America's Bloody Hill of Destiny Phillip Thomas Tucker, 2018-11-27 No chapter in the annals of the most important battle of America's national epic has been more celebrated than the key struggle for possession of the rocky hill at the extreme southern flank of the battle line at Gettysburg Little Round Top And no contest during the battle of Gettysburg was deadlier or as dramatic as the high stakes showdown for Little Round Top on the afternoon of July 2 1863 Gettysburg was the decisive turning point of America's history and Little Round Top was the crucial turning point of that three day struggle in Adams County Pennsylvania Little Round Top was indeed the bloody Hill of Destiny when the fate of America hung in the balance and was ultimately determined on the most decisive day of the three days at Gettysburg July 2 However some of the most important aspects of the famous struggle for Little Round Top have been distorted by misconceptions myths and layers of romance For the first time this ground breaking book America's Bloody Hill of Destiny A New Look at the Struggle for Little Round Top July 2 1863 has presented a fresh and new look at the key leaders and hard fighting common soldiers on both sides who played the most important roles during the climactic struggle that decided the fate of America during one of the most pivotal moments in American history

*The Annotated Memoirs of Ulysses S. Grant* Ulysses S. Grant, 2018-11-27 With kaleidoscopic trenchant path breaking insights Elizabeth D Samet has produced the most ambitious edition of Ulysses Grant's Memoirs yet published One hundred and thirty three years after its 1885 publication by Mark Twain Elizabeth Samet has annotated this lavish edition of Grant's

landmark memoir and expands the Civil War backdrop against which this monumental American life is typically read No previous edition combines such a sweep of historical and cultural contexts with the literary authority that Samet an English professor obsessed with Grant for decades brings to the table Whether exploring novels Grant read at West Point or presenting majestic images culled from archives Samet curates a richly annotated highly collectible edition that will fascinate Civil War buffs The edition also breaks new ground in its attack on the Lost Cause revisionism that still distorts our national conversation about the legacy of the Civil War Never has Grant s transformation from tanner s son to military leader been more insightfully and passionately explained than in this timely edition appearing on the 150th anniversary of Grant s 1868 presidential election
