Udi Lebel

Navigating Perilous Waters An Israeli Strategy For Peace And Security:

Navigating Perilous Waters Ephraim Sneh, 2004-08-02 Israel is a Jewish state in a Muslim Middle East How can it survive in that region This book answers this question by analyzing the dangers and threats that Israel faces today The book also highlights an important component of Israel s strength the endurance and the cohesion of its social fabric which the author sees as the key to his country s survival in the Middle East Written by Israel s former deputy minister of defence this book is essential reading for all those interested in the contemporary politics of the Middle East

Fear and Insecurity Jonathan G. Leslie, 2022-12-13 To observers of the Iran Israel conflict its vitriolic rhetoric might suggest an ancient hatred between Jews and Muslims a biblical feud dating back hundreds or thousands of years But this rivalry is a far more modern development In this authoritative study Jonathan G Leslie examines the origins of the conflict Drawing on extensive archival and open source research he concludes that despite the animosity surrounding the Iran Israel relationship the twenty first century s hostilities are not inevitable consequences of these nations history nor of contemporary political events The intensification of tensions has been largely the product of one nation s efforts with Israel viewing Iran as a far greater danger than Iran does Israel Using a novel theoretical approach considering the power of narrative within historical context Leslie outlines how Israel s leaders successfully reimagined their erstwhile ally Iran as an existential threat Former Prime Minister Benjamin Netanyahu took this further employing populist strategies in an attempt to rewrite history depict Iran as a global menace and recruit allies against the JCPOA nuclear deal *Fear and Insecurity* provides important new insights into the history of the Iran Israel conflict and offers fresh prospects for defusing the tensions threatening both global and regional security

Israeli-Palestinian Peace Negotiations, 1999-2001 Gilead Sher, 2013-11-05 Written by Gilead Sher Israeli Chief of Staff during the tumultuous 1999 2000 peace negotiations this book provides a fast paced description and analysis of the Israeli Palestinian conflict Presenting an overview of the core issues of contention the various key players and the possible solutions formulated during the peace process effort the book sheds new light on the events of that period An important contribution to the current literature it provides a fresh understanding of the link between the Israeli Palestinian conflict and the current global threats of Islamic fanaticism and international terrorism

Israel's National Security Efraim Inbar, 2007-12-21 This book brings together a collection of essays that covers the main national security issues Israel has faced since 1973

Israel's National Security Law Amichai Cohen, Stuart Cohen, 2012-08-06 Terror attacks on western civilian targets have stimulated interest in the dilemmas faced by liberal societies when combating threats to national security Combining the perspectives of political science and law this book addresses that discourse asking how democracies seek to harmonize the protection of individual liberties with the defence of state interests The book focuses on the experience of Israel a country whose commitment to democratic values has continuously been challenged by multiple threats to national survival It examines the legal legislative and institutional methods employed to resolve the dilemmas generated by that

situation and thus provides a unique interpretation of Israeli national security behaviour Policy making and policy implementation in this sphere it shows have reflected not just external constraints but also shifts in the domestic balance of power between the executive the legislature and the judiciary The book concludes with an agenda of the measures that each branch of government needs to implement in order to repair the flaws that have developed in this system over time Based on a close reading of legislative and court readings the book proposes a new taxonomy for the analysis of national security legal frameworks both in Israel and elsewhere in the democratic world As such it will be of great interest to students and scholars of political science national security law Israeli history and civil military relations

Negotiating Arab-Israeli Peace, Second Edition Laura Zittrain Eisenberg, Neil Caplan, 2010-07-14 Thoroughly updated and expanded this new edition of *Negotiating Arab Israeli Peace* examines the history of recurrent efforts to resolve the Arab Israeli conflict and identifies a pattern of negative negotiating behaviors that seem to repeatedly derail efforts to achieve peace In a lively and accessible style Laura Zittrain Eisenberg and Neil Caplan examine eight case studies of recent Arab Israeli diplomatic encounters from the Egyptian Israeli peace of 1979 to the beginning of the Obama administration in light of the historical record By measuring contemporary diplomatic episodes against the pattern of counterproductive negotiating habits this book makes possible a coherent comparison of over sixty years of Arab Israeli negotiations and gives readers a framework with which to assess the relative strengths and weaknesses of peace making attempts past present and future

Doomed to Failure? Ofira Seliktar, 2009-08-27 This ground breaking book examines how and why the much vaunted Oslo Peace Accords between the Israelis and Palestinians collapsed The author analyzes the players on both sides of the accords pointing out the attitudes and actions that serve to undermine peace and promote conflict On the one hand she criticizes the Islamist organizations Hamas and Palestinian Islamic Jihad for not tolerating the idea of any true long term peace with Israel On the other hand she scrutinizes the factions for and against Oslo that developed within Israeli government circles and she calls into question the ability of Israeli intelligence to correctly assess the Palestinian negotiators By means of such examination this book poses a fundamental question Can Islamic fundamentalism ever accept the existence of Israel or will it short circuit any prospect of peace between majority Muslim states and their non Muslim counterparts

