Søren Kierkegaard, 2015-06-29 For Self Examination and its companion piece Judge for Yourself are the culmination of Søren Kierkegaard's second authorship which followed his Concluding Unscientific Postscript Among the simplest and most readily comprehended of Kierkegaard's books the two works are part of the signed direct communications as distinguished from his earlier pseudonymous writings The lucidity and pithiness and the earnestness and power of For Self Examination and Judge for Yourself are enhanced when as Kierkegaard requested they are read aloud They contain the well known passages on Socrates' defense speech how to read the lover's letter the royal coachman and the carriage team and the painter's relation to his painting The aim of awakening and inward deepening is signaled by the opening section on Socrates in For Self Examination and is pursued in the context of

the relations of Christian ideality grace and response The secondary aim a critique of the established order links the works to the final polemical writings that appear later after a four year period of silence *Church Hymns* Arthur Sullivan,1898
