Navies of South-East Asia James Goldrick, Jack McCaffrie, 2013 A comprehensive survey of the development and operations of the navies of South East Asia since the end of the Second World War from p 1 Navies of South Asia Kunwar Rajendra Singh, 2002 The book analyses the evolution of navies of South Asian states Though all of them can trace their root to the British naval policy in the sub continent they have over the period responded in different ways to the naval and maritime challenges in the context of their national requirements as well as changing regional and international environment The book also projects the policies of the respective navies in the near future *Navies of South Asia* K.R. Singh, 2002 The book analyses the evolution of navies of South Asian states Though all of them can trace their root to the British naval policy in the sub continent they have over the period responded in different ways to the naval and maritime challenges in the context of their national requirements as well as changing regional and international environment The book also projects the policies of the respective navies in the near future *U.S. Navy and U.S. Marine corps in Southeast Asia* United States. Congress. Senate. Committee on armed services, 1967 A Short History of the United States Navy and the Southeast Asian Conflict, 1950-1975 Edward J. Marolda, G. Wesley Pryce, Naval Historical Center (U.S.), 1984 *Maritime Security in Southeast Asia* Kwa Kwa Chong Guan, John Skogan, 2007-05-07 Expert contributors confront both the maritime security challenges and responses identifying the nature of the maritime security problem and critically evaluating the various responses with an eye to improving the management of prevailing and emerging security threats *South Asia's Nuclear Security Dilemma* Lowell Dittmer, 2015-04-08 The nuclear test explosions in India and Pakistan in 1998 followed by the outbreak of hostilities over Kashmir in 1999 marked a frightening new turn in the ancient bitter enmity between the two nations Although the tension was eclipsed by the events of 9 11 and the subsequent American attacks on Afghanistan and Iraq it has not disappeared as evidenced by the 2001 attack in the Indian Parliament by Islamic fundamentalists out of Kashmir By 2002 these two nuclear armed neighbors seemed to be once again on the brink of war This book outlines the strategic structure of the rivalry and the dynamic forces driving it and investigates various possible solutions The expert contributors focus on the India Pakistan rivalry but also consider the China factor in South Asia s nuclear security dilemma Although essentially political strategic in its approach the book includes coverage of opposing military arsenals and the impact of local terrorism on the delicate balance of power **Southeast Asia and the Rise of Chinese and Indian Naval Power** Sam Bateman, Joshua Ho, 2014-06-03 This book examines the emerging maritime security scene in Southeast Asia It considers highly topical implications for the region of possible strategic competition between China and India the rising naval powers of Asia with a possible naval arms race emerging between these countries both with naval force development and operations As part of its Look East policy India has deployed naval units to the Pacific Ocean for port visits and exercises both with East Asian navies and the US Navy but India is also concerned about the possibility of the Chinese Navy operating

in the Indian Ocean Even as the US India defence relationship continues to deepen the US and China are struggling to build a closer links China s and India s strategic interests overlap in this region both in maritime strategic competition or conflict which might be played out in the Bay of Bengal the Malacca and Singapore Straits and the South China Sea The sea lines of communication SLOCs through Southeast Asian waters constitute vital choke points between the Indian and Pacific Oceans carrying essential energy supplies for China and other Northeast Asian countries Any strategic competition between China and India has implications for other major maritime players in the Pacific and Indian Oceans especially Australia the Republic of Korea and Japan as well as the US This book identifies possible cooperative and confidence building measures that may contribute to enhanced relations between these two major powers and dampen down the risks associated with their strategic competition

Nixon's trident: Naval Power in Southeast Asia, 1968-1972 John Darrell Sherwood,2008 This book focuses on the three prongs of the naval trident that President Nixon wielded during the final years of the Vietnam War naval air power naval bombardment and mine warfare For much of this period Navy aircraft sought to hamper the flow of supplies down the Ho Chi Minh Trail in Laos a huge investment in air power resources that ultimately proved fruitless After North Vietnam s invasion of the South in 1972 however Navy tactical aviation as well as naval bombardment proved critical not only in blunting the offensive but also in persuading North Vietnam to arrive at a peace agreement in Paris in 1973 For the first time in the war the Navy was also authorized to close Haiphong Harbor and North Vietnam s other ports with naval mines an operation that still stands out as a textbook example of how mine warfare can inflict a major economic and psychological blow on the enemy with minimal casualties for either side Thus naval power was indispensable to ending America s longest war Provided by publisher
