Nam Sense Surviving Vietnam With The 101

Ronald B. Frankum Jr.

Nam Sense Surviving Vietnam With The 101:

Nam Sense Arthur Wiknik, 2020-01-10 A candid memoir of being sent to Vietnam at age nineteen witnessing the carnage of Hamburger Hill and returning to an America in turmoil Arthur Wiknik was a teenager from New England when he was drafted into the US Army in 1968 shipping out to Vietnam early the following year Shortly after his arrival on the far side of the world he was assigned to Camp Evans near the northern village of Phong Dien only thirty miles from Laos and North Vietnam On his first jungle patrol his squad killed a female Viet Cong who turned out to have been the local prostitute It was the first dead person he had ever seen Wiknik's account of life and death in Vietnam includes everything from heavy combat to faking insanity to get some R tricked unwitting US suppliers into providing his platoon with hard to get food defied a superior and was punished with a dangerous mission and struggled with himself and his fellow soldiers as the antiwar movement began to affect them Written with honesty and sharp wit by a soldier who was featured on a recent History Channel documentary about Vietnam Nam Sense spares nothing and no one in its attempt to convey what really transpired for the combat soldier during this unpopular war It is not about glory mental breakdowns flashbacks or self pity The GIs Wiknik lived and fought with during his yearlong tour were not drug addicts or war criminals or gung ho killers They were there to do their duty as they were trained support their comrades and get home alive Recipient of an Honorable Mention from the Military Writers Society of America *The Complete Idiot's Guide to the Vietnam War, 2nd Edition* Timothy P. Maga Ph.D., 2010-09-07 A long ago war still relevant today Misunderstanding remains and a lot is still unknown of the Vietnam War *The Complete Idiot's Guide to the Vietnam War Second Edition* provides an updated and revised guide giving readers the facts It assesses policies and the reasons for them shedding light on the controversies regarding the Vietnam War what has been called the most complicated armed conflict of the 20th century It offers A big picture look at the politics public figures and history of the war in Southeast Asia Present tense relevance of Vietnam to the current wars in which the United States and the rest of the world is involved Clarification of details for those who lived through it and an explanation for younger generations *A People's History of the U.S. Military* Michael A. Bellesiles, 2012-09-11 In *A People's History of the U S Military* historian Michael A Bellesiles draws from three centuries of soldiers personal encounters with combat through fascinating excerpts from letters diaries and memoirs as well as audio recordings film and blogs to capture the essence of the American military experience firsthand from the American Revolution to the wars in Iraq and Afghanistan Military service can shatter and give meaning to lives it is rarely a neutral encounter and has contributed to a rich outpouring of personal testimony from the men and women who have literally placed their lives on the line The often dramatic and always richly textured first person accounts collected in this book cover a wide range of perspectives from ardent patriots to disillusioned cynics barely literate farm boys to urbane college graduates scions of founding families to recent immigrants enthusiasts and dissenters women disguising themselves as men in order to serve their country to African

Americans fighting for their freedom through military service A work of great relevance and immediacy as the nation grapples with the return of thousands of men and women from active military duty A People s History of the U S Military will become a major new touchstone for our understanding of American military service **The Battlin' Bastards of Bravo** Melissa Ziobro,2025-04-15 The Battlin Bastards of B Company 1st Battalion 506th Infantry Regiment 101st Airborne Division share their harrowing Vietnam experiences highlighting brotherhood resilience and the lasting impact of war on their lives The Battlin Bastards of B Company 1st Battalion 506th Infantry Regiment 101st Airborne Division fought daily against a well trained and determined enemy during their tours in Vietnam 1968 71 Before the war these men were brothers sons sweethearts husbands and fathers Some were athletes some musicians Some were just out of high school some in established careers There is no monolithic Battlin Bastard but when they joined the 101st Airborne Division one of the most highly decorated divisions in the United States Army in Vietnam they united fighting for each other and fighting to return safely home It was difficult to put their experiences behind them As Bravo veteran Terry Taylor recalled I learned at the age of 18 that you don t have to die to go to hell Vietnam was hell on earth And yet despite the obstacles many of these men built successful lives post war Decades after returning from the war when the men were ready to cautiously revisit their experiences the Bastards started stateside reunions From these reunions came the wish to share their stories with the world to honor to educate and to inspire The result is this book written from interviews and diligent archival research in which the surviving Battlin Bastards tell their stories of combat in their own words and honor those who sacrificed for their country and their unit **Fighting Elites** John C. Fredriksen,2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they ve accomplished throughout our history and how they operate today Fighting Elites A History of U S Special Forces examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities **Vietnam War Slang** Tom Dalzell,2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity

Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don't encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang

Historical Dictionary of the War in Vietnam Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War

Enduring Vietnam James Wright, 2024-07-02 This powerful and heartbreaking history of the Vietnam War looks not only at the conflict but the generation caught up in its horrors and consequences Booklist The Vietnam War is largely recalled as a mistake either in the decision to engage there or in the nature of the engagement Or both Veterans of the war remain largely anonymous figures accomplices in the mistake Critically recounting the steps that led to the war this book does not excuse the mistakes but it brings those who served out of the shadows Enduring Vietnam recounts the experiences of the young Americans who fought in Vietnam and of families who grieved those who did not return The book describes the baby boomers growing up in the

1950s why they went into the military what they thought of the war what it was like to serve in Nam and to come home With a rich narrative of the Battle for Hamburger Hill and through substantial interviews with those who served the book depicts the cruelty of this war and its quiet acts of courage James Wright s *Enduring Vietnam* provides an important dimension to the profile of an American generation and a rich account of an American War

The United States and the Vietnam War, 1954-1975 Louis Peake, 2007-11-13 *The United States in the Vietnam War 1954 1975* is an invaluable reference guide to the costly and controversial war the U S waged in Vietnam over the course of five presidential administrations Focusing not only on the conflict in Southeast Asia but also on the tumult the war inspired on the domestic front Louis Peake provides an authoritative guide to the wide range of media available on the U S involvement in Vietnam From collections of art work and poetry about the soldiering experience to journalistic accounts of battles and military training films the entries consistently provide clear and concise descriptions allowing the reader to easily identify the value of any particular resource With revised and updated annotations and over 150 new entries this second edition of *The United States in the Vietnam War 1954 1975* is an invaluable reference tool for researchers and students of the Vietnam War *Routledge Research Guides to American Military Studies* provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current *Routledge Research Guides to American Military Studies* are an essential research tool for any historian

Armed with Abundance Meredith H. Lair, 2011-11-28 Popular representations of the Vietnam War tend to emphasize violence deprivation and trauma By contrast in *Armed with Abundance* Meredith Lair focuses on the noncombat experiences of U S soldiers in Vietnam redrawing the landscape of the war so that swimming pools ice cream visits from celebrities and other comforts share the frame with combat To address a tenuous morale situation military authorities Lair reveals wielded abundance to insulate soldiers and by extension the American public from boredom and deprivation making the project of war perhaps easier and certainly more palatable The result was dozens of overbuilt bases in South Vietnam that grew more elaborate as the war dragged on Relying on memoirs military documents and G I newspapers Lair finds that consumption and satiety rather than privation and sacrifice defined most soldiers Vietnam deployments Abundance quarantined the U S occupation force from the impoverished people it ostensibly had come to liberate undermining efforts to win Vietnamese hearts and minds and burdening veterans with disappointment that their wartime service did not measure up to public expectations With an epilogue that finds a similar paradigm at work in Iraq *Armed with Abundance* offers a unique and provocative perspective on modern American warfare

