## **Natures State Imagining Alaska As The Last Frontier:**

Nature's State Susan Kollin, 2018-06-15 An engaging blend of environmental theory and literary studies *Nature's State* looks behind the myth of Alaska as America's last frontier a pristine and wild place on the fringes of our geographical imagination Susan Kollin traces how this seemingly marginal space in American culture has in fact functioned to alleviate larger social anxieties about nature ethnicity and national identity Kollin pays special attention to the ways in which concerns for the environment not only shaped understandings of Alaska but also aided U S nation building projects in the Far North from the late nineteenth century to the present era Beginning in 1867 the year the United States purchased Alaska a variety of literary and cultural texts helped position the region as a crucial staging ground for territorial struggles between native peoples Russians Canadians and Americans In showing how Alaska has functioned as a contested geography in the nation's spatial imagination Kollin addresses writings by a wide range of figures including early naturalists John Muir and Robert Marshall contemporary nature writers Margaret Murie John McPhee and Barry Lopez adventure writers Jack London and Jon Krakauer and native authors Nora Dauenhauer Robert Davis and Mary TallMountain

**Ethics of Alaska Travel Writing since 1959** Benjamin Ferguson, 2025-08-28 This book digs into environmental themes in Alaska travel writing since U S statehood in 1959 drawing on the works of six authors including Barry Lopez Jonathan Raban Tom Lowenstein and others Each work though disparate in style advocates for the empowerment of the Alaska Native people by connecting not only with diverse perspectives but with the lived realities in the geographical spaces that have formed them In analyzing how these authors have succeeded in depicting the realities of alterities and where they have perhaps fallen short by more recent standards we may begin to carve out a system of ethics This is important as fresh waves of travel writers search for their own place in the environmental conversations surrounding the ever evolving 21st century Arctic and its place on the front lines of a changing climate

*Babylon* Michael Seymour, 2014-08-29 For two thousand years the real physical metropolis lay buried while another ghostly city lived on through ideas as varied as the legendary Hanging Gardens the career of the biblical Daniel and even the Apocalypse More recently the site of Babylon has been the centre of major excavation yet the spectacular results of this work have done little to displace the many other fascinating ways in which the city has endured and reinvented itself in culture Saddam Hussein for one notoriously exploited the Babylonian myth to associate himself and his regime with its glorious past Why has Babylon so creatively fired the human imagination with results both good and ill Why has it been enthralling to so many and for so long In exploring answers Michael Seymour ranges extensively over space and time and embraces art archaeology history and literature From Hammurabi and Nebuchadnezzar via Strabo and Diodorus to the Book of Revelation Bruegel Rembrandt Voltaire William Blake and modern interpreters like Umberto Eco Italo Calvino and Gore Vidal the author brings to light a carnival of disparate sources dominated by powerful and intoxicating ideas such as the Tower of Babel and the city of sin Babylon Legend History and the Ancient City weighs idea against reality

fiction against fact conjuring the fascinating story of this ancient metropolis and its legacy to brilliant life as never before

Battleground Alaska Stephen Haycox, 2016-04-08 No American state is more antistatist than Alaska And no state takes in more federal money per capita which accounts for a full third of Alaska s economy This seeming paradox underlies the story Stephen Haycox tells in *Battleground Alaska* a history of the fraught dynamic between development and environmental regulation in a state aptly dubbed The Last Frontier Examining inconvenient truths the book investigates the genesis and persistence of the oft heard claim that Congress has trampled Alaska s sovereignty with its management of the state s pristine wilderness At the same time it debunks the myth of an inviolable Alaska statehood compact at the center of this claim Unique isolated and remote Alaska s economy depends as much on absentee corporate exploitation of its natural resources particularly oil as it does on federal spending This dependency forces Alaskans to endorse any economic development in the state putting them in conflict with restrictive environmental constraint *Battleground Alaska* reveals how Alaskans abiding resentment of federal regulation and control has exacerbated the tensions and political sparring between these camps and how Alaska s leaders have exploited this antistatist sentiment to promote their own agendas specifically the opening of the Arctic National Wildlife Refuge to oil drilling Haycox builds his history and critique around four now classic environmental battles in modern Alaska the establishment of the ANWR in the 1950s the construction of the Trans Alaska Pipeline in the 1970s the passage of the Alaska National Interests Lands Conservation Act in 1980 and the struggle that culminated in the Tongass Timber Reform Act of 1990 What emerges is a complex tale with no clear cut villains and heroes that explains why Alaskans as a collective almost always opt for development even as they profess their genuine love for the beauty and bounty of their state s environment Yet even as it exposes the potential folly of this practice Haycox s work reminds environmentalists that all wilderness is inhabited and that human life depends as it always has on the exploitation of the earth s resources

