**Paradoxical Japaneseness** Andrew Dorman, 2016-11-22 This book offers insightful analysis of cultural representation in Japanese cinema of the early 21st century The impact of transnational production practices on films such as *Dolls* 2002 *Sukiyaki Western Django* 2007 *Tetsuo The Bullet Man* 2009 and *13 Assassins* 2010 is considered through textual and empirical analysis The author discusses contradictory forms of cultural representation cultural concealment and cultural performance and their relationship to both changing practices in the Japanese film industry and the global film market Case studies take into account popular genres such as J Horror and jidaigeki period films as well as the work of renowned filmmakers Takeshi Kitano Takashi Miike Shinya Tsukamoto and Kiyoshi Kurosawa

**Dialectics of the Goddess in Japanese Audiovisual Culture** Lorenzo J. Torres Hortelano, 2017-12-01 Through provocative essays by specialists in different aspects of Japanese culture this book provides an historical and analytical survey of the presence of Goddesses in Japanese audiovisual culture from its origins to the present day It shows how these feminine myths are represented in Japan not only as beneficial or creative deities but also the archetypal strong or dominant woman that sometimes overshadows masculine figures and heroes or as influential figures Therefore it analyzes this rich dialectic of the feminine and how the audiovisual culture has represented it thus far in film TV series and video games made in Japan While many theories have been proposed to explain the presence of Goddesses in Japan this book's focus on audiovisual culture explores how this corpus challenges the traditional conceptions of the feminine as related to Goddesses

*The Bloomsbury Handbook to Ageing in Contemporary Literature and Film* Sarah Falcus, Heike Hartung, Raquel Medina, 2023-06-29 Across more than 30 chapters spanning migration queerness and climate change this handbook captures how the interdisciplinary and intersectional endeavor of Ageing studies has shaped contemporary literary and film studies In the early 21st century the literary study of age and ageing in its cultural context has come of age it has come to supplement and challenge a public discourse on ageing seen mainly as a political and demographic problem in many countries of the world Following a tripartite structure it looks first at literary and film genres and how they have been shaped by knowledge about age and ageing incorporating both narrative genres as well as poetry drama and imagery The second section includes chapters on key themes and concepts in Ageing Studies with examples from film and literature The third section brings together case studies focussing on individual artists national traditions and global ageing Containing original contributions by pioneers in the field

as well as new scholars from across the globe it brings together current scholarship on ageing in literary and film studies and offers new directions and perspectives

*Monstrous Reflection* Petra Rehling, Elsa Bouet, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2014 By engaging and questioning existing definitions and ideas all of the essays in this volume represent the idea of a monstrous reflection in one way or another Monsters can serve as a means to explore the cultural anxieties they embody and the reasons for these anxieties Thus monsters act as mirrors highlighting the causes for the creation of categories A reflection can also be a comment or statement applicable in that the monstrous or the word monster becomes a label of otherness and exclusion This label is sometimes a construction a discursive and rhetorical trope which only serves to other those deemed different or undesirable suggesting that the monster might not always be monstrous This volume is about the ones gazing into the mirror and the things staring back at humanity along with the uncomfortable truths that are revealed in the process

Tradition, Culture and Aesthetics in Contemporary Asian Cinema Peter C. Pugsley, 2016-02-24 From the critically acclaimed Malaysian film *Sepet* to the on going box office successes of the films created by Hong Kong director Wong Kar Wai cinematic texts from the nations of Asia are increasingly capturing audiences beyond their national boundaries *Tradition Culture and Aesthetics in Contemporary Asian Cinema* explores the rise of popular Asian cinema and provides an understanding of the aesthetic elements that mark these films as Asian cinema Incorporating examples of contemporary films from China Japan Hong Kong Korea Singapore Malaysia and India Peter C Pugsley gives readers a fresh insight into the rapidly developing discourse on popular Asian media The book s chapters focus on the aesthetic features of national cinemas and the intersections of local global encountered in the production distribution and consumption of contemporary Asian films By tracking across some of the most influential countries in Asia the book is able to offer new perspectives into the visual and aural features that create greater understanding between East and West As distribution and technological advances make Asian films more readily available an understanding of the different aesthetics at play will enable readers of this book to recognise key cultural motifs found in cinematic texts from Asia

everywhere to explore      **Recreating Japanese Women, 1600-1945** Gail Lee Bernstein, 1991-07-09 In thirteen wide ranging essays scholars and students of Asian and women s studies will find a vivid exploration of how female roles and feminine identity have evolved over 350 years from the Tokugawa era to the end of World War II Starting from the premise that gender is not a biological given but is socially constructed and culturally transmitted the authors describe the forces of change in the construction of female gender and explore the gap between the ideal of womanhood and the reality of Japanese women s lives Most of all the contributors speak to the diversity that has characterized women s experience in Japan This is an imaginative pioneering work offering an interdisciplinary approach that will encourage a reconsideration of the paradigms of women s history hitherto rooted in the Western experience      *Film Trilogies* C. Perkins, C. Verevis, 2012-02-21 Drawing on a wide range of examples this book the first devoted to the phenomenon of the film trilogy provides a dynamic investigation of the ways in which the trilogy form engages key issues in contemporary discussions of film remaking adaptation sequelization and serialization      **Reel Women** Jane Sloan, 2007-03-26 In the last several decades the number of films featuring female protagonists has increased significantly Many of these films reflect the vast cultural and sociological changes that have taken place since the early 1960s highlighting not only a wide spectrum of female characters depicted onscreen but the creative work of women behind the camera as well In *Reel Women An International Directory of Contemporary Feature Films about Women* media librarian Jane Sloan has assembled an impressive list of more than 2400 films from nearly 100 countries that feature female protagonists Each entry includes a brief description of the film and cites key artistic personnel particularly female directors producers and screenwriters involved in its production *Reel Women* also contains a critical survey in which Sloan charts the changes women have undergone both on screen and off as moviemaking and audience sensibilities have evolved in the last forty plus years Listing many more films on the subject of women than can be found in any other source this reference brings together important titles from area studies and genre markets along with titles associated with women s cinema and feminist film In addition to title and actor indexes the book contains a subject index that provides detailed access to place names historical characters time periods and storylines as well as the backgrounds religious racial and ethnic of the main characters This directory is an ideal reference tool for researchers studying the evolution of female characters in films around the world from Afghanistan to Zimbabwe It is also a resource for casual viewers who are looking for films that reflect the diversity of women s roles that can be found in independent and national cinemas as well as commercial blockbusters      *Anime and Its Roots in Early Japanese Monster Art* Zília Papp, 2010-02-01 Japanese anime plays a major role in modern popular visual culture and aesthetics yet this is the first study which sets out to put today s anime in historical context by tracking the visual links between Edo and Meiji period painters and the post war period animation and manga series *Gegege no Kitaro* by Mizuki Shigeru Through an investigation of the very popular *Gegege no Kitaro* series broadcast from the 1960s to the present time the author is able to pinpoint the visual roots of

