Love's Oneing Kerrie Hide, 2022-11-08 Grounded in Christian love mysticism Love's Oneing gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love's Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment

The Mysticism of The Cloud of Unknowing William Johnston, 2000 The Cloud of Unknowing was the work of an unknown 14th century English writer with a powerful message of God's unconditional love in the face of despair Johnston's theological treatment of this and other works by the same writer makes a conscious comparison with Oriental ways of contemplation

Centering Prayer and the Healing of the Unconscious Murchadh O'Madagain, 2007 In this searching study Fr Murchadh Fr Madag in describes the life and thoughts of Fr Thomas Keating the Trappist monk who was one of the founders of the centering prayer movement Centering prayer aims to reclaim the Christian contemplative and mystical traditions after centuries of neglect and to make it available for modern spiritual seekers Fr Madag in traces its roots back to the fourth and fifth century Desert Fathers such as Evagrius and John Cassian He shows how it was used in the medieval classic The Cloud of Unknowing and practiced by saints John of the Cross and Teresa of Avila then revived by Thomas Merton during the twentieth century Fr Madag in illustrates how by bringing the insights of contemporary psychology to bear on this ancient method of prayer Fr Keating has not only revitalized the contemplative tradition but also has enabled it to become a powerful tool for people of faith to gain insight into themselves and God whom Keating calls the divine healer Fr Madag in also unpacks the processes at work in centering prayer and clears up some of the common misunderstandings that surround it Centering Prayer and the Healing of the Unconscious is an essential work for all those interested in the history and practice of centering prayer In addition to describing the background of this unique and effective practice Fr Madag in offers unique insights into the ideas of one of its leading contemporary teachers and practitioners

Introduction to the Medieval Mystics of Europe Paul E. Szarmach, 1985-06-30 The European Middle Ages bequeathed to the world a legacy of spiritual and intellectual brilliance that

has shaped many of the ideals preconceptions and institutions we now take for granted An Introduction to the Medieval Mystics of Europe examines this phenomenon in vivid and scholarly accounts of the lives and achievements of those men and women whose genius most inspired their own and subsequent ages These great mystics explored and consciously realized the relationship between human life and unconditioned transcendence Representing both the contemplative and scholastic traditions the mystics in these studies often found their solutions to ultimate questions in radically different ways Some of them such as Eckhart Aquinas and Cusa may already be familiar and here the reader will benefit from a new approach and summary of extensive research Others such as Smaragdus and several of the women mystics are little known even to specialists Finally and unusually for a study of European mysticism the influence of Spanish Kabbalists is discussed in relation to the Zohar and two figures from the mystical school of Safed Cordovero and Luria Though the essays focus on individuals the cultural and social implications of their lives and work are never ignored for the mystic way did not exist separately from the rest of medieval life it functioned as an integral part of the whole influencing the development of Christian and Jewish religions in both their internal and external forms

Pilgrimage Into God Sicco Claus,2023-04

Pilgrimage into God A Study of John Main s Meditation Oriented Spirituality is a comprehensive investigation of the heritage of the Benedictine monk John Main 1926 1982 This founder of a worldwide movement for Christian meditation understands meditation as an intentional transcending of all mental processes Contrary to popular opinion which associates meditation uniquely with Eastern traditions Main considers meditative practice to be essential and central to Christian faith This study not only explores Main s views on practise but also looks into his theology his understanding of spiritual growth and the ideal contexts for achieving such growth It does this by critically situating Main s spiritual teaching within the Christian tradition and exploring its relation to Charles Taylor s interpretation of the modern spiritual condition This study also aims at exploring how Main s heritage may contribute to illuminating Christian spiritual life today

Sense and Thought Greta Hort,2025-04-01 Originally published in 1936 the author investigates the working of the mind in various types of experiences showing how sense and thought volition and cognition practice and theory work together as well in secular as in religious experiences that in each type of experience reality presents itself but that while secular experiences are partial religious experiences are whole experiences The book discusses the love of God the conception of God as law the relation between the transcendent and the immanent and concludes by showing that the conception of the Absolute is inherent in one type of Christianity

