The Deshima Diaries ,2021-10-25 English translation of the marginalia or marginal notes that were added to the text of the Deshima Diaries from the 1670 s onwards in order to provide the Dutch chief of Deshima with a quick reference to the notes of his predecessors This volume covers the marginalia from the 1740 4800 diaries Providing the general public and especially those who have neither a command of Dutch nor of Japanese access to a fascinating period of Japanese history in which the Dutch played such a singular role At the same time the serious scholar wil obtain an easy key to the extremely rich holdings of the archive of the Deshima trading factory which covers a shelf length of more than forty meters in the National Archives in the Netherlands but which has been only rarely utilized by historians Japanologists or other scholars In the 1740s the Dutch East India Company VOC was in many ways at the height of its power The second half of the 18th century saw the decline of the Company from being the high and mighty and only trading company which covered from its base in Batavia Jakarta all of Asia with a network that stretched from Basra in Persia to Nagasaki in Japan to becoming a mere shadow of its former self with only a tenuous hold on a few possessions in the Indonesian archipelago By the end of the century it had lost its establishments in South Africa India and Ceylon to the British and its fleet was gone However as a trading company it was dead but as a proto colonial producer it was actually doing quite well The basis of the present text are the Deshima Dagregisters their original tables of contents Vol VII 1740 1760 Vol VIII 1760 1780 Vol IX 1780 1790 Vol X 1790 1800 published in the Intercontinenta Series Nos 18 1993 19 1995 20 1996 and 21 1997 by the Institute for the History of European Expansion at Leiden University Scientific Publications of the Japan Netherlands Institute No 21

Published by the Japan Netherlands Institute Tokyo 2004 original ISBN 4930921066 The Arcanum Janet Gleeson, 2009-09-26 An extraordinary episode in cultural scientific history comes to life in the fascinating story of a genius greed exquisite beauty revealed by the obsessive pursuit of the secret formula for one of the most precious commodities of eighteenth century European royalty fine porcelain *Belitung* Natali Pearson, 2022-11-30 In 1998 the Belitung a ninth century western Indian Ocean style vessel was discovered in Indonesian waters Onboard was a full cargo load likely intended for the Middle Eastern market of over 60 000 Chinese Tang dynasty ceramics gold and other precious objects It is one of the most significant shipwreck discoveries of recent times revealing the global scale of ancient commercial endeavors and the centrality of the ocean within the Silk Road story But this shipwreck also has a modern tale to tell of how nation states appropriate the remnants of the past for their own purposes and of the international debates about who owns and is responsible for shared heritage The commercial salvage of objects from the Belitung and their subsequent sale to Singapore contravened the principles of the 2001 UNESCO Convention on the Protection of the Underwater Cultural Heritage and prompted international condemnation The resulting controversy continues to reverberate in academic and curatorial circles Major museums refused to host international traveling exhibitions of the collection and some archaeologists announced they would rather see the objects thrown back in the sea than ever go on display Shipwrecks are anchored in the public imagination their stories of treasure and tragedy told in museums cinema and song At the same time they are sites of scholarly inquiry a means by which maritime archaeologists interrogate the past through its material remains Every shipwreck is an accidental time capsule replete with the sunken stories of those on board of the personal and commercial objects that went down with the vessel and of an unfinished journey In this moving and thought provoking reflection of underwater cultural heritage management Natali Pearson reveals valuable new information about the Belitung salvage obtained firsthand from the salvagers and the intricacies in the many conflicts and relationships that developed In tracing the Belitung s lives and afterlives this book shifts our thinking about shipwrecks beyond popular tropes of romance pirates and treasure and toward an understanding of how the relationships between sites objects and people shape the stories we tell of the past in the present Pottery and Porcelain Restoration Roger Hawkins, 2020-04-03 Pottery and Porcelain Restoration is a practical guide for amateurs to the craft of the professional restorer With over 360 photographs it explains the simplest safest and ethical techniques that are recommended today and essentially do not further damage your pieces Written with clear practical detail it explains the full process and gives unique insight into the delicate job of the ceramic restorer This new book introduces the history of pottery and porcelain and gives an account of the methods and ethics of ceramic restoration it gives a complete list and details of materials and equipment and particularly advises on the best choice of glues it describes the full restoration process from preparation and cleaning to gluing and modelling and finally to painting and gilding and provides step by step instructions for gluing multiple breaks filling chips and large missing areas as well as

making lids teapot spouts hands leaves fingers and handles Restoration examples are illustrated such as making Beswick horse legs replacing missing handles on a Chinese jug and painting a Clarice Cliff jug and finally vital tricks of the trade are shared throughout and useful tips to setting up a workshop are given
