entries on producers directors film companies actors and films **Contemporary Spanish cinema and genre** Jay Beck, Vicente Rodríguez Ortega, 2021-06-15 This volume is the first English language collection exclusively dedicated to the study of genre in relation to Spanish cinema Providing a variety of critical perspectives the collection gives

the reader a thorough account of the relationship between Spanish cinema and genre drawing on case studies of several of the most remarkable Spanish films in recent years The book analyses the significant changes in the aesthetics production and reception of Spanish film from 1990 onwards It brings together European and North American scholars to establish a critical dialogue on the topics under discussion while providing multiple perspectives on the concepts of national cinemas and genre theory In recent years film scholarship has attempted to negotiate the tension between the nationally specific and the internationally ubiquitous discussing how globalisation has influenced film making and surrounding cultural practice These broader social concerns have prompted scholars to emphasise a redefinition of national cinemas beyond strict national boundaries and to pay attention to the transnational character of any national site of film production and reception This collection provides a thorough investigation of contemporary Spanish cinema within a transnational framework by positing cinematic genres as the meeting spaces between a variety of diverse forces that necessarily operate within but also across territorial spaces Paying close attention to the specifics of the Spanish cinematic and social panorama the essays investigate the transnational economic cultural and aesthetic forces at play in shaping Spanish film genres today

Soccer in Spain Timothy J. Ashton, 2013-09-12 Soccer has the unique ability to represent and strengthen different cultural identities and ideologies throughout the world Perhaps nowhere can this be seen more prominently than in Spain which has surged to the forefront of the world's most popular sport The national team has won the last two European Championships and the 2010 World Cup while the two preeminent club teams in Spain Real Madrid and FC Barcelona have reached the semifinals of

the UEFA Champions League in 2011 2012 and 2013 Even before the sport became a global phenomenon soccer had established a strong connection with Spanish identity and culture In Soccer in Spain Politics Literature and Film Timothy J Ashton examines the sport's association with Spanish culture and society In this volume Ashton demonstrates how Spain's soccer clubs reflected the politics of the region they represented and continue to reflect them today The author also explores the often tenuous relationship between the intellectual classes and the soccer community in Spain Although some of the country's most highly praised literary figures had a passion for soccer which was often reflected in their work many intellectuals deemed the topic unsuitable for critical study Ashton also discusses how soccer films faced a similar rebuff from Spanish intellectuals though the popularity of these films has grown in recent years As soccer continues to be one of the modern world's most significant representations of globalization its importance as a cultural touchpoint cannot be ignored For anyone wanting to learn more about the relationship between soccer politics and popular culture this volume offers critical insights Soccer in Spain is a valuable read for students and scholars of Spanish political history literature film and sport

Theorizing World Cinema Lúcia Nagib, Chris Perriam, Rajinder Dudrah, 2011-11-30 This innovative book is about the place of world cinema in the cultural imaginary. It also repositions world cinema in a wider discursive space than is usually the case and treats it as an object of theoretical enquiry rather than as a commercial label. The editors and distinguished group of contributors offer a range of approaches and case studies whose organizing principle is the developing idea of polycentrism as applied to cinema. They refine and redefine key concepts in film studies including identification and identity, narrative and realism, allegory and the national project, auteurism and the popular art and genre. They re-evaluate how cinema shapes and responds to the philosophical, cultural and political effects of transnationalism and cosmopolitanism in the age of the moving image and explore the interconnectedness of films produced worldwide as well as the links between cinema and other visual cultural forms. The contributors include John Caughie, Felicia Chan, Tiago de Luca, Rajinder Dudrah, Song Hwee Lim, Laura Mulvey, Lucia Nagib, Geoffrey Nowell Smith, Chris Perriam, Ashish Rajadhyaksha, Paul Julian Smith and Ismail Xavier.