Israel and the Palestinian Refugee Issue Jacob Tov, 2014-03-05 Examining the development of Israel s policy toward the Palestinian refugee issue this book spans the period following the first Arab Israeli War until the mid 1950s when the basic principles of Israel s policy were finalized *Israel and the Palestinian Refugee Issue* outlines and analyzes the various aspects that together created the mosaic of the refugee problem with which Israel has since had to contend These aspects include issues of repatriation resettlement compensation blocked bank accounts internal refugees and family reunification Drawing on extensive archival research this book uses documents from Israeli government meetings from the Foreign Affairs and Defense Committee and files from the office of the Prime Minister s advisor on Arab affairs to address the many diverse aspects of this topic and will be essential

reading for academics and researchers with an interest in Israel the Middle East and political science more broadly

Trapped Fools Shlomo Gazit, 2004-11-23 Based upon the author's own experiences this study explores the Israeli government's attitude to the West Bank and Gaza over a period of 30 years. The fools in the book's title refers not only to the Arabs who rejected Israeli peace offers but to the Israelis themselves. **Israel's Quest for Recognition and Acceptance in Asia** Jacob Abadi, 2004-03-01 This title represents a comprehensive study of Israel's attempts to build diplomatic relations with countries on the Asian continent. The author argues that despite the persistence of the Arab-Israeli conflict the Israeli Foreign Ministry was remarkably successful in gaining recognition in most Asian countries. He provides an overview of Israel's relations with Asian countries from 1948 until the present and analyses the political, social and economic factors in each country and the role that each played in the process of rapprochement with Israel. He explores the reasons for Israel's successes as well as its failures and analyses the flaws in Israeli diplomacy. H V Evatt and the Establishment of Israel Daniel Mandel, 2004-08-02 The Minister for External Affairs and the dominant force in the formation of Australian foreign policy for a crucial decade in the battle over Palestine 1941-1949 Herbert Vere Evatt played a central role in the Australian political response to Zionism and the conflict in Palestine. This book which uses a variety of primary sources from Australia Israel the United Kingdom and the United States provides a valuable study of Evatt the Zionist as well as illuminating a fascinating political figure. This valuable book charts the debate in Australia over the creation of a Jewish state as well as providing a genuinely entertaining study of Evatt himself. **The Rise of Israel** Jonathan Adelman, 2008-03-25 This book provides a general history of the rise of Israel since the early Zionist efforts at state building. In particular it seeks to show how unlikely Israel's creation was and that it should best be understood as a series of revolutions. *Social Mobilization in the Arab-Israeli War of 1948* Moshe Naor, 2013-08-21 In many ways the Arab-Israeli war of 1948 is typical of the total military conflicts that characterized the first half of the twentieth century. However in addition to the military course of the war and its formative and revolutionary ramifications this war was also notable for the social mobilization of the Israeli population. *Social Mobilization in the Arab-Israeli War of 1948* focuses on these civilian aspects of the war: the involvement of the Israeli home front in the fighting and the participation of society in the process of mobilization. Israeli civil society organizations played an active and central role in mobilizing the economy for the war effort mobilizing personnel for military service for labor and for the emergency services and in organizing the home front. The function of Israeli society and civil organizations in processes of mobilization conducted against the background of the end of the British mandate and the establishment of the State of Israel was one of the principal factors that contributed to the Israeli military victory in the 1948 war. Civilian aspects of the 1948 war have received little attention despite the opening of the archives in the 1980s. As such *Social Mobilization in the Arab-Israeli War of 1948* is an important contribution particularly for those interested in Israeli History Jewish History Middle Eastern History the Arab-Israeli conflict and War Studies. **Ralph Bunche and the Arab-Israeli Conflict** Elad

