similar horrors when he is diagnosed as incurable Whilst brilliant and an expert in his field the Professor s books gain him respect not money and they too cannot afford the surgery needed At first it seems that the only two things that the girls have in common are their astoundingly beautiful hair and a desperate need for money to employ the services of the pioneering surgeon Mr Curtis Sheldon However the sudden death of the 4th Duke of Tregaron a cad of the first order whose unwanted attentions and lewd behaviour caused a naive Katie such pain in her first year in London results in Harry coming up with a daring plan to capitalise on their short lived relationship If Larentia agrees to play her part and the new Duke Justin Garon believes their story there is just a chance that they can raise enough money to save both Katie and the Professor But can an innocent young woman with no experience of the darker side of life be able to trick everyone And what will be the ultimate cost of the deception if she fails For this final curtain call Katie must sit back stage as Larentia prepares to give the performance of a lifetime
