Extreme Justice William Bernhardt,2012-10-02 DIVRetired from law Ben Kincaid is forced to return to the bar when a case and a corpse fall in his lap divDIV After years of struggling Ben Kincaid shuts down his small legal office and decides to make a living doing something that compared to practicing law in Tulsa is easy money playing jazz piano He buys a minivan to haul his gear and gets steady gigs playing in a combo at Uncle Earl s Jazz Emporium His new career is just starting to take off when a body falls from the Emporium ceiling knocking the wind out of Kincaid and sending him right back to his old

profession divDIV divDIVThe dead woman is Cajun Lily Campbell a grand dame of the Tulsa music scene and onetime girlfriend of Uncle Earl himself And Kincaid must be careful as he readies the old jazzman s defense because there is a killer on the north side of town who would like nothing more than to hear the piano player s last tune div **Neil Young on Neil Young** Arthur Lizie,2021-11-09 The life of rock s most durable troubadour in his own words Neil Young on Neil Young Interviews and Encounters is a revealing anthology of Young s most significant fascinating and entertaining discussions declarations and dreams chronicling fifty years of conversations feature stories and press conferences With many interviews widely available for the first time including new transcriptions and first time translations into English the book spans Young s words and ideas from 1967 onward his early days with Buffalo Springfield and 1970s Harvest fueled celebrity apex an artistic rebellion and 1980s commercial dip and the unexpected 1990s revival as the Godfather of Grunge through to his multi decade victory lap as a living legend Across the decades Young s own words tell the story as he perpetually reinvents himself as a master of music and film a technology pioneer and innovator and a bold political observer and strident environmental advocate *The Good, the Bad and the Ugly* Richard Taylor,2024-08-01 The book takes 45 chart toppers and writes their story The music the lyrics the artists producers and writers are all discussed as well as any side or back stories to do with the single For example when and how Release Me by Engelbert Humperdinck kept Penny Lane Strawberry Fields by The Beatles off the top spot in 1967 is discussed in Chapter 4 Another example of a you could not make it up back story might be the that the writer of Grandad by Clive Dunn from 1971and a light novelty No 1 song was also the bass player on Lou Reed s hit single Walk On The Wildside a heavy weight dose of art rock with dubious lyrics which came out in November 1972 Perhaps you could not get too more contrasting songs for Herbie Flowers to be involved in I picked 45 singles as that was the rpm speed of a typical 7 inches vinyl single in the 1960s With regard to time span I took one No 1 single per year between 1964 and 2006 that would be 43 songs and I added in two bonus tracks to make 45 This was when Top Of The Pops was running on BBC TV and seemed an appropriated year span for the book I wanted to mix up the No 1 singles not just to get the best selling or most popular song of a particular year I chose pop songs novelty songs children s songs and all time classics to have a range of mixed up No 1s This is hopefully a particular unique selling point of the book where I compare and contrast the mixed up No 1s and try to explain just how for example Mr Blobby by Mr Blobby would be an unlikely No 1 in 1993 while an all time classic Love Is All Around from Wet Wet Wet could be an obvious No 1 in 1994 Just how is it that these two songs could both be chart toppers in the same chart It is certainly a bit weird and this is something I try to explain in the book I have taken as the book title the 1968 chart topper which I write about in Chapter 5 The Good The Bad and the Ugly is indicative of the mixed up good bad or ugly range of the 45 songs which I pick I never specifically say which song is in which category That is for the reader to decide I also do not want to be rude about any song If it got to No 1 it certainly deserves respect In the Book End Outro I do a Top of the Pops No 45 to No 1 countdown as a worst to best list of my chosen songs

which should promote some debate and perhaps even disagreement With that in mind despite his best attempt at coercion and bribery towards me you will be pleased to know or perhaps saddened that Mr Blobby is not my overall No 1 But what is well Read on and enjoy the book

Nocturnes: Popular Music and the Night Geoff Stahl, Giacomo Bottà, 2019-03-27 The night and popular music have long served to energise one another such that they appear inextricably bound together as trope and topos This history of reciprocity has produced a range of resonant and compelling imaginaries conjured up through countless songs and spaces dedicated to musical life after dark Nocturnes Popular Music and the Night is one of the first volumes to examine the relationship between night and popular music Its scope is interdisciplinary and geographically diverse The contributors gathered here explore how the problems promises and paradoxes of the night and music play off of one another to produce spaces of solace and sanctuary as well as underpinning strategies designed to police surveil and control movements and bodies This edited collection is a welcome addition to debates and discussions about the cultures of the night and how popular music plays a continuing role in shaping them