Hamburger Hill 1969 James H. Willbanks, 2024-12-19 A highly illustrated authoritative exploration of Operation Apache Snow including the infamous Battle of Hamburger Hill Ap Bia Mountain one of the most significant and well known actions in the Vietnam War Operation Apache Snow was the result of a

renewed Allied effort in early 1969 to neutralize the North Vietnamese forces in the A Shau a 45km long valley located in the southwestern Thua Thien Province This area had long provided an infiltration corridor for Communist forces from the Ho Chi Minh Trail in Laos to the coastal cities of northern I Corps Tactical Zone The ensuing battle to take Ap Bia Mountain which became known as Hamburger Hill lasted for ten days Although US and South Vietnamese forces were ultimately successful in taking the hill the heavy casualties incurred in the bitter fighting caused a furor in Congress with many congressmen denouncing the action In this work respected Vietnam War historian James H Willbanks documents the planning and execution of Operation Apache Snow The progress of the operation is carefully presented using maps and diagrams and the forces and weaponry of both sides are brought to life in photos and color battlescenes Willbanks also explores why despite the Allied success in taking Hamburger Hill the battle came to symbolize the frustration of winning costly encounters without ever consummating a strategic victory

The Routledge Dictionary of Modern American Slang and Unconventional English Tom Dalzell, 2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern post WW2 American Slang The 25 000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature newspapers magazines movies television shows musical lyrics and Internet user groups Etymology cultural context country of origin and the date the word was first used are also provided In terms of content the cultural transformations since 1945 are astounding Television computers drugs music unpopular wars youth movements changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language This new edition includes over 500 new headwords collected with citations from the last five years a period of immense change in the English language as well as revised existing entries with new dating and citations No term is excluded on the grounds that it might be considered offensive as a racial ethnic religious sexual or any kind of slur This dictionary contains many entries and citations that will and should offend Rich scholarly and informative The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers lexicographers and translators

Friendly Fire in the Literature of War Earl R. Anderson, 2017-04-21 The term friendly fire was coined in the 1970s but the theme appears in literature from ancient times to the present It begins the narrative in Aeschylus's Persians and Larry Heinemann's Paco's Story It marks the turning point in Homer's Iliad Virgil's Aeneid the Chanson de Roland Stephen Crane's The Red Badge of Courage and Tim O'Brien's Going After Cacciato It is the subject of transformative disclosure in Jaan Kross's Czar's Madman Ron Kovic's Born on the Fourth of July O'Brien's In the Lake of the Woods and A.B. Yehoshua's Friendly Fire In some stories events propel the characters into a friendly fire catastrophe as in Thomas Taylor's A Piece of this Country and Oliver Stone's 1986 film Platoon This study examines friendly fire in a broad range of literary contexts

Summary of Arthur Wiknik Jr.'s Nam Sense Milkyway Media, 2024-01-29 Get the Summary of Arthur Wiknik Jr.'s Nam Sense in 20 minutes Please note This is a summary not the original book Nam Sense by Arthur

Wiknik Jr is the memoir of a young soldier's experience in the Vietnam War. Drafted at 19, Wiknik Jr undergoes infantry training and is promoted to sergeant, facing resentment from more experienced NCOs. Deployed to Vietnam, he encounters the stark contrasts between new recruits and veterans and the picturesque yet deceptive calm of Cam Ranh Bay. Assigned to the 101st Airborne Division, he leads a squad with humility, acknowledging his inexperience.

Understanding Vietnam

Neil L. Jamieson, 2023-11-15

The American experience in Vietnam divided us as a nation and eroded our confidence in both the morality and the effectiveness of our foreign policy. Yet our understanding of this tragic episode remains superficial because then and now we have never grasped the passionate commitment with which the Vietnamese clung to and fought over their own competing visions of what Vietnam was and what it might become. To understand the war, we must understand the Vietnamese, their culture, and their ways of looking at the world.

Neil L. Jamieson, after many years of living and working in Vietnam, has written the book that provides this understanding. Jamieson paints a portrait of twentieth-century Vietnam. Against the background of traditional Vietnamese culture, he takes us through the saga of modern Vietnamese history and Western involvement in the country from the coming of the French in 1858 through the Vietnam War and its aftermath. Throughout his analysis, he allows the Vietnamese both our friends and foes and those who wished to be neither to speak for themselves through poetry, fiction, essays, newspaper editorials, and reports of interviews and personal experiences. By putting our old and partial perceptions into this new and broader context, Jamieson provides positive insights that may perhaps ease the lingering pain and doubt resulting from our involvement in Vietnam.