*Contesting the Arctic* Philip E. Steinberg, Jeremy Tasch, Hannes Gerhardt, Adam Keul, Elizabeth A. Nyman, 2015-02-16 As climate change makes the Arctic a region of key political interest so questions of sovereignty are once more drawing international attention The promise of new sources of mineral wealth and energy and of new transportation routes has seen countries expand their sovereignty claims Increasingly interested parties from both within and beyond the region including states indigenous groups corporate organizations and NGOs and are pursuing their visions for the Arctic What form of political organization should prevail *Contesting the Arctic* provides a map of potential governance options for the Arctic and addresses and evaluates the ways in which Arctic stakeholders throughout the region are seeking to pursue them

**The Promise of Wilderness** James Morton Turner, 2012-08-01 From Denali s majestic slopes to the Great Swamp of central New Jersey protected wilderness areas make up nearly twenty percent of the parks forests wildlife refuges and other public lands that cover a full fourth of the nation s territory But wilderness is not only a place It is also one of the most powerful and troublesome ideas in American environmental thought representing everything from sublime beauty and

patriotic inspiration to a countercultural ideal and an overextension of government authority

**The Promise of Wilderness** examines how the idea of wilderness has shaped the management of public lands since the passage of the Wilderness Act in 1964. Wilderness preservation has engaged diverse groups of citizens from hunters and ranchers to wildlife enthusiasts and hikers as political advocates who have leveraged the resources of local and national groups toward a common goal. Turner demonstrates how these efforts have contributed to major shifts in modern American environmental politics which have emerged not just in reaction to a new generation of environmental concerns such as environmental justice and climate change but also in response to changed debates over old conservation issues such as public lands management. He also shows how battles over wilderness protection have influenced American politics more broadly fueling disputes over the proper role of government, individual rights and the interests of rural communities giving rise to radical environmentalism and playing an important role in the resurgence of the conservative movement especially in the American West. ***The Humboldt Current*** Aaron Sachs, 2007-07-31 A masterly and beautifully written account of the impact of Alexander von Humboldt on nineteenth century American history and culture. The naturalist and explorer Alexander von Humboldt 1769-1859 achieved unparalleled fame in his own time. Today however he and his enormous legacy to American thought are virtually unknown. In *The Humboldt Current* Aaron Sachs traces Humboldt's pervasive influence on American history through examining the work of four explorers: J. N. Reynolds, Clarence King, George Wallace and John Muir who embraced Humboldt's idea of a chain of connection uniting all peoples and all environments. A skillful blend of narrative and interpretation that also discusses Humboldt's influence on Emerson, Whitman, Thoreau, Melville and Poe. *The Humboldt Current* offers a colorful, passionate and superbly written reinterpretation of nineteenth century American history.

***This Elusive Land*** Melody Hessing, Rebecca Raglon, Catriona Sandilands, 2005 This *Elusive Land* provides an introduction to the literature about women and the environment in Canada. It looks at the ways in which women integrate the social and biophysical settings of their lives and features a range of contexts in which gender mediates, inspires and informs a sense of belonging to and in this land. Drawing from geographical, historical and cultural perspectives, the volume reveals the significance of women's experiences in various landscapes. Jacket