Naked Intent B. Bell,1997-03-01

The Cloud of Unknowing Anonymous,2009-08-01 A mystical classic now easier to understand Very few spiritual classics from centuries past offer real guidance for entering into the darkness and light of Christian mysticism Notoriously difficult to understand this contemporary English translation of one of the most popular texts from the late Middle Ages is different It offers an accessible invitation to the reader to enter into an engagement with God through this cloud of unknowing Mystical concepts are explained in everyday language Written by an

anonymous fourteenth century author The Cloud of Unknowing was originally prepared for cloistered monks Yet it has found centuries of readers from all walks of life Each brief chapter offers the spiritual seeker a way to enter into the life of prayer and appeals to the reader's common sense in beginning steps on the path to knowing a God beyond all knowing A foreword by bestselling author Robert Benson special to this edition helps to put this classic text within reach of everyday Christians

Pray Without Ceasing Fabio Giardini,1998 **Mysticism** Evelyn Underhill,1919 **MYSTICISM (Complete Edition)** Evelyn Underhill,2018-12-21 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices The spirit of Mysticism is romantic engaged and theoretical rather than historical or scientific Underhill has little use for theoretical explanations and the traditional religious experience formal classifications or analysis She dismisses William James pioneering study The Varieties of Religious Experience 1902 and his four marks of the mystic state ineffability noetic quality transience and passivity Excerpt All men at one time or another have fallen in love with the veiled Isis whom they call Truth With most this has been a passing passion they have early seen its hopelessness and turned to more practical things But others remain all their lives the devout lovers of reality though the manner of their love the vision which they make to themselves of the beloved object varies enormously Some see Truth as Dante saw Beatrice an adorable yet intangible figure found in this world yet revealing the next *The Cloud of Unknowing* Evelyn

Underhill,2020-09-28 The little family of mystical treatises which is known to students as the Cloud of Unknowing group deserves more attention than it has hitherto received from English lovers of mysticism for it represents the first expression in our own tongue of that great mystic tradition of the Christian Neoplatonists which gathered up remade and salted with Christ's salt all that was best in the spiritual wisdom of the ancient world That wisdom made its definite entrance into the Catholic fold about A D 500 in the writings of the profound and nameless mystic who chose to call himself Dionysius the Areopagite Three hundred and fifty years later those writings were translated into Latin by John Scotus Erigena a scholar at the court of Charlemagne and so became available to the ecclesiastical world of the West Another five hundred years elapsed during which their influence was felt and felt strongly by the mystics of every European country by St Bernard the Victorines St Bonaventura St Thomas Aquinas Every reader of Dante knows the part which they play in the Paradiso Then about the middle of the 14th century England at that time in the height of her great mystical period led the way with the first translation into the vernacular of the Areopagite's work In Dionysius' Divine Names a version of the Mystica Theologia this spiritual treasure house was first made accessible to those outside the professionally religious class Surely this is a fact which all lovers of mysticism all spiritual patriots should be concerned to hold in remembrance It is supposed by most scholars that Dionysius' Divine Names which appearing as it did in an epoch of great spiritual vitality quickly attained to a considerable circulation is by the same hand which wrote the Cloud of Unknowing and its companion books and that this hand also produced an English paraphrase of Richard of St Victor's Benjamin Minor another work of much authority on the

