ANGEL'S BABY Pamela Browning,2012-07-16 Let s Make a Baby Together Angel McCabe s biological clock was ringing loud But there was no one else on the otherwise uninhabited Florida island to hear it With no husband in sight she had no choice but to run a personal ad Once wedded and pregnant Angel would send the man packing Sexy sailor Stewart Adams wanted to ensure his immortality and his name before disappearing into the South Seas but he didn t plan on being around long enough to become a domestic dad Angel sounded like the ideal wife for him Theirs would have been the perfect marriage of convenience if it weren t for one small thing With Hawks and Angels Joel Lafayette Fletcher III,2023-03-24

With Hawks and Angels Episodes from a Southern Life chronicles the fortunate life of a man born in the Cajun country of Louisiana and his interaction with the three distinct parts of his home state the swampy laissez faire South where he was born the red clay hills and piney woods of northern Louisiana where his relatives lived and exotic New Orleans where he was educated Author Joel Lafayette Fletcher III examines his childhood on the campus of what is now the University of Louisiana at Lafayette where his father Joel Lafayette Fletcher Jr was president for twenty five years to his time as a student at Tulane The book follows Fletcher through his service as a naval officer when he began to admit to himself accept and explore who he really was to his life in Europe and eventually Virginia where he now resides With Hawks and Angels intimately explores the life of a young man growing up in the racially segregated Deep South while coming to terms with being gay at a time when being out was not socially acceptable Based on his personal journals and recollections and filled with the unique characters he met along the way With Hawks and Angels is the culmination of writing that for Fletcher was a way of holding onto an important part of his true self that for many years he felt compelled to hide Every Business Needs an Angel John May,Cal Simons,2001-12-18 What s the biggest problem most entrepreneurs face Raising money Without cash you can t get a business off the ground or keep it running However many entrepreneurs have a problem On one hand the traditional sources of financing family friends personal savings the local bank are often inadequate On the other the venture capitalists who have played such an important role in the high tech industry are interested only in investing much higher sums than most entrepreneurs need Enter angels a new type of investor looking to invest between 100 000 and 1 000 000 in a company There are about three million angel investors and there s a huge market of entrepreneurs and would be entrepreneurs who want to learn how to attract angels interest and their money John May and Cal Simmons are at the forefront of this trend Not

only do they have years of experience in advising managing and investing in early stage companies they are also the originators of The Dinner Club a Washington D C based group of successful businesspeople who hear pitches by entrepreneurs seeking funding and then decide whether to invest their own or the club s money in those entrepreneurial ideas Every Business Needs an Angel offers a fly on the wall look at how angel investors evaluate new entrepreneurial ideas and provides a wealth of practical advice and insight for the countless entrepreneurs seeking help in their quest to find investors for their businesses The book covers all phases of the process of finding angels and persuading them to invest drawing on many examples of real world companies that have pitched angels successfully as well as unsuccessfully These entrepreneurs are in a broad range of industries from high technology companies to more traditional businesses as diverse as breweries and concierge services some quite well known like Nantucket Nectars and Preview Travel whose founders had their own guardian angels For entrepreneurs who need money and advice on how to find it the authors offer enormous insight into this new breed of investor As the title says every business needs an angel this book tells you how to find one

Nantucket; a History Robert Alexander Douglas-Lithgow,1914 *The Black Angel of Paramo* Christian

Perrissin,2014-03-27 A sprawling frontier saga rich with adventure and romance set in Tierra del Fuego at the eve of the 20th century *The Angel's Last War* Sean T. Smith,2025-08-14 What if you could live forever but never escape the battle between good and evil Malak s first memory is of the Crucifixion From that moment he is cursed or perhaps chosen to die and rise again century after century witnessing the rise and fall of empires the birth of religions and the unrelenting cycle of human suffering From the burning of Rome to the Crusades from the Inquisition to the Black Death from the battlefields of the American Revolution to the war torn present Malak searches for meaning haunted by a beautiful and enigmatic woman who seems to follow him across time Now in the modern world Malak leads a clandestine organization dedicated to preventing humanity from spiraling into chaos But his latest mission assassinating a Saudi prince funding global terror has put him in the crosshairs of the CIA Worse a greater enemy lurks in the shadows Lucifer himself has been waiting for Malak and at Megiddo the prophesied site of Armageddon he will offer him an impossible choice sacrifice his own soul to save the world or watch it burn Spanning two thousand years of history faith and war *The Angel s Last War* is an electrifying thought provoking epic that will keep you riveted until the final fateful choice *An Angel of the First Degree* James A.