***Plant Functional Traits*** Manoj Kumar, Rainer W. Bussmann, Nathan G. Swenson, 2025-02-15 *Plant Functional Traits: Linking Climate and Ecosystem Functioning* part of the *Plant Biology, Sustainability and Climate Change* series presents a wholistic understanding of Plant Functional Traits. As global climate change advances, natural resources are facing increasing survival challenges; hence this book directly addresses that need by exploring the morphological, physiological and phenological properties of a plant that can be used as a proxy to understand plant-environment interactions. Users will find great illustrations throughout individual chapters along with case studies that demonstrate applications of functional traits in classifying vegetation of a region into distinct type groups as Plant Functional Types (PFTs). Additional information includes applications in the

development of new generation of Dynamic Global Vegetation Model DGVM and an understanding of the response of vegetation to changing environments Presents foundational insights into multiple functional trait axes Describes the quantification of functional traits from individuals to regions Includes the role of functional traits in developing new vegetation models for assessing the impact of climate change on plants     The Ecological Other Sarah Jaquette Ray,2013-05-16 This book engages recent scholarship on trans corporeality disability studies and environmental justice Ray argues that environmental discourse often frames ecological crisis as a crisis of the body therefore promoting ecological health at the cost of social equality Ray urges us to be careful about the ways in which we construct others in our arguments to protect nature     **A History of Western American Literature** Susan Kollin,2015-12-11 The American West is a complex region that has inspired generations of writers and artists Often portrayed as a quintessential landscape that symbolizes promise and progress for a developing nation the American West is also a diverse space that has experienced conflicting and competing hopes and expectations While it is frequently imagined as a place enabling dreams of new beginnings for settler communities it is likewise home to long standing indigenous populations as well as many other ethnic and racial groups who have often produced different visions of the land This History encompasses the intricacy of Western American literature by exploring myriad genres and cultural movements from ecocriticism settler colonial studies and transnational theory to race ethnic gender and sexuality studies Written by a host of leading historians and literary critics this book offers readers insight into the West as a site that sustains canonical and emerging authors alike and as a region that exceeds national boundaries in addressing long standing global concerns and developments     **Science and the Social Good** John P. Herron,2010-02-04 Using biographies of three natural scientists geologist Clarence King forester Robert Marshall and biologist Rachel Carson *Science and the Social Good* investigates the links between nature s scientific study and social improvement     Frontiers Past and Future Carl Abbott,2006 Abbott offers a fruitful new way to read science fiction one that also greatly enriches our understanding of western history and its impact on our collective imagination Detailing the overlap of science fiction and western fiction especially relating to their mutual interest in and concerns about frontier expansionism he reveals an unsuspected common ground that informs the writings of both camps Reviewing the work of many Hugo and Nebula Award winners as well as drawing upon popular film and television series like the Buck Rogers serials Abbott s study journeys across the far reaches of science fiction s universe     *Critical Norths* Sarah Jaquette Ray,Kevin Maier,2017-05-15 For millennia the North has held a powerful sway in Western culture Long seen through contradictions empty of life yet full of promise populated by indigenous communities yet ripe for conquest pristine yet marked by a long human history it has moved to the foreground of contemporary life as the most dramatic stage for the reality of climate change This book brings together scholars from a range of disciplines to ask key questions about the North and how we ve conceived it and how conceiving of it in those terms has caused us to fail the region s human and nonhuman life Engaging questions of space place

indigeneity identity nature the environment justice narrative history and more it offers a crucial starting point for an essential rethinking of both the idea and the reality of the North

**Rethinking Wilderness** Mark Woods, 2017-07-30 The concept and values of wilderness along with the practice of wilderness preservation have been under attack for the past several decades In *Rethinking Wilderness* Mark Woods responds to seven prominent anti wilderness arguments Woods offers a rethinking of the received concept of wilderness developing a positive account of wilderness as a significant location for the other than human value adding properties of naturalness wildness and freedom Interdisciplinary in approach the book combines environmental philosophy environmental history environmental social sciences the science of ecology and the science of conservation biology

