Naipaul's Truth Lillian Feder, 2001 Lillian Feder illustrates how Naipaul has emerged as one of the world's greatest and most controversial living writers. Clarence Thomas and the Tough Love Crowd Ronald Suresh Roberts, 1996-10 In recent years black neoconservatism has captured the national imagination Clarence Thomas sits on the Supreme Court Stephen Carter's opinions on topics ranging from religion to the confirmation process are widely quoted The New Republic has written that black neoconservative Thomas Sowell was having a greater influence on the discussion of matters of race and ethnicity than any other writer of the past ten years In this compelling and vividly argued book Ronald Roberts reveals how this attention has turned an eccentricity into a movement Black neoconservatives Roberts believes have no real constituency but as was the case with Clarence Thomas are held up and proclaim themselves as simply and ruthlessly honest as above mere self interest and crude political loyalties They profess a concern for those they criticize claiming to possess an objective truth which sets them apart from their critics in the establishment Left They claim to be outsiders even while sustained by the culture's most powerful institutions As they level attacks at the activist organizations they perceive as moribund every significant argument they advance rests on fervent mantras of harsh truths and simple realities Enlisting the ideal of impartiality as a partisan weapon this Tough Love Crowd has elevated the familiar wisdom of Spare the rod and spoil the child to the arena of national politics Turning to their own writings and proclamations Roberts here serves up a devastating critique of such figures as Clarence Thomas Shelby Steele Stephen Carter and V S Naipaul Tough Love International Clarence Thomas and the Tough Love Crowd marks the emergence of a provocative and powerful voice on our cultural and political landscape a voice which holds those who subscribe to this polemically powerful ideology accountable for their opinions and actions

Starting with the social and psychological side of the person Naipaul one can summarise some reasonably simple discoveries that can be extracted from both his autobiographical pieces and his seemingly fictional books published within a period of more than fifty years Naipaul suggested that the way to approach the author is not through finding out as much as possible about the man and one could easily argue that the idea shall simply be used in conversion One can learn more about the person when taking into account all that has been produced by the author who is part of the person By this means one can extract valuable information about both person and author and thus can easily uncover some mysteries that have been established by the author person to conceal the reality behind a fixed idea that has always played a significant role in Naipaul s life Having studied English Naipaul was aware of all the tools available and of the aims of literary critics and seems to have challenged these established routes for his own sake and to serve his purpose

Comparative Postcolonialism in the Works of V.S. Naipaul and Toni Morrison Alshaymaa Mohamed Ahmed,2022-07-07 Comparative Postcolonialism in the Works of V S Naipaul and Toni Morrison Fragmented Identities begins with an overview of its theoretical framework highlighting the intersectional relationship between postcolonial literature and comparative literature Tracing selected novels by Naipaul and Morrison the book takes as a starting point Fanon s three phase journey of the decolonizing process In the first phase of mimicry Naipaul s and Morrison s earlier novels represent the assimilation of indigenous people into dominant hegemonic cultures The second phase is envisioned as the re narration or re interpretation of the past and old legends of indigenous culture Morrison succeeds in asserting that her ancestors past is the only way to celebrate a cultural identity but Naipaul tends to criticize and neglect his past and his original indigenous culture The third phase marks the emergence of a revolutionary literature in which Naipaul and Morrison guide their people to hybridity as a new way of becoming and resisting the hegemonic dichotomies in dominant societies

Naipaul's Strangers Dagmar Barnouw,2003 From his reporting on Islamic true believers to his descriptions of the postcolonial world V S Naipaul has been a controversial figure in contemporary letters Winner of the Nobel Prize Naipaul has traveled throughout the world looking at its varied cultures and seeking out others stories recording and transforming them His engagement with postcolonial cultures informs his novels such as Guerrillas and A Bend in the River However it is his documentaries such as Among the Believers and Beyond Belief and his works that combine actual and fictional histories and memories Finding the Center The Enigma of Arrival and A Way in the World that best exhibit a growing awareness of the complexities of cultural difference and the incompleteness and uncertainty of understanding strangers In this book Dagmar Barnouw explores the sophisticated strategies and experimentations that Naipaul employs in his cultural critique and in his enterprise of learning about and

Contains alphabetically arranged entries that provide biographical and critical information on major and lesser known nineteenth and twentieth century British writers and includes articles on key schools of literature and genres **The Migrants Table** Krishnendu Ray,2004-09 To most of us the food that we associate with home our national and familial homes is an essential part of our cultural heritage No matter how open we become to other cuisines we regard home cooking as an intrinsic part of who we are In this book Krishnendu Ray examines the changing food habits of Bengali immigrants to the United States as they deal with the tension between their nostalgia for home and their desire to escape from its confinements As Ray says This is a story about rice and water and the violations of geography by history Focusing on mundane matters of immigrant life for example what to eat for breakfast in America he connects food choices to issues of globalization and modernization By showing how Bengali immigrants decide what defines their ethnic cuisine and differentiates it from American food he reminds us that such boundaries are uncertain for all newcomers By drawing on literary sources family menus and recipes for traditional dishes interviews with Bengali household members and his own experience as an immigrant Ray presents a vivid picture of immigrants grappling with the grave and immediate problem of defining themselves in their home away from home *History and Narration* Marialuisa Bignami,2011-07-12 The relation between narration and history from the perspective of the twentieth century the century of criticisms suggests a new outlook fit for the new millennium We can no longer look at history and historiography naively but must be aware of the rhetorical strategies that are at work in the writing A research group based in Milan has been working on this topic for a few years discussing authors and texts from different genres and epochs The essays presented here deal with texts chosen because of their intrinsic relevance to the history of English speaking cultures and recent critical perspectives largely but not exclusively indebted to Hayden White Thus the volume considers instances of narrativity and historical discourse in authors as diverse as S Johnson E Chambers C Hill J Raban V Woolf N Mitchison V S Naipaul S Rushdie J M Coetzee A Ghosh Kala Pani Crossings Ashutosh Bhardwaj,Judith Misrahi-Barak,2021-12-23 When used in India the term Kala pani refers to the cellular jail in Port Blair where the British colonisers sent a select category of freedom fighters In the diaspora it refers to the

transoceanic migration of indentured labour from India to plantation colonies across the globe from the mid 19th century onwards This volume discusses the legacies of indenture in the Caribbean Reunion Mauritius and Fiji and how they still imbue our present More importantly it draws attention to India and raises new questions doesn't one need at some stage to wonder why this forgotten chapter of Indian history needs to be retrieved How is it that this history is better known outside India than in India itself What are the advantages of shining a torch onto a history that was made invisible Why have the tribulations of the old diaspora been swept under the carpet at a time when the successes of the new diaspora have been foregrounded What do we stand to gain from resurrecting these histories in the early 21st century and from shifting our perspectives A key volume on Indian diaspora modern history indentured labour and the legacy of indentureship this co-edited collection of essays examines these questions largely through the frame of important works of literature and cinema folk songs and oral tales making it an artistic enquiry of the past and of the present It will be of great interest to scholars and researchers of world history especially labour history literature postcolonial studies cultural studies diaspora studies sociology and social anthropology Indian Ocean studies and South Asian studies
