Norway and National Liberation in Southern Africa Tore Linné Eriksen, Nordiska Afrikainstitutet, 2000 This book documents and analyses the involvement of Norway in the liberation struggle in Southern Africa Apart from focussing on the formulation of official policies and the extensive cooperation with the liberation movements in the field of humanitarian assistance mainly based on the Ministry of Foreign Affairs records the study highlights the popular involvement and commitment to the struggle Separate chapters are concerned with the churches trade unions and solidarity movements such as the Norwegian Council for Southern Africa and the Namibia Committee The book also includes a case study on the battle for sanctions The Study forms part of the Nordic Africa Institute s research and documentation project National Liberation in Southern Africa The Role of the Nordic Countries *The European Union and the Nordic Countries* Lee Miles, 2005-06-28 The team of authors including academics from all five main Nordic countries provides an authoritative assessment of the intricate relationship between the EU and the Nordic countries *The Nordic Countries and Africa* Lennart Wohlgemuth, 2002 The Nordic Africa Institute has asked one representative from each Nordic country to give an account of how their respective countries have dealt with Africa over the years in some cases even over the centuries but with an emphasis on the last 50 years They were also asked to indicate what role Africa has played in the politics trade etc of their countries The diversity of the invited authors backgrounds and fields of specialization is reflected in their contributions but the authors have one thing in common a long experience from and deep engagement in Africa s development Lennart Wohlgemuth has been the director of the Nordic Africa Institute since 1993 Sweden and National Liberation in Southern Africa Tor Sellström, 1999 In 1969 the Swedish parliament endorsed a policy of direct assistance to the liberation movements in Southern Africa Sweden thus became the first Western country to enter into a relationship with organizations that elsewhere in the West were shunned as Communist or terrorist This book the first in a two volume study on Sweden the regional struggles for majority rule national independence traces the background to the relationship Presenting the actors factors behind the support to MPLA of Angola FRELIMO of Mozambique SWAPO of Namibia ZANU ZAPU of Zimbabwe ANC of South Africa it addresses the question why Sweden established close relations with the very movements that eventually would assume state power in their respective countries The second volume later this year will discuss how the support was expressed covering the period from 1970 until the democratic elections in South Africa in 1994 **Swapo's Struggle for Namibia, 1960-1991** Lauren Dobell, 1998 **Women Journalists in Namibia's Liberation Struggle, 1985-1990** Maria Mboono Nghidinwa, 2008 Cover Title page Copyright page Contents Struggles within the Struggle An Introduction by Henning Melber Dedication Instruction 1 The Sotho Tswana Peoples before 1800 The Dispersal of the Kwenä and Kgatla

Lineage Clusters The Rolong the Tlhaping and the Kora 1700 1800 3 Namibia s Media History SWAPO media in exile Pre colonial and colonial media in Africa History of the press in Namibia Colonial Aspects of Finnish-Namibian Relations, 1870-1990 Leila Koivunen,Raita Merivirta,2024-06-27 This edited collection re examines the long history of Finnish Namibian relations through the lens of colonialism without colonies as well as anti colonialism The book argues that although Finland never acquired colonies Namibia was once treated in the areas of culture and knowledge formation in a manner now recognised as colonial Namibian people s ways of being in the world was transformed when the Finnish Missionary Society started its work in Owambo in 1870 and introduced Christianity and European modes of education medicine material culture and social practices In time cultural colonialism faded and during the Namibian struggle for independence from South African rule in 1966 1990 Finns took an actively anti colonial approach The book was written as a collaborative effort of Namibian Finnish and South African scholars **Namibia's Independence Struggle** Cleophas Johannes Tsokodayi,2011-01-01 *Special Report of the Director-General on the Application of the Declaration Concerning Action Against Apartheid in South Africa and Namibia* International Labour Office,1990 West Africa ,1982 Foreign Intervention in Africa Elizabeth Schmidt,2013-03-25 Foreign Intervention in Africa chronicles the foreign political and military interventions in Africa from 1956 to 2010 during the periods of decolonisation and the Cold War as well as during the periods of state collapse and the global war on terror In the first two periods the most significant intervention was extra continental The USA the Soviet Union China Cuba and the former colonial powers entangled themselves in countless African conflicts During the period of state collapse the most consequential interventions were intra continental African governments sometimes assisted by powers outside the continent supported warlords dictators and dissident movements in neighbouring countries and fought for control of their neighbours resources The global war on terror like the Cold War increased foreign military presence on the African continent and generated external support for repressive governments In each of these cases external interests altered the dynamics of Africa s internal struggles escalating local conflicts into larger conflagrations with devastating effects on African peoples **Yearbook of the United Nations, Volume 41 (1987)** United Nations,2023-11-27 Issued annually since 1946 47 the Yearbook is the principal reference work of the United Nations providing a comprehensive one volume account of the Organization s work It includes details of United Nations activities concerning trade industrial development natural resources food science and technology social development polulation environment human settlement children and legal questions along with information on the work of each specialized agency in the United Nations family **Nordic Statements on Apartheid** Nordiska Afrikainstitutet,1977 Official Records United Nations. General Assembly,1984 **Neutrality and Neutralism in the Global Cold War** Sandra Bott,Jussi M. Hanhimaki,Janick Schaufelbuehl,Marco Wyss,2015-12-22 This book sheds new light on the foreign policies roles and positions of neutral states and the Non Aligned Movement NAM in the global Cold War The volume places the neutral states

and the NAM in the context of the Cold War and demonstrates the links between the East the West and the so called Third World In doing so this collection provides readers an alternative way of exploring the evolution and impact of the Cold War on North South connections that challenges traditional notions of the post 1945 history of international relations The various contributions are framed against the backdrop of the evolution of the Cold War international system and the decolonization process in the Southern hemisphere By juxtaposing the policies of European neutrals and countries of the NAM this book offers new perspectives on the evolution of the Cold War With the links between these two groups of countries receiving very little attention in Cold War scholarship the volume thus offers a window into a hitherto neglected perspective on the Cold War Via a series of case studies the chapters here present new viewpoints on the evolution of the global Cold War through the exploration of the ensuing internal and mainly external policy choices of these nations This book will be of much interest to students of Cold War Studies international history foreign policy security studies and IR in general Festival and Event Management in Nordic Countries Tommy D. Andersson,Donald Getz,Reidar Johan Mykletun,2014-06-11 This book on events related research marks a watershed in the development of a Nordic School of festival and event research Each of the chapters presents a new and interesting approach to the study of events in terms of methods perspectives or content It is mostly rooted in management theory but also incorporating other perspectives that enhance our understanding of the phenomena Implications for real world applications in tourism hospitality and community development are also at the fore The scholarship is comprehensive not focused on only tourism or economic aspects Management theory including stakeholder management social networks and institutionalization processes is being applied Attention is being given to the multiple roles festivals and events play in society and to evaluation of their worth and impacts Innovative methods are being developed to examine event experiences innovation processes and success factors There is now a critical mass of scholars in the Nordic countries that share a strong interest in event studies and they are engaged in collaborative research making it an appealing and innovative region for other event students and researchers to visit It can be expected that the Nordic school will take an increasingly important place in the development of event studies which is now truly global in terms of scholarship and university degree programs This book was originally published as a special issue of Scandinavian Journal of Hospitality and Tourism Translations on Sub-Saharan Africa United States. Joint Publications Research Service,1978

Registratur AA. 3 Basler Afrika Bibliographien,2006 The collection contains primary material from Swapo and about Swapo dating from the 1960s to 1990 It contains the history of Swapo and the Namibian liberation struggle