Zoller,2020-08-27 What constitutes a love poem What makes a good marriage How can one explain fifty years of amiable loving committed companionship that carries no caveats and no regrets How can one enumerate let alone explain the legion shapes and shades and manifestations by which love reveals itself These poems in *An Angel of the First Degree* are all significantly love poems Many of the poems are incidental in that they were written in the busyness of life the way many things appear in the busyness of life Some began as a way to describe the joys of everyday togetherness Some of the poems are humble such are the Valentine s Day poems Some of the poems the wedding poems are grand written in celebration and

commemoration These poems would not express honest aspirations for marriage had they not been grounded in my own experience in my own marriage to the woman who is the subject object and primary reader of these poems Thus all these poems must be read as love poems for my lifelong friend and companion mother of my children my guardian angel love of my life

Death's Bright Angel Part Three: A Bridge Across Forever Marion Earl MacKenzie, 2024-06-03 A Bridge Across Forever sequel to Death's Bright Angel Part Two Sacred Ground is the final installment in the Sacred Ground Trilogy There are two separate time lines As the story opens it is 2019 and Dr Glen Abbott has traveled to Scotland to meet with Mairi Lea Hartford at the insistence of Gaia Magni the Supreme Spiritual Being charged with restoring harmony and balance to Nature and preventing a Sixth Extinction Level Event ELE Gaia Magni has taken control of Earth She is prepared if necessary to wipe humanity from the face of the Earth in order to protect the millions of other species in the Biosphere But Earth has lost her resiliency and Gaia Magni is forced to adopt extreme measures in order to save Nature and humanity She seeks help from the late John Hartford the brilliant theoretical physicist assassinated in 1983 by the Soviet Union Gaia Magni requires Hartford's unique understanding of quantum theory to build a Galactic Bridge that will link Earth with Echo the new world she has created 70 000 light years across the galaxy Echo is humanity's last chance to live in harmony and balance with Nature But a visit to an Alternate Reality reveals a devastating future for Earth The Doomsday Clock is ticking and it is a race against Time to save the Biosphere In the alternate reality of 2017 Glen Abbott's relationship with Virginia Montgomery is failing She suffers from a retrograde amnesia that has left her without any emotional connection to her daughter or husband Their marriage is on the rocks and he fears he has lost his chance to reclaim the love and contentment they had enjoyed before her death in 2018 In desperation he tells her the truth that he is from the future and that their daughter Hannah will evolve into Gaia Magni upon her Ascension But can Montgomery who has her own demons to contend with believe him Trust him Ever love him again

American Cookery, 1924 **Air & Space Smithsonian**, 2006-04 **Rebel Angel** Pdraig Rooney, 2025-04-15 Annemarie Schwarzenbach was one of the twentieth century's most remarkable women possibly the greatest sexual and political radical of the 1930s But until now she's been largely ignored Born to a wealthy family in Switzerland as a teenager she rebelled against her

domineering pro Nazi mother She immersed herself in the antifascist queer and artistic circles of the German diaspora of the 1930s Her edgy glamour and androgynous beauty turned heads in the lesbian nightclubs of Weimar Berlin on the ski slopes of St Moritz and in New York s luxury hotels and jazz bars Constantly on the move Annemarie chronicled the low and dishonest decade leading to war through her unique journalism writing and photography Her work was as adventurous and uncompromising as her personal life and reveals a deep courage intelligence and ambition tragically curtailed by her untimely death

Fallen Angel Robert Billings,2023-04-14 What would you say if I told you that President Kennedy s death was completely made up to look like an assassination that he was dying of an incurable disease called Addison s disease had accepted his fate and was determined to go out on his shield rather than have the world see him wither away to nothing He was shot that we know for sure But by whom and why What if I told you it was done by a close knit group of his best friends at his own request Would you consider the possibility or think it s nuts Taken directly from the pages of a recently discovered personal diary that s been kept hidden for almost 60 years *Fallen Angel* takes us on an international journey of discovery revealing the true untold emotional and spiritual journey of a man the world was never allowed to know or forget The idealized image of Kennedy who seemed to be the picture of robust health is how most remember him Behind the scenes however nothing was further from the truth He was a very sick man In fact he was dying So who stood to gain the most from his death The mafia The CIA The Illuminati No It was Kennedy himself Everyone knows how the story ends but no one really knows how it began or more importantly why Until now For the man who was so taken with magic as a child this would be his greatest trick
