The Christian Science Journal ,2005      Vertigo of Color Dita Amory,Ann Dumas,2023-10-11 During the summer of 1905 Henri Matisse and Andr Derain went on holiday in Collioure a modest French fishing village fifteen miles from the Spanish border This groundbreaking book examines how two artists entranced by the shifting light and stunning imagery of the eastern Mediterranean laid the groundwork for the movement known as Fauvism from the French fauve or wild beast Featuring more than 70 paintings watercolors and drawings produced by Matisse and Derain during their stay the book also brings to life their personal and artistic revelations with 21 of their letters published here for the first time in English Vivid and engaging texts detail their daring experiments with color form structure and perspective the scandal their paintings caused when they were exhibited several months later and how despite the jeering remarks from critics these works changed the course of French painting Emphasizing as never before the legacy of that summer this publication shows how the two artists radical investigations galvanized their contemporaries and how this strain of modernism created almost by accident resonates even into the present day

**Zóbel: The Future of the Past** Felipe Pereda,Manuel Fontán del Junco,2024-09-09 This catalogue is published in conjunction with the Asian premiere of Z bel The Future of the Past exhibited at Ayala Museum from September 14 2024 to January 26 2025      **Never Ending** Saul Nelson,2024 A new history of postwar painting that explores how the desire to look backward shaped some of the period s most radical artmaking This incisive account of modernism s postwar development examines how painters such as Joan Mitchell Barnett Newman and Rose Piper invoked tradition in order to respond to participate in and disrupt the histories of the movement being written at midcentury Saul

Nelson argues that artists turn to the past often dismissed as regressive offers an important counternarrative to the notion of modernism as always pushing forward To be a modernist Nelson contends was to live in doubt about which aspects of the past were still needed and how they might be put to new use The story ranges across continents and historical boundaries from India to Europe and the United States It encompasses Grace Hartigan s and Mitchell s feminist reworkings of Matisse the links between the work of Newman and nationalistic nineteenth century painting the attempts of Piper to salvage a heritage from the Harlem Renaissance and F N Souza s interrogations of the legacies of colonialism Never Ending presents a new history of postwar painting in which modernism is reimagined as a practice of retrieval and reinvention a ceaseless confrontation between tradition and the demands of the present Twentieth-century Modern Masters Sabine Rewald,1989 Published in conjunction with the exhibition held at The Metropolitan Museum of Art NYC Dec 1989 Apr 1990 The last great private collection of the art of the School of Paris 81 paintings drawings and bronzes by Bonnard Braque Dali Dubuffet Matisse Miro Picasso and Giacometti among others With accompanying essays and additional illustrations a total of 281 95 in color 10x12 1/4 Annotation copyrighted by Book News Inc Portland OR **Journal of the Royal Society of Arts** Royal Society of Arts (Great Britain),1966 *Art Journal* ,1960 **Picasso and the Painting That Shocked the World** Miles J. Unger,2019-03-26 One of The Christian Science Monitor s Best Nonfiction Books of 2018 An engrossing read a historically and psychologically rich account of the young Picasso and his coteries in Barcelona and Paris The Washington Post and how he achieved his breakthrough and revolutionized modern art through his masterpiece Les Femmes d'Alger (O.J. Version O) In 1900 eighteen year old Pablo Picasso journeyed from Barcelona to Paris the glittering capital of the art world For the next several years he endured poverty and neglect before emerging as the leader of a bohemian band of painters sculptors and poets Here he met his first true love and enjoyed his first taste of fame Decades later Picasso would look back on these years as the happiest of his long life Recognition came first from the avant garde then from daring collectors like Leo and Gertrude Stein In 1907 Picasso began the vast disturbing masterpiece known as Les Femmes d'Alger (O.J. Version O) Inspired by the painting of Paul Cézanne and the inventions of African and tribal sculpture Picasso created a work that captured the disorienting experience of modernity itself The painting proved so shocking that even his friends assumed he d gone mad but over the months and years it exerted an ever greater fascination on the most advanced painters and sculptors ultimately laying the foundation for the most innovative century in the history of art In **Picasso and the Painting That Shocked the World** Miles J Unger combines the personal story of Picasso s early years in Paris his friendships his romances his great ambition his fears with the larger story of modernism and the avant garde The Christian Science Monitor This is the story of an artistic genius with a singular creative gift It is riveting This engrossing book chronicles with precision and enthusiasm a painting with lasting impact in today s art world Publishers Weekly starred review all of it played out against the backdrop of the world s most captivating city *Matisse and Decoration* John Klein,2018-01-01 A brand new look at the extremely beautiful if underappreciated later

works of one of the most inventive artists of the 20th century Between 1935 and his death at midcentury Henri Matisse 1869 1954 undertook many decorative projects and commissions These include mural paintings stained glass ceramic tiles lead crystal pieces carpets tapestries fashion fabrics and accessories work that has received no significant treatment until now By presenting a wealth of new insights and unpublished material including from the artist s own correspondence John Klein an internationally acclaimed specialist in the art of Matisse offers a richer and more balanced view of Matisse s ambitions and achievements in the often neglected later phases of his career Matisse designed many of these decorations in the innovative and widely admired medium of the paper cut out whose function and significance Klein reevaluates Matisse and Decoration also opens a window onto the revival and promotion following World War II of traditional French decorative arts as part of France s renewed sense of cultural preeminence For the first time the idea of the decorative in Matisse s work and the actual decorations he designed for specific settings are integrated in one account amounting to an understanding of this modern master s work that is simultaneously more nuanced and more comprehensive