the animation characters in the context of y kai folklore and Edo and Meiji period monster painting traditions Through analysing the changing images related to the representation of monsters in the series the book documents the changes in the perception of monsters over the last half century while at the same time reflecting on the importance of Mizuki s work in keeping Japan s visual traditions alive and educating new audiences about folklore by recasting y kai imagery in modern day settings in an innovative way In addition by analysing and comparing character set costume and mask design plot and storyline of y kai themed films the book is also the first study to shed light on the roles the representations of y kai have been assigned in post war Japanese cinema This book will be of particular interest to those studying Japanese visual media including manga and animation as well as students and academics in the fields of Japanese Studies Animation Studies Art History and Graphic Design Kurosawa Mitsuhiro Yoshimoto,2000 This work will become not only the newly definitive study of Kurosawa but will redefine the field of Japanese cinema studies particularly as the field exists in the west

*Traditional Monster Imagery in Manga, Anime and Japanese Cinema* Zília Papp,2010-10-29 Traditional Monster Imagery in Manga Anime and Japanese Cinema builds on the earlier volume Anime and its Roots in Early Japanese Monster Art that aimed to position contemporary Japanese animation within a wider art historical context by tracing the development of monster representations in Edo and Meiji period art works and post war visual media While the previous volume concentrated on modern media representations this work focuses on how Western art historical concepts and methodology might be adapted when considering non Western works introducing traditional monster art in more detail while also maintaining its links to post war animation sequential art and Japanese cinema The book aims at a general readership interested in Japanese art and media as well as graduate students who might be searching for a research model within the fields of Animation Studies Media Studies or Visual Communication Design **Seeing Depression Through a Cultural Lens** Barry S. Fogel,Xiaoling Jiang,2024-11-26 Depression is a leading cause of suffering and disability worldwide and suicide is a leading cause of death in younger people and a remarkably common cause of mortality in older people Seeing Depression Through a Cultural Lens the collaborative work of a neuropsychiatrist and a tricultural humanities scholar explores broadly and deeply how cultural identity and its structural correlates relate to the occurrence phenomenology and narratives of depression The book synthesizes qualitative and quantitative perspectives theory and practice salient statistics and memorable stories from literature film and the clinic It offers readers valuable new perspectives on depression in diverse individuals and populations Japanese Cinema Peter Cowie,2022-06-07 An informal yet informed journey through the classic works of Japanese cinema and their directors This is a passionate personal journey through one of the world s greatest national cinemas beginning with the classic directors who came to the fore in the postwar period and became legendary names on the art house circuit Kurosawa Mizoguchi Ozu Kobayashi Naruse and Oshima among others Japanese Cinema traces the common themes explored by these directors as well as the impact of important historical and cultural

issues including World War 2 the representation of women and the revolutionary spirit of the 1960s Finally Peter Cowie surveys the state of contemporary Japanese film and its greatest living practitioners Hirokazu Koreeda among them as well as the international face of Japanese animation Hayao Miyazaki Cowie brings a lifetime's commitment to film to bear on the human relationships so well explored by these Japanese auteurs

**Killers, Clients and Kindred Spirits** Lindsay Coleman, 2019-05-09 The only Japanese director to have won the Palme d'Or from Cannes more than once and second only to Ozu Yasujiro in the number of times he has won the prestigious Kinema Junpo Best One award the late Imamura Shohei was one of Japan's leading and most controversial film directors This book is one of the first to study all of Imamura's major films alongside his television and theatrical documentaries focusing on his major themes and concerns By giving shape to Imamura's career the book positions him as a stylistic innovator as well as an ethnographic investigator into Japanese culture and tradition the preeminent examiner of the hidden barely repressed underpinnings of Japanese society

**Japan: The Childless Society?** Muriel Jolivet, 2005-08-18 Disillusioned by long hours at home alone and by demands from the older generation Japanese women are marrying later resulting in a sharp decline in the Japanese birth rate Muriel Jolivet considers the reasons why Japanese women are finding it increasingly difficult to accept the terms and conditions of motherhood Japan The Childless Society explores the major factors contributing to maternal malaise in Japan including the Ten Commandments of the Good Mother the changing role of the father education and careers nostalgia from older generations Drawing on extensive interviews with Japanese women and translated into English for the first time this innovative study examines the implications behind the declining birth rate and looks towards the future of a country that is in danger of becoming a childless society
