From the late nineteenth century well into the 1960s North Carolina boasted some of the nation s most restrictive laws on alcohol production and sale For much of this era it was also the nation s leading producer of bootleg liquor Over the years written accounts popular songs and Hollywood movies have turned the state s moonshiners fast cars and frustrated Feds into legends But in *Tar Heel Lightnin'* Daniel S Pierce tells the real history of moonshine in North Carolina as never before This well illustrated entertaining book introduces a surprisingly varied cast of characters who operated secret stills and ran liquor from the swamps of the Tidewater to Piedmont forests and mountain coves From the state s earliest days through Prohibition to the present Pierce shows that moonshine crossed race and economic lines linking men and women the rebellious and the respectable the oppressed and the merely opportunistic As Pierce recounts even churchgoing types might run shipments of that good ol mountain dew when hard times came and there was no social safety net to break the fall Folklore popular culture and changing laws have helped fuel a renaissance in making and drinking commercial moonshine and Pierce shows how today s producers understand their ties to the past Above all this book reveals that moonshine s long colorful history features surprises that can change how we understand a state and a region *Baby Blues* Brenda Nichols,2011-11-18 *Baby Blues* is a young boy who comes to the town of Jollyville Nebraska His most attractive feature is his dark blue eyes He is not just your ordinary person for he can appear in many disguises It seems he has the ability to read minds and work miracles However his main concern is a young woman named Clarissa He always seems to be at her rescue Will everyone be a witness to his goodness or is his main purpose to know Clarissa only What is behind the real reason why he comes to Jollyville As the story unfolds it becomes a journey of faith fi lled with love and laughter but the mystery behind *Baby Blues* is the most shocking of all **Sailor's Delight** ,1982

Lotteries Alan J. Karcher,2021-09-28 Economic pressure on states in the 1980s have led a number in this country to market lotteries in an unprecedentedly aggressive manner This book was inspired by the author s experience with the New Jersey state lottery during a period of major growth Karcher examines lotteries from a historical psychological and philosophical perspective offering a reflective and cogent explanation of their popularity He looks at the fluctuating popularity of state sponsored gambling and the consequent peaking and fattening of revenues exposing the measures lottery

commissions sometimes take in order to increase revenues Self policed lottery commissions he predicts will resort to marketing abuses and increasingly prey upon the poor if they are given unbridled power to act Karcher suggests thoughtful easily implemented and constructive reforms As more state governments inevitably turn to lotteries as a way out of tax dilemmas this book will contribute to the public discourse on this important policy issue

Modern Day Knight Shawn Dotson, 2013-05-14 In the beginning Steven Stanford had started off like any other normal kid the desire to have a place he could call his own In his back yard had grown a massive cottonwood tree larger than any other tree in the neighborhood There had been the initial complaints that allowing him to build a tree house would not only be an eyesore but would also lower property values After all kids would use anything for building materials Steven was not the average twelve year old His father Michael Stanford was the foreman for Diamond Estate Homes At age seven during the summer vacations Steven was more interested in spending his days with his father and the workers than playing ball with his friends He had been fascinated to see bare ground transformed into a beautiful house The love for the craft could be seen now as he and three friends painstakingly coated every finished piece of lumber with a durable water sealer over stained finish The work completed was nearly all conception of the idea Steven had shoveled snow and mowed lawns throughout the neighborhood so that he could purchase the materials on his own from his father and the men on the construction sites He learned the finer points of framing fishing and furnishing it without the technical details the multiple levels and handmade arched windows would not have been possible As the boys stepped back to admire the final

result Steven took notice of the crowd gathering for the last hour on the street just to the side of his yard There were parents with kids and cameras A man and woman from a news van and Vanessa the most beautiful girl in his homeroom class this year Steven couldnt believe she was actually looking at him Summoning his courage he raised his hand and smiled Expecting her to ignore him as she had done all through school but instead she smiled and waved back Unbelievably he quickly glanced over his shoulder at his buddies They were still admiring the tree house and its decks It had really been him she had waved to Guys Check it out Its Vanessa Steven said trying not to sound too excited Embarrassing him they ran to the railing and pointed right at her Holy shit Brian said Her boobs are even bigger Like youd know what to do with them Carl said giving Brian a shove More than you At least Ive seen boobs real boobs Forcing himself to look away Steven looked annoyingly at Brian Your sisters dont count Bite me dill weed Boobs are boobs Steven dismissed his claim with a wave of his hand as he turned toward the lowered gangway stairs It wasnt worth fighting over Besides Loris boobs were nothing new but Steven would never admit to having taken her for a ride in his goat cart for the chance to feel them On the ground he lost his sight of Vanessa and feared shed be gone by the time he opened the gate through the tall picket fence but immediately spotted her again just as the reporter and her cameraman intercepted on the sidewalk When he tried to skirt them The woman blocked his path Hi Im Linda Gray from channel four news Is that your tree house Yeah he answered relieved at seeing Vanessa walking toward him Its very impressive Did you build it all by yourself or did your dad help you My dad helped me with the electricity Its the law And y my friends helped too Your parents must be very proud If its all right with your folks wed like to do a story on it Would mind giving us a tour Filing his thought was the question why Jessica stood smiling broadly just a foot away from him She was so close that he could smell an intoxicating fragrance coming from her hair Could a girl smell any better than she did right now A hand in the middle of his back sent him stumbling forward causing him to bump into Vanessa Geez are you going to kiss her or stand here all day Brian asked The realization that the chest had pressed toget
