Pageant Of Death:

Pageant of Death Howard Shaw,2000 The old public schools of England are rooted in history and take most things in their stride but murder is a different matter The great Merchet School is celebrating its five hundred years with a grand historical pageant when a brutal death intervenes Masters wives boys and parents are caught up in an investigation revealing dark secrets in an apparently civilized society Jealousy sexual passion financial greed and a legacy of the Second World War provide possible motives All is not resolved until another death takes place *Light and Death* Judith H. Anderson,2017-01-02 Light figures being darkness death Bridging mathematical science semantics rhetoric grammar and major poems Judith H Anderson seeks to negotiate writings from multiple disciplines in the shared terms of poiesis and figuration rather than as cultural opposites Analogy a type of metaphor has always been the connector of the known to the unknown the sensible to the infinite Anderson s study moves from the figuration of light and death to the history of analogy and its pertinence to light in physics and metaphysics from Kepler to Donne Spenser and Milton Topics proliferate creativity optics the relation of literature to science the methodology of thought and argument and the processes of narrative discovery and interpretation **The Dance of Death** ,1902 **Circles of Death** Marcia Talley,2024-03-05 Hannah Ives uncovers a deadly connection between disturbing discoveries in the past and present in this gripping mystery Hannah Ives and her husband are staying at their idyllic vacation cottage on Maryland s eastern shore when a young friend Noel Sinclair stops by for a visit As Hannah shows Noel around the property they notice some bald eagles in a neighboring cornfield who look seriously ill Could these magnificent birds have been poisoned Hannah s investigation soon clashes with powerful commercial agricultural interests Meanwhile Noel uncovers some shocking news of her own when she and her sister receive the results of their DNA tests As Hannah tries to discover who is tormenting the birds while also delving into Noel s family tree the last thing she expects to uncover is a deadly connection between the two **The Death and Afterlife of the North American Martyrs** Emma Anderson,2013-11-18 In the 1640s eight Jesuit missionaries met their deaths at the hands of native antagonists With their collective canonization in 1930 these men became North America s first saints Emma Anderson untangles the complexities of these seminal acts of violence and their ever changing legacy across the centuries While exploring how Jesuit missionaries perceived their terrifying final hours she also seeks to comprehend the motivations of those who confronted them from the other side of the axe musket or caldron of boiling water and to illuminate the experiences of those native Catholics who though they died alongside their missionary mentors have yet to receive comparable recognition as martyrs In tracing the creation and evolution of the cult of the martyrs across the centuries Anderson reveals the ways in which both believers and detractors have honored andpreserved the memory of the martyrs in this afterlife and how their powerful story has been continually reinterpreted in the collective imagination As rival shrines rose on either side of the U S Canadian border these figures would both unite and deeply divide natives and non natives