As the United States and Vietnam appear poised to embark on a new phase in their relationship, Jamieson's book is particularly timely. The American experience in Vietnam divided us as a nation and eroded our confidence in both the morality and the effectiveness of our foreign policy. Yet our understanding of this tragic episode remains superficial because then and now we have never grasped the passionate commitment with which the Vietnamese clung to and fought over their own competing visions of what Vietnam was and what it might become.

Republican Vietnam, 1963-1975

Trinh M. Luu, Tuong Vu, 2023-09-30

English language scholarship all too often dismisses South Vietnam as an American creation, a product of US imperialism. *Republican Vietnam, 1963-1975* boldly upends this depiction, exposing a diverse and dynamic portrait of the Second Republic. In twelve essays, each based on original archival research, the volume brings to life the Second Republic in all its complexities, displaying how politicians, students, educators, publishers, journalists, musicians, religious leaders, businessmen, and ordinary citizens built a highly intricate society with dazzling entrepreneurial zeal, an outspoken press, globally engaged religions, a vibrant intellectual and associational culture, and a level of artistic production that remains unmatched since the Vietnam War. That inspired and frenzied age, though short-lived, held a resilient spirit that Vietnamese refugees have kept alive. The trove of vernacular music and print media, not to mention the many associations the Vietnamese diaspora founded, exemplify the republican values that once energized South Vietnamese culture. But this nuanced society has appeared in popular media and American scholarship as a hopelessly dependent nation led by corrupt dictators beholden to US interests. In contrast to such negative stereotypes, this account situates South Vietnamese

front and center as agents of their own histories

Republican Vietnam is the first collection of scholarly essays on the Second Republic since the end of the Vietnam War. It is also among the first to use republicanism as a lens to re-examine twentieth-century Vietnamese history, the Vietnam War, and the diaspora. The twelve essays together show how war in tandem with external intervention shaped South Vietnam's economy, culture, and the life of every individual and family. By featuring works from Vietnamese and Vietnamese diasporic studies, this text takes the important step of bridging the two fields, laying the foundation for cross-disciplinary projects in the future.

American Soldiers Peter S. Kindsvatter, 2003-04-03

Some warriors are drawn to the thrill of combat and find it the defining moment of their lives. Others fall victim to fear, exhaustion, impaired reasoning, and despair. This was certainly true for twentieth-century American ground troops. Whether embracing or being demoralized by war, these men risked their lives for causes larger than themselves, with no promise of safe return. This book is the first to synthesize the wartime experiences of American combat soldiers from the doughboys of World War I to the grunts of Vietnam. Focusing on both soldiers and marines, it draws on histories and memoirs, oral histories, psychological and sociological studies, and even fiction to show that their experiences remain fundamentally the same, regardless of the enemy, terrain, training, or weaponry. Peter Kindsvatter gets inside the minds of American soldiers to reveal what motivated them to serve and how they were turned into soldiers. He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship, and he explores the roles of comradeship, leadership, and the sustaining beliefs in cause and country. He also illuminates soldiers' attitudes toward the enemy, toward the rear echelon, and toward the home front. And he tells why some broke down under fire while others excelled. Here are the first tastes of battle, as when a green recruit reported that for the first time he realized that the people over the ridge wanted to kill him, while another was befuddled by the unfamiliar sound of bullets whizzing overhead. Here are soldiers struggling to cope with war's stress by seeking solace from local women or simply smoking cigarettes. And here are tales of combat avoidance and fraggings, not unique to Vietnam. Here are soldiers in Korea disgruntled over home front indifference, and of the unique experiences of African American soldiers in the Jim Crow army. By capturing the core band of brothers' experience across several generations of warfare, Kindsvatter celebrates the American soldier while helping us to better understand war's lethal reality and why soldiers persevere in the face of its horrors.

The Cham of Vietnam Tran Ky Phuong, Bruce Lockhart, 2011-01-01

The Cham people once inhabited and ruled over a large stretch of what is now the central Vietnamese coast. Written by specialists in history, archaeology, anthropology, art history, and linguistics, these essays reassess the ways that the Cham have been studied.
