Chimombo The discussion negotiates scribed experience of exile engendered by Dr Bandas regime and shows that the selected poets effectively converse with a sense of home reflecting on its transformations in their work Interrogating the strict definitions of home the argument highlights that far from home less exiles in fact clarify the sense of what home is The manoeuvre is one of thinking towards an unboundaried home This book will be of value not only to readers interested in the cultures of Africa but to all those with an interest in worldwide literary phenomena and ideas therein of home and exile
