Nanjing 1937 Zhaoyan Ye,2002 Centers on the life of Ding Wenyu a privileged womanizing narcissistic professor of languages and traces the course of the affair that transforms him from outlandish rake to devoted lover Jacket 1937 Ye Zhaoyan, 2003 Ding Wenyu is a spoilt university professor in a sterile marriage caught in a cycle of drinking and debauchery He falls in love with Yuyuan and publicly professes his love for her to great ridicule from others As Japanese troops invade Nanjing Yuyuan's marriage crumbles and she turns to Ding A History of Pain Michael Berry, 2011 This work probes the restaging representation and reimagining of historical violence and atrocity in contemporary Chinese fiction film and popular culture It examines five historical moments including the Musha Incident 1930 and the February 28 Incident China at War Hans van de Ven, 2018-02-12 China s mid twentieth century wars pose extraordinary interpretive 1947 challenges The issue is not just that the Chinese fought for such a long time from the Marco Polo Bridge Incident of July 1937 until the close of the Korean War in 1953 across such vast territory As Hans van de Ven explains the greatest puzzles lie in understanding China's simultaneous external and internal wars Much is at stake politically in how this story is told Today in its official history and public commemorations the People's Republic asserts Chinese unity against Japan during World War II But this overwrites the era s stark divisions between Communists and Nationalists increasingly erasing the civil war from memory Van de Ven argues that the war with Japan the civil war and its aftermath were in fact of a piece a singular process of conflict and political change Reintegrating the Communist uprising with the Sino Japanese War he shows how the Communists took advantage of wartime to increase their appeal how fissures between the Nationalists and Communists affected anti Japanese resistance and how the fractious coalition fostered conditions for revolution In the process the Chinese invented an influential paradigm of war wherein the Clausewitzian model of total war between well defined interstate enemies gave way to murky campaigns of national liberation involving diverse domestic and outside belligerents This history disappears when the realities of China s mid century conflicts are stripped from public view China at War recovers them