Ben-Dror,2015-09-16 I swear by all that s Holy I will never come anywhere near the Palestine problem once I liberate myself from this trap Ralph Bunche wrote these lines to his wife in 1949 during the armistice talks on Rhodes A year later he was awarded the Nobel Peace Prize for his success in ending the 1948 Arab Israeli war Ralph Bunche and the Arab Israeli Conflict provides a comprehensive study of Ralph Bunche s diplomatic activities on the Palestine question Bunche was at the centre of the story from the referral of the issue to the United Nations in 1947 until the signing of the armistice agreements that ended the war He began as advisor to UNSCOP and then headed the secretariat of the commission tasked with implementing partition Later after serving as the senior aide to UN mediator Folke Bernadotte he was appointed to replace the Count after the latter s assassination Using extensive archival materials some of it revealed here for the first time this book addresses central questions such as the relationship between Bunche s African American identity and his diplomatic endeavours and the complexities of his outlook on the Arab Israeli conflict Through research and careful analysis it uncovers how Ralph Bunche managed to bridge the gaps between Israel and Arab states This book will be of interest to students and scholars of Middle Eastern History particularly Israeli History as well as Political Science and Diplomacy Britain's Moment in Palestine Michael J Cohen,2014-02-24 In 1917 the British issued the Balfour Declaration for military and strategic reasons This book analyses why and how the British took on the Palestine Mandate It explores how their interests and policies changed during its course and why they evacuated the country in 1948 During the first decade of the Mandate the British enjoyed an influx of Jewish capital mobilized by the Zionists which enabled them not only to fund the administration of Palestine but also her own regional imperial projects But in the mid 1930s as the clouds of World War Two gathered Britain s commitment to Zionism was superseded by the need to secure her strategic assets in the Middle East In consequence she switched to a policy of appeasing the Arabs In 1947 Britain abandoned her attempts to impose a settlement in Palestine that would be acceptable to the Arab States and referred Palestine to the United Nations without recommendations leaving the antagonists to settle their conflict on the battlefield Based on archival sources and the most up to date scholarly research this comprehensive history offers new insights into Arab British and Zionist policies It is a must read for anyone with an interest in Palestine Israel British Colonialism and the Middle East in general *Politics of Memory* Udi Lebel,2013 Providing a new angle on state control and political legitimacy this book addresses the efforts of successive Israeli governments to establish their political dominance and legitimacy through the selective production and collective assimilation of cultural practices associated with bereavement and commemoration of those who fell on their country s behalf Secularism and Religion in Jewish-Israeli Politics Yaacov Yadgar,2010-07-28 Offering a fresh approach to the study of contemporary Jewish identity the author explores the implications of this identity from the perspective of traditionism covering issues of religion tradition modernity and secularisation within Jewish Israeli society and politics Israel and the Family of Nations Alexander Yakobson,Amnon Rubinstein,2009 Amnon Rubinstein and Alexander Yakobson explore the nature of Israel s identity as a

Jewish state how that is compatible with liberal democratic norms and is comparable with a number of European states

Jihad in Palestine Shaul Bartal, 2015-07-24 The 21st century exists in the shadow of the return of extremist Islam to the center of the world's political stage a process that began at the end of the previous century While researchers have focused on the rise of Hamas this return has in fact manifested itself in a range of independent Islamic extremist groups with their own philosophies Jihad in Palestine provides a comprehensive study of the variety of Islamic extremist groups operating inside Israel Palestine today examining their philosophies and views concerning martyrdom as well as their attitudes to the Israeli Palestinian conflict These ideologies are presented in their own words thanks to the author's extensive translations and commentary of primary sources in Arabic including the writings of the Islamic Jihad al Jama'a al Islamiya Hizbal Tahrir al Islami Hamas and the Islamic Movement The book studies the attitudes of these organisations towards the fundamental issues surrounding Jihad including the concept of personal obligation the relationship of the movement to the peace agreements and attitudes towards Jews expressed in the movement's writings Exploring the basic theories of sacrifice and analysing modern day Palestinian society it promotes a greater understanding of the religious angle of the Israeli Palestinian conflict The book will be of interest to students and scholars of Middle East Studies Jewish Studies Political Islam and Terrorism Political Violence

Ben-Gurion's Political Struggles, 1963-1967 Zaky Shalom, 2006-09-27 An essential insight into this central figure in the modern history of Israel and Zionism This important new study explores the years that built up to the Six Day War and details the crucial issues and events the world is still grappling with today This book traces Daniel Ben Gurion's waning years in Israeli politics After his resignation from the office of prime minister in 1963 the Old Man soon lost faith in his self-chosen successor Levi Eshkol and ceaselessly tried to undermine the latter's premiership eventually forming a breakaway party The events leading up to the Six Day War in June 1967 caught Ben Gurion by surprise During the weeks-long waiting period prior to the outbreak of hostilities he paid little attention to daily security issues But when war did erupt he displayed one of his key leadership skills the ability to formulate an accurate independent situation assessment It will be of interest to scholars working in Israeli politics and history this is a lucid thoroughly researched account of the sunset years of the driving force behind the Israeli nation state

This is likewise one of the factors by obtaining the soft documents of this **Navigating Perilous Waters An Israeli Strategy For Peace And Security** by online. You might not require more get older to spend to go to the ebook creation as competently as search for them. In some cases, you likewise do not discover the revelation Navigating Perilous Waters An Israeli Strategy For Peace And Security that you are looking for. It will enormously squander the time.

However below, in the same way as you visit this web page, it will be appropriately unquestionably simple to acquire as well as download guide Navigating Perilous Waters An Israeli Strategy For Peace And Security

It will not give a positive response many get older as we run by before. You can complete it even if doing something else at house and even in your workplace. appropriately easy!
