Folktales Retold Amie A. Dougherty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with

*That's Revolting!* Pasha Malla, 2010-11 Ten years ago one might not have imagined the largest national gay rights lobbying group Human Rights Campaign endorsing a right wing Republican Senatorial candidate Al D Amato in New York or the San Francisco Pride parade adopting the Budweiser advertising slogan as its official theme 2002 As an assimilationist gay mainstream wields increasing power the focus of gay struggle has become limited to marriage military service and adoption The gay mainstream presents a sanitized straight friendly version of gay identity which makes it safe for Richard Chamberlain or Rosie O'Donnell to come out and still rake in the bucks By the twisted priorities of this gay mainstream it's okay to oppose a queer youth shelter because it might interfere with property values or to fight against the inclusion of transgendered people under hate crimes legislation because this might not appeal to straight voters As the gay mainstream ironically prioritizes the attainment of straight privilege over all else it drains queer identity of any meaning relevance or cultural value and calls this progress That's Revolting shows us what the new queer resistance looks like The collection is a fistful of rocks to throw at the glass house of Gaylandia That's Revolting uses queer identity and struggle as a starting point from which to reframe reclaim and re shape the world

**A List of Books for Boys and Girls**, 1913 **Truth**, 1881 Preserving the Spell Armando Maggi, 2024-05-31 Fairy tales are supposed to be magical surprising and exhilarating an enchanting counterpoint to everyday life that nonetheless helps us understand and deal with the anxieties of that life Today however fairy tales are far from marvelous in the hands of Hollywood they have been stripped of their power offering little but formulaic narratives and tame surprises If we want to rediscover the power of fairy tales as Armando Maggi thinks we should we need to discover a new mythic lens a new way of approaching and understanding and thus re creating the transformative potential of these stories In *Preserving the Spell* Maggi argues that the first step is to understand the history of the various traditions of oral and written narrative that together created the fairy tales we know today He begins his exploration with the ur text of European fairy

tales Giambattista Basile's *The Tale of Tales* then traces its path through later Italian French English and German traditions with particular emphasis on the Grimm Brothers adaptations of the tales which are included in the first ever English translation in an appendix Carrying his story into the twentieth century Maggi mounts a powerful argument for freeing fairy tales from their bland contemporary forms and reinvigorating our belief that we still can find new powerfully transformative ways of telling these stories *That's Revolting!* Mattilda Bernstein Sycamore,2008-04-22 As the gay mainstream prioritizes the attainment of straight privilege over all else it drains queer identity of any meaning relevance or cultural value writes Matt Bernstein Sycamore aka Mattilda editor of *That's Revolting* This timely collection shows what the new queer resistance looks like Intended as a fistful of rocks to throw at the glass house of Gaylandia the book challenges the commercialized commodified and hyperobjectified view of gay queer identity projected by the mainstream straight and gay media by exploring queer struggles to transform gender revolutionize sexuality and build community family outside of traditional models Essays include Dr Laura Sit on My Face Gay Art Guerrillas Legalized Sodomy Is Political Foreplay and Queer Parents An Oxymoron or Just Plain Moronic *Enchanting Tales of Elf Forest* 5 Mariken Karnas,2015-10-09 The fifth volume of stories for children from the enchanted world of Elf Forest **Annual List of New and Important Books Added to the Public Library of the City of Boston** Boston Public Library,1906 **The Storytime Handbook** Nina Schatzkamer Miller,2014-01-27 Fresh fun ideas for children's storytime fill this book The author a long time storytime facilitator has put together 52 weekly themes plus additional plans for holidays all with detailed instructions for talking about the theme and choosing the books crafts songs poems games and snacks Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference Libraries bookstores preschools and parents alike can use this book to offer themed storytimes that include discussion literature art music movement and food Options are provided for each storytime so the ideas can be used year after year *Handmade Tales 2* Dianne de Las Casas,2013-03-21 Children love seeing ordinary objects such as paper and string transformed into extraordinary things This book provides a collection of fun make and take tales that enable educators and librarians to take storytelling to a higher level Can something as simple as a handkerchief rubber band paper plate or piece of rope be used to captivate children during a storytelling An expansion of the original best selling *Handmade Tales* book author and storyteller Dianne de Las Casas provides 25 more clever handmade tales appropriate for pre kindergarten to third grade By following her clear instructions on incorporating inexpensive props comprised of everyday items into these fun make and take stories educators and librarians can exponentially expand the appeal of their storytime efforts Including different types of make and take stories like string stories draw and tell paper tales and stories that use other simple props the handmade tales in this book are ideal for preschool and elementary school teachers and librarians of all experience levels Storytellers scout leaders camp counselors and others who work with groups of young children will also find these make and take stories and instructions invaluable **Annual List of New and**
