Despite decades of feminist awareness and activism women continue to be portrayed in outdoor advertising in a limited and sexist manner The fact that in public space audiences are exposed to such images without choice renders the issue an important public policy concern Sex in Public utilises a large outdoor advertising data collection to examine the contemporary outdoor advertising landscape documenting the routine portrayal of women as thin white young and idle This book examines why such portrayals are concerning for feminists as well as for public policy and explores the advertising self regulation systems that facilitate the display of such images This book criticises sexist outdoor advertising as a form of sexual harassment given that imagery often bearing very strong semblance to pin ups which would be outlawed in a workplace are readily displayed in public space reflecting a troublesome public policy double standard Understanding sexist outdoor advertising as a form of sexual harassment is a new framework that Sex in Public offers to understand critique and condemn such images *The Museological Unconscious* Victor Tupitsyn, 2009 Sumario Susan Buck Morss in conversation with Victor Tupitsyn Civitas solis ghetto as paradise Communal post modernism a short history Moscow communal conceptualism Icons of iconoclasm Sun without a muzzle If I were a woman Pushmi Pullyu St Petersburg and Moscow Batman and the joker the thermidor of the bodily Body without a name Notes on the museological unconscious Negativity mon amour Post autonomous art Rublevskoe Chauss e *Triple Play* , *The Darkest Side of Saturn* Tony Taylor, 2014-07-03 It s 1997 at a mountaintop observatory in Southern California where spacecraft navigator Harris Mitchel and astronomer Diana Muse Jones discover a dangerous asteroid which may hit the earth within two decades As the asteroid tumbles through space towards an uncertain impact Harris and Diana fight bitterly over how to announce their discovery When Harris goes public to a skeptical world at the cost of his and Diana s careers he sends their already turbulent relationship into a blaze of conflicting passions As his notoriety builds a fanatical preacher and his unhinged followers stalk him while an obnoxious radio personality provides disruptive help Harris becomes an unwilling Pied Piper for his own overzealous followers hungry for belief and eager for guidance into an uncertain and tumultuous future In this science fiction drama the characters battle each other in contests of Damn your world view against a background of hard science religion romance metaphysical speculation and the forces of nature versus human passions and dreams Meanwhile an asteroid hurtles through the solar system and global salvation or disaster hangs in the balance A courageous and visionary work an instant classic BlueInk Reviews *Filthy Material* Chris Forster, 2019 Modernist literature is inextricable from the history of obscenity The trials of figures like James Joyce D H Lawrence and Radclyffe Hall loom large in accounts twentieth century literature *Filthy Material* Modernism and The Media of Obscenity reveals the ways that debates about obscenity and literature were shaped by changes in the history of media Judgments about obscenity which hinged on understanding how texts were circulated and read were often proxies for the

The Dame in the Kimono Leonard J. Leff, Jerold L. Simmons, 2013-07-24 This excellent lively study examines the raucous debate sparked by the Code over the morals and ideals of American movies Publishers Weekly The new edition of this seminal work takes the story of the Production Code and motion picture censorship into the present including the creation of the PG 13 and NC 17 ratings in the 1990s Starting in the early 1930s the Production Code Director Joe Breen and his successor Geoff Shurlock understood that American motion pictures needed enough rope enough sex and violence and tang to lasso an audience and not enough to strangle the industry To explore the history and implementation of the Motion Picture Production Code this book uses 11 movies *Dead End* *Gone With the Wind* *The Outlaw* *The Postman Always Rings Twice* *The Bicycle Thief* *Detective Story* *A Streetcar Named Desire* *The Moon Is Blue* *The French Line* *Lolita* and *Who s Afraid of Virginia Woolf* The authors combine a lively style with provocative insights and a wealth of anecdotes to show how the code helped shape American screen content for nearly 50 years A readable intimate account of the rise to near tyrannical power and the fall to well deserved ignominy of the old Production Code Administration Atlantic Monthly A valuable insight into our own innocence and naivet The New York Times Book Review The triumph of Leff and Simmons s fine work is that they have reminded us of how fatuous and inimical a code of conduct can be how tempting it is as a theoretical answer and how intrinsically flawed it is as a working solution The Times of London

[Epigrams from the Anthologia Latina](#) , 2013-11-06 This new scholarly edition consists of the Latin text with translation and detailed commentary of a sequence of epigrams from the *Anthologia Latina* Shackleton Bailey 78 188 The introduction discusses whether these epigrams constitute a unified collection and are the work of a single author examines their likely date and place of composition which it is argued is North Africa under Vandal rule and sets them in their cultural context The line by line commentary covers issues of literary linguistic and historical significance Although text and interpretation of these pieces present frequent difficulties the author confirms that they make up a fascinating collection

of considerable importance and merit contrary to the low reputation generally associated with the *Anthologia Latina* The book will be of great interest to students of Latin literature and language in general the epigram tradition in particular and the culture of Vandal Africa *The Illustrated Afterlife of Terence's Comedies (800-1200)* Beatrice Radden

Keefe, 2021-08-30 Widely read as school texts the comedies by the Roman dramatist Terence have come down to us in hundreds of medieval copies Fourteen of the manuscripts produced between 800 and 1200 were given some kind of illustration In this volume Beatrice Radden Keefe explores the semiotics of the imagery found in the earliest illustrated Terence manuscripts and its relationship to the iconography of comedy and theatre from antiquity She examines six further manuscripts to show how later illustrators abandoned this imagery to varying degrees finding new emphases and creating new layers of meaning Illustrators of Terence it is demonstrated here brought a range of interests to illustrating the comedies clarifying their narrative incorporating social commentary and moralisation and linking them with Christian allegorical traditions

The Pre-Raphaelite Body J. B. Bullen, 1998 Pre Raphaelitism was the first avant garde movement in Britain It shocked its first audience and as it modulated into Aestheticism it continued to disturb the British public In this fresh and original study Professor Bullen traces the sources of that shock to the representation of the human body By examining the discourses which were developed to denounce or to explain the new art forms he shows that the distorted maimed or eroticized body formed the principal focus of anxiety in nineteenth century criticism Using a truly interdisciplinary method he relates the painting of Millais and other early Pre Raphaelites to fears about cholera and Catholicism he demonstrates how the body of the sexualized female became an object of obsessive fascination in the painting and poetry of Dante Gabriel Rossetti and William Morris he locates the writing of Swinburne and Prater in the context of the debate over the Woman Question and he shows how the responses to the Aesthetic painting of Burne Jones were conditioned by the sexual psychopathology of mid nineteenth century mental science

Some of his sexual theories can be traced to Albert Moll one of a number involved in such studies at the time Nevertheless a number of Freudians meeting at the Vienna Psychoanalytic Society in his own home on Wednesdays to discuss Freudian notions had some such as C G Jung and Alfred Adler leaving as discontents and forging separate psychological disciplines Paradoxically they supported Freud's idea that psychoanalysis psychology should become an international affair as their ideas also spread Therefore Freud arguably remains as a father of modern psychology and is still worthy of further thought
