Ukraine Serhy Yekelchuk, 2007-03-29 Among the largest states in Europe Ukraine first appeared on the world map in 1991 and has been in the newspaper headlines since the Orange Revolution of 2004 which brought Victor Yushchenko to power In current events this state has been seen as symbolic of the relationship between Russia and the United States Yekelchuk a Ukrainian born and Western trained historian delivers a concise volume tracing the complex multiethnic history of Ukraine from the late 19th century to the present [Historical Dictionary of Ukraine](#) Ivan Katchanovski, Zenon E. Kohut, Bohdan Y. Nebesio, Myroslav Yurkevich, 2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine **The Ukrainian West** William Jay Risch, 2011-06-06 Months before crowds in Moscow dismantled monuments to Lenin residents of the western Ukrainian city of Lviv toppled theirs Risch argues that Soviet politics of empire created this anti Soviet city and that opposition from the periphery as much as from the imperial center was instrumental in unraveling the Soviet Union **Biographical Dictionary of Central and Eastern Europe in the Twentieth Century** Wojciech Roszkowski, Jan Kofman, 2016-07-08 Drawing on newly accessible archives as well as memoirs and other sources this biographical dictionary documents the lives of some two thousand notable figures in twentieth century Central and Eastern Europe A unique compendium of information that is not currently available in any other single resource the dictionary provides concise profiles of the region's most important historical and cultural actors from Ivo Andric to King Zog Coverage includes Albania Belarus the Czech and Slovak Republics Hungary Estonia Latvia Lithuania Poland Romania and Moldova Ukraine and the countries that made up Yugoslavia **Bibliographie Mensuelle** United Nations Library (Geneva, Switzerland), 1998 **Book Review Index**, 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index
