Disabled Literature Miles Beauchamp,Wendy Chung,Alijandra Mogilner,2015 This book by Beauchamp Chung Mogilner and Svetlana Zakinova examines how authors have used characters with disabilities to elicit emotional reactions in readers additionally how writers use disabilities to present individuals as the other rather than simply as people Finally the book discusses how literature has changed or is changing with regards to its presentation of those with a disability *Nancy and Her Johnny-O* Bianca Bradbury,1970 A high school girl understands her retarded brother s problem yet is disturbed by the reactions of her parents and friends **Letters to the Lost** Iona Grey,2015-05-26 An accomplished novel from a talented writer *Letters to the Lost* is a stunning emotional love story Iona Grey s prose is warm evocative and immediately engaging her characters become so real you can t bear to let them go I promised to love you forever in a time when I didn t know if I d live to see the start of another week Now it looks like forever is finally running out I never stopped loving you I tried for the sake of my own sanity but I never even got close and I never stopped hoping either Late on a frozen February evening a young woman is running through the streets of London Having fled from her abusive boyfriend and with nowhere to go Jess stumbles onto a forgotten lane where a small clearly unlivd in old house offers her best chance of shelter for the night The next morning a mysterious letter arrives and when she can t help but open it she finds herself drawn inexorably into the story of two lovers from another time In London 1942 Stella meets Dan a US airman quite by accident but there is no denying the impossible unstoppable attraction that draws them together Dan is a B 17 pilot flying his bomber into Europe from a British airbase his odds of survival are one in five In the midst of such uncertainty the one thing they hold onto is the letters they write to each other Fate is unkind and they are separated by decades and continents In the present Jess becomes determined to find out what happened to them Her hope inspired by a love so powerful it spans a lifetime will lead her to find a startling redemption in her own life in this powerfully moving novel **Femme Noir** Karen Burroughs Hannsberry,2012-10-26