contemplative life Certainly the influence of Richard is only second to that of Dionysius in this unknown mystic's own work work however which owes as much to the deep personal experience and extraordinary psychological gifts of its writer as to the tradition that he inherited from the past Nothing is known of him beyond the fact which seems clear from his writings that he was a cloistered monk devoted to the contemplative life It has been thought that he was a Carthusian But the rule of that austere order whose members live in hermit like seclusion and scarcely meet except for the purpose of divine worship can hardly have afforded him opportunity of observing and enduring all those tiresome tricks and absurd mannerisms of which he gives so amusing and realistic a description in the lighter passages of the Cloud These passages betray the half humorous exasperation of the temperamental recluse nervous fastidious and hypersensitive loving silence and peace but compelled to a daily and hourly companionship with persons of a less contemplative type some finding in extravagant and meaningless gestures an outlet for suppressed vitality others overflowing with a terrible cheerfulness like giggling girls and nice japing jugglers others so lacking in repose that they can neither sit still stand still nor lie still unless they be either wagging with their feet or else somewhat doing with their hands Though he cannot go to the length of condemning these habits as mortal sins the author of the Cloud leaves us in no doubt as to the irritation with which they inspired him or the distrust with which he regards the spiritual claims of those who fidget

Mysticism: A Study in Nature and Development of Spiritual Consciousness Evelyn Underhill, 2017-02-15 Remaining a classic in its field this book explains first how mysticism relates to such things as vitalism theology psychology symbolism and magic This treatment may seem unusual for Christian mysticism but it relates widely to the world as we know it and the different practices therein Part Two explores the awakening purification and illumination of yourself and gives solid groundwork for such things as voices visions dreams and other mystical experience

The Cloud Of Unknowing Unknown Authors, The Cloud of Unknowing is an anonymous work of Christian mysticism originating in the latter half of the 14th century The text is a spiritual guide on contemplative prayer in the late Middle Ages The mystical scripture draws on the tradition of Pseudo Dionysius the Areopagite and Christian Neoplatonism which focuses on the via negativa road to discovering God as a pure entity beyond any capacity of mental conception and so without any definitive image or form

The Cloud of Unknowing (□□□□) Anonymous, 2011-10-15 The Cloud of Unknowing is an anonymous work of Christian mysticism written in the latter half of the 14th century The text is a spiritual guide to contemplative prayer Be willing to be blind and give up all longing to know the why and how for knowing will be more of a hindrance than a help This 1912 edition was edited by Evelyn Underhill and contains her introduction

Zen Spirit, Christian Spirit Robert Kennedy, 1995-06-01 Kennedy shows other Christians a way of integrating Zen Buddhism and Christian belief He does this convincingly and gracefully by weaving together Zen poetry and koans Western poetry and literature scriptural texts and personal experience National Catholic Reporter American law reports annotated ,1919

The Cloud of Unknowing, 2009-04-14 This anonymous fourteenth century text is the glory of English mysticism and one of the most practical and useful guides to finding union with God ever written Carmen Acevedo Butcher's new translation is the first to bring the text into a modern English idiom while remaining strictly faithful to the meaning of the original Middle English The Cloud of Unknowing consists of a series of letters written by a monk to his student or disciple instructing him or her in the way of Divine union Its theology is presented in a way that is remarkably easy to understand as well as practical providing advice on prayer and contemplation that anyone can use Previous translations of the Cloud have tended to veil its intimate even friendly tone under medieval sounding language Carmen Butcher has boldly brought the text into language as appealing to modern ears as it was to its original readers more than five hundred years ago Also included in the volume is the companion work attributed to the same anonymous author The Book of Privy Counsel which contains further advice for approaching God in a way that emphasizes real experience rather than human knowledge

Toward a More Perfect Faith A. W. Tozer, 2023-03-07 There has hardly ever been in my ministry a series of sermons to which I have given more time more pain and more prayer than I did to this series from Philippians 3 A W Tozer called these sermons the most important he ever preached Looking closely at Philippians 3 he describes the Christian as a modern day Lazarus who hears the call to arise but can't escape the grave clothes In this new series of sermon transcriptions Tozer shows us how to live with freedom Toward a Deeper Faith gives us Tozer's sermons on Considering Perfection in the Christian Life Four Kinds of Christians Discovering the Loveliness of Jesus Christ The Will of God and Its Relationship to Our Cross The Obstacle of Self Trust Living in His Righteousness and more We are heirs to the King and Tozer wants us to reclaim our heritage Return again and again to Tozer's twelve sermons that will bring you into a deeper life of love and maturity in Jesus Christ
