Home on the Range: Susan Fox, 2013-08-01. Smart, sexy, funny, and touching. I loved this book. Susan Wiggs. In this exciting new series, author Susan Fox welcomes you to Caribou Crossing, a small western town made for love and adventure. For Evan Kincaid, the best thing about his dusty hometown was watching it fade into the distance. Jessica Bly was the only one who didn't treat him like an outsider, and their friendship ended with one mind-blowing night of young passion. Now they've both got the lives they planned: Evan in New York, Jess with her beloved horses in Caribou Crossing. But business has brought Evan back to Jess's Crazy Horse ranch on a mission that could destroy whatever's left of her trust. Ten years ago, Jess wanted one perfect night to remember Evan by. What she got was a broken heart and a secret that's kept them strangers ever since. The boy she knew was sexy and sweet; the man he's become leaves her breathless. And no matter how much she tells herself that country girl and city boy don't belong together, in her heart she wants to believe his home has been right here all along. You can't go wrong picking up a Susan Fox book.
