Eaton,2024-09-30 A great deal of biblical

scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture *The Gospel According to St. John, Volume 2* B. F. Westcott, 2022-08-12 B F Westcott's classic work on the Greek text of the Gospel of John was the fruit of forty years of research the book having been commissioned around 1860 and published posthumously by his son The Greek text is that of Westcott and Hort Readings of select Greek uncial manuscripts are placed beneath the text in the case of textual variants noted in the Introduction and all the more important readings are treated in special critical notes which are indexed