**Beyond the Moon Crater Myth** Katherine Johnson Ringsmuth, 2007

**Searching for Fannie Quigley** Jane G. Haigh, 2007 2008 WILLA Literary Awards finalist At the age of 27 Fannie Sedlacek left her Bohemian homestead in Nebraska to join the gold rush to the Klondike From the Klondike to the Tanana Fannie continued north finally settling in Katishna near Mount McKinley This woman later known as Fannie Quigley became a prospector who staked her own claims and a cook who ran a roadhouse She hunted and trapped and thrived for nearly forty years in an environment that others found unbearable Her wilderness lifestyle inspired many of those who met her to record their impressions of this self sufficient woman who died in 1944 To many of the 700 000 annual visitors to Denali National Park she is a symbol of the enduring spirit of the original pioneers *Searching for Fannie Quigley A Wilderness Life in the Shadow of Mount McKinley* goes beyond the mere biographical facts of this unique woman s journey It also tells historian Jane G Haigh s own story of tracking and tracing the many paths that Fannie Quigley s intriguing life took Uncovering remote clues digging through archives and listening to oral accounts from a wide array of sources Haigh has fashioned this rich lode into a compelling narrative In *Searching for Fannie Quigley* Haigh separates fact from fiction to reveal the true story of this highly mythologized pioneer woman

**Applied Demography in the 21st Century** Steve H. Murdock, David A. Swanson, 2008-03-22 The topic of Applied Demography is clearly evolving as its practitioners become involved in the emerging trends of the Twenty First Century This book derived from the first post 2000 national conference on Applied Demography held in San Antonio Texas January 7 9 2007 at The University of Texas The conference presented a unique opportunity and this resulting work provides a cross sectional view of Applied Demography and an evaluation of its likely future

*Dominion of Bears* Sherry Simpson, 2013-10-18 Long ago we invited bears into our stories our dreams our nightmares our lives We have always sought them out where they live for their hides their meat their beauty their knowingness Human country and bear country exist side by side As Sherry Simpson suggests the relationship between bears and humans is ancient and ongoing and in Alaska profoundly and often uncomfortably close A huge number of North America s bears live in Alaska including at least 31 000 brown bears 100 000 black bears and 3 500 polar bears And nearly every aspect of Alaskan society reflects their presence from hunting to tourism marketing to wildlife management to urban

planning A long time Alaskan Simpson offers a series of compelling essays on Alaskan bears in both wild and urban spaces because in Alaska bears are found not only in their natural habitat but also in cities and towns Combining field research interviews and a host of up to date scientific sources her finely polished prose conveys a wealth of information and insight on ursine biology behavior feeding mating social structure and much more Simpson crisscrosses the Alaskan landscape in pursuit of bears as she muses marvels and often stands in sheer awe before these charismatic creatures Firmly grounded in the expertise of wildlife biologists hunters and viewing guides she shows bears as they actually are not as we imagine them to be She considers not only the occasionally aggressive behavior bears need to survive but also the violence exacted upon them by trophy hunters advocates of predator control or suburbanites who view bears as land sharks that threaten the safety of their families Shifting effortlessly between fascinating facts and poetic imagery Simpson crafts an extended meditation on why we are so drawn to bears and why they continue to engage our imaginations populate indigenous mythologies and help define our essential visions of wilderness As Simpson observes The slightest evidence that bears share your world or that you share theirs can alter not only your sense of the landscape but your sense of yourself within that landscape **Cormac McCarthy** Sara Spurgeon, 2011-06-02 A collection of original stimulating interpretations of key texts by Cormac McCarthy designed for students and edited and written by leading scholars in the field

## **Natures State Imagining Alaska As The Last Frontier Book Review: Unveiling the Magic of Language**

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Natures State Imagining Alaska As The Last Frontier**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

### **Natures State Imagining Alaska As The Last Frontier Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Natures State Imagining Alaska As The Last Frontier has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Natures State Imagining Alaska As The Last Frontier has opened up a world of possibilities. Downloading Natures State Imagining Alaska As The Last Frontier provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Natures State Imagining Alaska As The Last Frontier has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Natures State Imagining Alaska As The Last Frontier. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Natures State Imagining Alaska As The Last Frontier. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Natures State Imagining Alaska As The Last Frontier, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Natures State Imagining Alaska As The Last Frontier has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Natures State Imagining Alaska As The Last Frontier Books**

**What is a Natures State Imagining Alaska As The Last Frontier PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Natures State Imagining Alaska As The Last Frontier PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Natures State Imagining Alaska As The Last Frontier PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Natures State Imagining Alaska As The Last Frontier PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Natures State Imagining Alaska As The Last Frontier PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields

and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
